FABRIC GUARD

Not for Retail Sale - Service Part for Dealership Use Only

Application Instructions:

SHAKE WELL BEFORE USE FOR MAXIMUM PROTECTION. Apply only to clean, dry automotive interior fabric. Hold applicator 6-8" from fabric surface spraying in an even back and forth motion. Allow sufficient overlap for maximum penetration and complete and even coverage (Do not soak). Avoid spraying surfaces other than fabric. Overspray should be wiped off immediately. Drying time will vary based on proper application and local climate conditions.

IMPORTANT: Do not apply fabric guard to seat belts, headliners, visors, leather, suede or vinyl.

NET CONTENTS: 12 FL oz. (355ml.)

MAY IRRITATE EYES, SKIN, AND RESPIRATORY TRACT. Do not get in eyes, on skin or clothing. Do not breathe fumes. Wear nitrile gloves and safety glasses with side shields. Use only in a well-ventilated area.

FIRST AID TREATMENT: IF SWALLOWED: Contact a Poison Control Center or doctor immediately. Do not induce vomiting. IF IN EYES: Immediately flush with plenty of water for at least 15 minutes. Get medical attention if irritation persists. IF ON SKIN: Wash with soap and water. IF BREATHED IN: Move person to fresh air.

This product is not considered hazardous under the US OSHA Hazard Communication Standard (29 CFR 1910.1200).
