¹ If you opted-in for Entune™ 3.0 Remote Connect you should have received an email with a 6-digit authorization code. If you have not received your authorization code via email, please call **1-800-331-4331** for assistance.

² Entune™ 3.0 services are dependent upon an operative telematics device, cellular connectivity and capability. Use Remote Connect only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child.) GPS satellite signal reception and limited functionality may affect the ability to reach the response center or receive emergency support. The Scout® GPS link app is compatible with select vehicle models equipped with Entune™ 3.0 Audio and Audio Plus. Availability and accuracy of the information provided by Entune™ 3.0 and/or Scout® GPS Link is subject to change at any time without notice. Data charges may apply for use of services accessed through cellular connection. Subscription purchase required after trial. See usage precautions and service limitations in Owner's Manual. See Toyota.com/entune for details.
