Cadillac's Commitment

Cadillac is committed to ensuring satisfaction with your new vehicle.

Your dealer also wants you to be completely satisfied and invites you to return for all your service needs, both during and after the warranty period.

Owner Assistance

The dealer is best equipped to provide all your vehicle's service needs. Should you ever encounter a problem that is not resolved during or after the limited warranty period, talk to a member of dealer management. Under certain circumstances, Cadillac and/or Cadillac dealers may provide assistance after the limited warranty period has expired when the problem results from a defect in material or workmanship. These instances

will be reviewed on a case-by-case basis. If the issue has not been resolved to your satisfaction, follow the Customer Satisfaction Procedure ⇨ 18.

We thank you for choosing Cadillac.

Cadillac Participation in an Alternative Dispute Resolution Program

See Customer Satisfaction Procedure ⇨ 18 for information on the voluntary, non-binding Alternative Dispute Resolution Program in which Cadillac participates.

Warranty Service – United States, Canada, and Mexico

The selling dealer has invested in the proper tools, training, and parts inventory to ensure that any necessary warranty

repairs can be made to your Cadillac vehicle. Cadillac requests that the vehicle be returned to the selling dealer for all warranty repairs. If a situation or event occurs where you are significantly inconvenienced, an authorized Cadillac dealer can make the warranty repairs. However, in the event the dealer is not able to perform the repair due to the special tool and training requirements, contact the Customer Assistance Offices ⇨ 23. If you are unable to return to the selling dealer, contact a Cadillac dealer in the United States, Canada, or Mexico for warranty service.

2 Warranty Coverage at a Glance

The warranty coverages are summarized below.

New Vehicle Limited Warranty

NEW VEHICLE LIMITED WARRANTY

	10,000	20,000	30,000	40,000	50,000	60,000	70,000	80,000	100,000	Unlimited	Miles
Bumper to Bumper (including tires)	4 years/50,000 miles ¹										
Electric Vehicle Propulsion Battery Warranty	8 years/100,000 miles ¹										
Restraint System						6 years/72,000 miles ¹					
Sheet Metal											
Corrosion Coverage	4 years/50,000 miles ¹										
Rust-through Coverage	6 years, unlimited miles										

¹ Whichever comes first

Noise Emissions

Noise Emissions Coverage is for applicable vehicles weighing over 10,000 lbs based on the Gross Vehicle Weight Rating (GVWR) only, for the entire life of the vehicle.

4 New Vehicle Limited Warranty

GM will provide for repairs to the vehicle during the warranty period in accordance with the following terms, conditions, and limitations.

What Is Covered

Warranty Applies

This warranty is for GM vehicles registered in the United States and normally operated in the United States or Canada, and is provided to the original and any subsequent owners of the vehicle during the warranty period.

Repairs Covered

The warranty covers repairs to correct any vehicle defect related to materials or workmanship occurring during the warranty period, excluding slight noise, vibrations, or other normal characteristics of the vehicle.

No Charge

Warranty repairs, including towing, parts, and labor, will be made at no charge.

Obtaining Repairs

To obtain warranty repairs, take the vehicle to a Cadillac dealer facility within the warranty period and request the needed repairs.

Reasonable time must be allowed for the dealer to perform necessary repairs.

Warranty Period

The warranty period for all coverages begins on the date the vehicle is first delivered or put in use and ends at the expiration of the coverage period.

Bumper-to-Bumper Coverage

The complete vehicle is covered for 4 years or 50,000 miles, whichever comes first, except for other coverages listed here under "What Is Covered" and those items listed under "What Is Not Covered" later in this section.

Electric Vehicle Propulsion Battery Warranty

For vehicles sold in the United States, in addition to the Bumper-to-Bumper Coverage described previously, Cadillac will warrant defects related to materials or workmanship to the propulsion battery pack and its internal components for 8 years or 100,000 miles, whichever comes first, from the original in-service date of the vehicle.

This warranty is for the electric vehicles registered and normally operated in the United States. In addition to the initial owner of the vehicle, the coverage described in this Electric Vehicle Propulsion Battery Warranty is transferable at no cost to any subsequent person(s) who assumes ownership of the vehicle within the 8 years or 100,000 miles term. No deductibles are associated with this warranty.

This warranty is in addition to the express conditions and warranties described previously. The coverage and benefits described under "New Vehicle Limited Warranty" are not extended or altered because of this Electric Vehicle Propulsion Battery Warranty.

Battery Capacity Coverage

Like all batteries, the amount of energy that the high voltage propulsion battery can store will decrease with time and miles driven. The battery will be replaced/repared if the capacity falls below 75% of its original value during the warranty period, as determined by a certified dealer, with a battery appropriate for the age and mileage of the vehicle.

Propulsion Battery Service

Cadillac has a network of certified dealers who are trained to perform repairs on electric vehicle battery packs. If the Propulsion Battery requires service due to a defect in materials or workmanship, Cadillac will either repair or replace the Propulsion Battery with new or refurbished components at Cadillac's discretion.

Towing Coverage

During the 8 years or 100,000 miles (160 000 kilometers) Electric Vehicle Propulsion Battery warranty period, towing is covered to the nearest EV Certified Cadillac dealer if your vehicle cannot be driven because of a warranted defect. Contact the GM Roadside Assistance Center for towing. Refer to the Owner's Manual for details.

Restraint System Warranty

Provides repair or replacement needed to correct defects in materials or workmanship of any seatbelt or airbag system, supplied by General Motors. Coverage is for 6 years or 72,000 miles, whichever comes first. This warranty is subject to the exceptions indicated in the "What Is Not Covered" section or cosmetic appearance defects such as color fade.

6 New Vehicle Limited Warranty

Sheet Metal Coverage

Body sheet metal panels are covered against corrosion and rust-through as follows:

Surface Corrosion: Body sheet metal panels are covered against rust for 4 years or 50,000 miles, whichever comes first.

Important: Surface rust resulting from accidents, stone chips or scratches in the paint is not included in sheet metal coverage.

Rust-Through Corrosion: Any body sheet metal panel that rusts through — that develop an actual hole in the sheet metal — is covered for up to 6 years, unlimited miles.

Important: Your vehicle was designed and built to resist corrosion. Application of additional rust inhibiting materials is neither necessary nor required under the Sheet Metal Coverage. GM makes no recommendations concerning the usefulness or value of such products. Application of after manufacture rust proofing products may create an environment which reduces the corrosion resistance built into your vehicle. Repairs to correct damage caused by such applications are not covered under your New Vehicle Limited Warranty.

Tire Coverage

The tires supplied with your vehicle are covered by General Motors against defects in material or workmanship under the Bumper-to-Bumper warranty coverage. Wear-out is not considered a defect, and it may occur before the vehicle warranty expires. In this case, the owner is responsible to purchase replacement tires, or seek coverage solely from the tire manufacturer. For vehicles within the Bumper-to-Bumper warranty coverage, defective tires will be replaced on a prorated adjustment basis according to the following mileage-based schedule:

Tire Pro-Rate Chart

Mileage (mi)	Percent Covered by Cadillac (Tire Cost)	Percent Covered by Cadillac (Labor — Mount/Balance)
0-12,000	100%	100%
12,001-15,000	60%	100%
15,001-20,000	50%	100%
20,001-25,000	40%	100%
25,001-30,000	30%	100%
30,001-50,000	20%	100%
50,000 +	0%	0%

This schedule applies to the price of the tires only. Cadillac will cover 100% of the cost to mount and balance the tires replaced under warranty for the full Bumper-to-Bumper warranty period.

After your New Vehicle Limited Warranty expires, you may still have prorated warranty coverage on your original equipment tires by the tire manufacturer. Contact your Cadillac dealer or the tire

manufacturer of the brand of tires on your vehicle for more information. The following is a list of current tire manufacturer's websites and toll-free customer assistance numbers.

8 New Vehicle Limited Warranty

Tire Companies

Company	Website	Toll-Free Number
Bridgestone/Firestone	www.bridgestonetire.com www.firestonetire.com	1-800-847-3272
Continental/General	www.generaltire.com www.continentaltire.com	1-800-847-3349

Maxxis	www.maxxis.com	1-866-509-7067
Kumho	www.kumhotire.com	1-800-445-8646

When a tire is removed from service due to a covered warranty condition under a tire manufacturer's limited warranty program, you may be eligible for a tire replacement or a comparable new tire on a prorated basis.

The tire manufacturer's limited warranty program, which can be obtained by calling or

visiting the tire manufacturer's website or any authorized dealer, is in lieu of all other remedies or warranties, expressed or implied, arising by law or otherwise, including fitness for a particular purpose or merchantability. The tire manufacturers expressly disclaim liability for indirect, special, incidental, or consequential damages,

lost profit, loss of business, loss of goodwill, loss of reputation, punitive or any other damage, cost, or loss of any kind.*

*Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

Accessory Coverages

Most Cadillac parts and accessories sold and permanently installed on a Cadillac vehicle by a Cadillac Dealer or GM approved Accessory Distributor/Installer (ADI) prior to delivery will be covered under the applicable portion of the New Vehicle Limited Warranty. In the event Cadillac accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the balance of the applicable portion of the New Vehicle Limited Warranty, but in no event less than 12 months/unlimited miles.

GM accessories sold over the counter, or those not requiring installation, will receive the standard Cadillac Dealer Accessories Warranty of 12 months from the date of purchase, parts only.

GM Licensed and Integrated Business Partner (IBP) Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers.

Caution

This warranty excludes:

Any communications device that becomes unusable or unable to function as intended due to unavailability of compatible wireless service or GPS satellite signals.

Towing

Towing is covered to the nearest Cadillac dealer if your vehicle cannot be driven because of a warranted defect.

What Is Not Covered**Tire and Wheel Damage or Wear**

Normal tire wear or wear-out is not covered. Tire wear is influenced by many variables such as road conditions, driving styles, vehicle weight, and tire construction. Uniform tire wear is a normal condition, and is not considered a defect. Road hazard damage such as punctures, cuts, snags, and breaks resulting from pothole impact, curb impact, or from other objects is not covered. Tire wear due to misalignment beyond the warranty period is not covered. Also, damage from improper inflation, overloading, spinning, as when stuck in mud or snow, tire chains, racing, improper mounting or dismounting, misuse, negligence, alteration, improper repair, accident, collision, fire, vandalism, or misapplication is not covered. Damage to wheels or

10 New Vehicle Limited Warranty

tire sidewalls caused by automatic car washes or cleaning agents is not covered.

Damage Due to Accident, Misuse, or Alteration

The New Vehicle Limited Warranty does not cover damage caused as the result of any of the following:

- Collision, fire, theft, freezing, vandalism, riot, explosion, or objects striking the vehicle
- Misuse of the vehicle such as driving over curbs, overloading, racing, or other competition. Proper vehicle use is discussed in the Owner's Manual.
- Alteration, modification, or tampering to the vehicle, including, but not limited to the body, chassis, driveline, software, or other components after final assembly by GM.

- Coverages do not apply if the odometer has been disconnected, its reading has been altered, or mileage cannot be determined.
- Installation of non-GM (General Motors) parts
- Water or fluid contamination
- Damage resulting from hail, floods, windstorms, lightning, and other environmental conditions
- Alteration of glass parts by application of tinting films

Important: This warranty is void on vehicles currently or previously titled as salvaged, scrapped, junked, or otherwise considered a total loss.

Damage or Corrosion Due to Environment, Chemical Treatments, or Aftermarket Products

Damage caused by airborne fallout, rail dust, salt from sea air, salt or other materials used to control road conditions, chemicals, tree

sap, stones, hail, earthquake, water or flood, windstorm, lightning, the application of chemicals or sealants subsequent to manufacture, etc., is not covered. See "Chemical Paint Spotting" under Things to Know About the New Vehicle Limited Warranty ↻ 13.

Damage Due to Insufficient or Improper Maintenance

Damage caused by failure to follow the recommended maintenance schedule intervals and/or failure to use or maintain proper fluids, or maintain fluids between recommended maintenance intervals, fuel, lubricants, or refrigerants recommended in the Owner's Manual is not covered.

Damage Due to Impact, Use, or the Environment

Windshield or glass cracks, chips, or scratches due to impact are not covered. Windshield cracks will be

covered for the first 12 months, regardless of mileage if caused by defects in material or workmanship.

Lights, lenses, mirrors, paint, grille, moldings, and trim are not covered for cracks, chips, scratches, dents, dings, and punctures or tears as a result of impact with other objects or road hazards. In addition, cracks, chips, scratches, or other damage to the face of a radio or instrument cluster from impact or foreign objects are not covered.

Third Party Externally Connected Electrical Products

This warranty does not apply to hardware or software of a third party device that is connected to the vehicle or its components, even if integrated or delivered with the vehicle. GM is not responsible for the quality or accuracy of any information, or service accessed through

or from any third party device or platform. Software distributed by GM inside or outside the vehicle (including, but not limited to system software or applications) is not covered by this Warranty. GM does not warrant that connections to, from, or through the vehicle will be uninterrupted or error-free. Also, the user should back up their data and information frequently. GM is not responsible for any loss or damage to data or information made available in connection with the use of the vehicle. In addition, this Warranty does not apply: (a) to consumable parts that are designed to diminish over time, unless failure has occurred due to a defect in materials or workmanship; (b) to damage caused by use with another product or service; (c) to damage caused by a third party device or service (including upgrades and

expansions); or (d) to obsolescence or lack of utility due to incompatibility with future versions of external hardware or software, including, but not limited to mobile devices.

Maintenance

All vehicles require periodic maintenance. Maintenance services, such as those detailed in the Owner's Manual, are the owner's expense. Vehicle lubrication, cleaning, or polishing are not covered. Failure of or damage to components requiring replacement or repair due to vehicle use, wear, exposure, or lack of maintenance is not covered.

Items such as:

- Audio System Cleaning
- Brake Pads/Linings
- Coolants and Fluids
- Filters
- Rear Axle Service
- Tire Rotation

12 New Vehicle Limited Warranty

- Wheel Alignment/Balance
- Wiper Inserts/Blades

are covered by the New Vehicle Limited Warranty for up to 7,500 miles; any replacement after 7,500 miles is considered maintenance and is not covered as part of the New Vehicle Limited Warranty. Keyless Entry batteries (or other remote transmitter/receiver batteries) are covered for up to 12 months only; any replacement after 12 months is considered maintenance and is not covered as part of the New Vehicle Limited Warranty. The New Vehicle Limited Warranty only covers components when replacement or repair of these components is the result of a defect in material or workmanship.

Extra Expenses

Economic loss or extra expense is not covered.

Examples include:

- Inconvenience
- Lodging, meals, or other travel costs
- Loss of vehicle use
- Payment for loss of time or pay
- State or local taxes required on warranty repairs
- Storage

While extra expenses are not covered by the New Vehicle Limited Warranty, Cadillac does provide many additional customer benefits, such as Cadillac Owner Benefits. See your Owner's Manual.

Other Terms : This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

GM does not authorize any person to create for it any other obligation or liability in connection with these

vehicles. **Any implied warranty of merchantability or fitness for a particular purpose applicable to this vehicle is limited in duration to the duration of this written warranty. Performance of repairs and needed adjustments is the exclusive remedy under this written warranty or any implied warranty. GM shall not be liable for incidental or consequential damages, such as, but not limited to, lost wages or vehicle rental expenses, resulting from breach of this written warranty or any implied warranty.***

* Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Warranty Repairs – Component Exchanges

In the interest of customer satisfaction, Cadillac may offer exchange service on some vehicle components. This service is intended to reduce the amount of time your vehicle is not available for use due to repairs. Components used in exchange are service replacement parts that may be new, remanufactured, or refurbished.

Remanufactured parts meet Cadillac approved service part requirements and are made from previously used components in a process that involves disassembly, inspection, cleaning, update of software and replacement of parts as appropriate, testing, and reassembly.

Refurbished parts meet Cadillac approved service part requirements and are

previously used parts that are inspected, cleaned, tested, and repackaged.

All exchange components used meet Cadillac standards and are warranted the same as new components. Examples of the types of components that might be serviced in this fashion include: transmission assemblies, instrument cluster assemblies, radios, compact disc players, and battery control modules.

Warranty Repairs – Recycled Materials

Environmental Protection Agency (EPA) guidelines and Cadillac support the capture, purification, and reuse of automotive air conditioning refrigerant gases. As a result, any repairs Cadillac may make to your vehicle may involve the installation of purified reclaimed refrigerant and coolant.

Tire Service

Any authorized Cadillac or tire dealer for your brand of tires can assist you with tire service. If, after contacting one of these dealers, you need further assistance or you have questions, contact the Cadillac Customer Assistance Center. The toll-free telephone numbers are listed under Customer Assistance Offices ⇨ 23.

Aftermarket Vehicle Propulsion Enhancement Products and Modifications

Some aftermarket vehicle propulsion products and modifications promise a way to increase the horsepower and torque levels of your vehicle. You should be aware that these products may have detrimental effects on the performance and life of the propulsion system. The vehicle propulsion system has been

14 Things to Know About the New Vehicle Limited Warranty

designed and built to offer industry leading durability and performance. Vehicle propulsion enhancement products may enable the vehicle to operate at horsepower and torque levels that could damage, create failure, or reduce the life of the propulsion system. Damage, failure, or reduced life of the propulsion system or other vehicle components caused by aftermarket vehicle propulsion enhancement products or modifications may not be covered under your vehicle warranty.

Paint, Trim, and Appearance Items

Defects in paint, trim, upholstery, or other appearance items are normally corrected during new vehicle preparation. If you find any paint or appearance concerns, advise your dealer as soon as

possible. Your Owner's Manual has instructions regarding the care of these items.

Vehicle Operation and Care

Considering the investment you have made in your Cadillac, we know you will want to operate and maintain it properly. We urge you to follow the maintenance instructions in your Owner's Manual.

If you have questions on how to keep your vehicle in good working condition, see your Cadillac dealer, the place many customers choose to have their maintenance work done. You can rely on your Cadillac dealer to use the proper parts and repair practices.

Maintenance and Warranty Service Records

Retain receipts covering performance of regular maintenance. Receipts can be

very important if a question arises as to whether a malfunction is caused by lack of maintenance or a defect in material or workmanship.

A "Maintenance Record" is provided in the maintenance schedule section of the Owner's Manual for recording services performed.

The servicing dealer can provide a copy of any warranty repairs for your records.

Chemical Paint Spotting

Some weather and atmospheric conditions can create a chemical fallout. Airborne pollutants can fall upon and adhere to painted surfaces on your vehicle. This damage can take two forms: blotchy, ring-shaped discolorations, and/or small irregular dark spots etched into the paint surface.

Although no defect in the factory applied paint causes this, Cadillac will repair, at no charge to the owner, the painted surfaces of new vehicles damaged by this fallout condition within 12 months or 12,000 miles of purchase, whichever comes first.

Warranty Coverage – Extensions

Time Extensions : The New Vehicle Limited Warranty will be extended one day for each day beyond the first 24 hour period in which your vehicle is at an authorized dealer facility for warranty service. You may be asked to show the repair orders to verify the period of time the warranty is to be extended. Your extension rights may vary depending on state law.

Mileage Extensions : Prior to delivery, some mileage is put on your vehicle during testing at the assembly plant, during shipping, and while at the dealer facility. The dealer records this mileage on the first page of this warranty booklet at delivery. For eligible vehicles, this mileage will be added to the mileage limits of the warranty ensuring that you receive full benefit of the coverage. Mileage extension eligibility:

- Applies only to new vehicles held exclusively in new vehicle inventory.
- Does not apply to used vehicles, -owned vehicles, dealer owned used vehicles, or dealer demonstrator vehicles.
- Does not apply to vehicles with more than 1,000 miles on the odometer even though the vehicle may not have been registered for license plates.

Warranty Service – Foreign Countries

Touring Owner Service

If you are touring in a foreign country and repairs are needed, take your vehicle to the nearest GM dealer which sells and services Cadillac vehicles. However, if a Cadillac dealer cannot be located, significantly inconvenienced customers can take their vehicle to any GM dealer for repairs.

Important: Repairs made necessary by the use of improper or dirty fuels and lubricants are not covered under the warranty. See your Owner's Manual for additional information on fuel requirements when operating in foreign countries.

Permanent Relocation

This warranty applies to Cadillac vehicles registered in the United States and normally operated in the

16 Things to Know About the New Vehicle Limited Warranty

United States, Canada, or Mexico. If you have permanently relocated and established household residency in another country, GM may authorize the performance of repairs under the warranty authorized for vehicles generally sold by GM in that country. Contact an authorized GM dealer in your country for assistance.

Important: GM warranty coverages may be void on Cadillac vehicles that have been imported/exported for resale.

Original Equipment Alterations

This warranty does not cover any damage or failure resulting from modification or alteration to the vehicle's original equipment as manufactured or assembled by General Motors. Examples of the types of alterations that would not be covered include cutting, welding,

or disconnecting of the vehicle's original equipment parts and components.

Additionally, General Motors does not warranty non-GM parts, calibrations, and/or software modifications. The use of parts, control module calibrations, software modifications, and/or any other alteration not issued through General Motors will void the warranty coverage for those components that are damaged or otherwise affected by the installation of the non-GM part, control module calibration, software modification, and/or other alteration.

The only exception is that non-GM parts labeled "Certified to EPA Standards" are covered by the Federal Emissions Performance Warranty.

Recreation Vehicle and Special Body or Equipment Alterations

Installations or alterations to the original equipment vehicle or chassis, as manufactured and assembled by Cadillac, are not covered by this warranty. The special body company, assembler, or equipment installer is solely responsible for warranties on the body or equipment and any alterations to any of the parts, components, systems, or assemblies installed by Cadillac. Examples include, but are not limited to, special body installations, such as recreational vehicles, the installation of any non-GM part, cutting, welding, or the disconnecting of original equipment vehicle or chassis parts and components, extension of the wheelbase, suspension and driveline modifications, and axle additions.

Pre-Delivery Service

Defects in the mechanical, electrical, sheet metal, paint, trim, and other components of your vehicle may occur at the factory or while it is being transported to the dealer facility. Normally, any defects occurring during assembly are identified and corrected at the factory during the inspection process. In addition, dealers inspect each vehicle before delivery. They repair any uncorrected factory defects and any transit damage detected before the vehicle is delivered to you.

Any defects still present at the time the vehicle is delivered to you are covered by the warranty. If you find any defects, advise your dealer without delay. For further details concerning any repairs which the dealer may have made prior to you taking delivery of your vehicle, ask your dealer.

Production Changes

Cadillac and Cadillac dealers reserve the right to make changes in vehicles built and/or sold by them at any time without incurring any obligation to make the same or similar changes on vehicles previously built and/or sold by them.

Noise Emissions Warranty for Light Duty Trucks Over 10,000 lb Gross Vehicle Weight Rating (GVWR) Only

GM warrants to the first person who purchases this vehicle for purposes other than resale and to each subsequent purchaser of this vehicle, as manufactured by GM, that this vehicle was designed, built, and equipped to conform at the time it left GM's control with all applicable United States EPA Noise Control Regulations.

This warranty covers this vehicle as designed, built, and equipped by GM, and is not limited to any particular part, component, or system of the vehicle manufactured by GM. Defects in design, or assembly, or in any part, component, or vehicle system as manufactured by GM, which, at the time it left GM's control, caused noise emissions to exceed Federal Standards, are covered by this warranty for the life of the vehicle.

18 Customer Satisfaction Procedure

Your satisfaction and goodwill are important to your dealer and to Cadillac. Normally, any concerns with the sales transaction or the operation of your vehicle will be resolved by your dealer's sales or service departments. Sometimes, however, despite the best intentions of all concerned, misunderstandings can occur. If your concern has not been resolved to your satisfaction, the following steps should be taken:

STEP ONE : Discuss your concern with a member of dealer management.

Normally, concerns can be quickly resolved at that level. If the matter has already been reviewed with the sales, service, or parts manager, **contact the owner of the dealer facility** or the general manager.

STEP TWO : If after contacting a member of dealer management, it appears your concern cannot be resolved by the dealer without further help, **contact the Cadillac Customer Assistance Center** by calling 1-800-333-4223. In Canada, contact GM of Canada Customer Care Centre by calling 1-888-446-2000.

For resolution of issues related to the Cadillac Professional Vehicle, contact 1-800-43-FLEET (1-800-433-5338).

We encourage you to call the toll-free number in order to give your inquiry prompt attention. Have the following information available to give the Customer Assistance Representative:

- The Vehicle Identification Number (VIN). This is available from the vehicle registration or title, or the plate above the top of the instrument panel on the driver side, and visible through the windshield.
- The dealer name and location.
- The vehicle delivery date and present mileage.

When contacting Cadillac, remember that your concern will likely be resolved at a dealer's facility. That is why we suggest you follow Step One first if you have a concern.

STEP THREE : Both GM and your GM dealer are committed to making sure you are completely satisfied with your new vehicle. However, if you continue to remain unsatisfied after following the procedure outlined in Steps One and Two, you can file with the Better Business Bureau (BBB) Auto Line Program to enforce any additional rights you may have.

The BBB Auto Line Program is an out of court program administered by the Council of Better Business Bureaus to settle automotive disputes regarding vehicle repairs or the interpretation of the New Vehicle Limited Warranty. Although you may be required to resort to this informal dispute resolution program prior to filing a court action, use of the program is free of charge and your case will generally be heard within 40 days. If you do not agree with the decision given in your

case, you may reject it and proceed with any other venue for relief available to you.

Contact the BBB Auto Line Program using the toll-free telephone number or write them at the following address:

BBB Auto Line Program
Council of Better Business
Bureaus, Inc.
3033 Wilson Boulevard
Suite 600
Arlington, VA 22201

Telephone: 1-800-955-5100
www.bbbautoline.org

This program is available in all 50 states and the District of Columbia. Eligibility is limited by vehicle age, mileage, and other factors. GM reserves the right to change eligibility limitations and/or to discontinue its participation in this program.

20 State Warranty Enforcement Laws

Laws in many states permit owners to obtain a replacement vehicle or a refund of the purchase price under certain circumstances. The provisions of these laws vary from state to state. To the extent allowed by state law, GM requires that you first provide us with written notification of any service difficulty you have experienced so that we have an opportunity to make any needed repairs before you are eligible for the remedies provided by these laws. The address for written notification, is in Customer Assistance Offices ⇨ 23.

California Civil Code Section 1793.2(d) requires that, if GM or its representatives are unable to repair a new motor vehicle to conform to the vehicle's applicable express warranties after a reasonable number of attempts, Cadillac shall either replace the new motor vehicle or reimburse the buyer the amount paid or payable by the buyer. California Civil Code Section 1793.22(b) creates a presumption that Cadillac has had a reasonable number of attempts to conform the vehicle to its applicable express warranties if, within 18 months from delivery to the buyer or 18,000 miles on the

vehicle's odometer, whichever occurs first, one or more of the following occurs:

- The same nonconformity results in a condition that is likely to cause death or serious bodily injury if the vehicle is driven AND the nonconformity has been subject to repair two or more times by GM or its agents AND the buyer or lessee has directly notified GM of the need for the repair of the nonconformity.
- The same nonconformity has been subject to repair four or more times by GM or its agents AND the buyer has notified GM of the need for the repair of the nonconformity.

- The vehicle is out of service by reason of repair nonconformities by GM or its agents for a cumulative total of more than 30 calendar days after delivery of the vehicle to the buyer.

NOTICE TO GENERAL MOTORS AS REQUIRED ABOVE SHALL BE SENT TO THE FOLLOWING ADDRESS:

General Motors LLC
P.O. Box 33170
Detroit, MI 48232-5170

When you make an inquiry, you will need to give the year, model, and mileage of your vehicle and your VIN.

22 Special Coverage Adjustment Programs Beyond the Warranty Period

Cadillac is proud of the protection afforded by its warranty coverages. In order to achieve maximum customer satisfaction, there may be times when Cadillac will establish a special coverage adjustment program to pay all or part of the cost of certain repairs not covered by the warranty or to reimburse certain repair expenses you may have incurred. Check with your Cadillac dealer or call the Cadillac Customer Assistance Center to determine whether any special coverage adjustment program is applicable to your vehicle.

When you make an inquiry, you will need to give the year, model, and mileage of your vehicle and your VIN.

Cadillac encourages customers to call the toll-free telephone number for assistance. However, if you wish to write or e-mail Cadillac, refer to the address below.

Cadillac is proud to offer the response, security, and convenience of Cadillac's 24-hour Roadside Assistance Program. Towing coverage is for the first 8 years or 100,000 miles, whichever comes first. Refer to your EV Certified Cadillac dealer or to the owner manual for details. For details on other Roadside service coverage, contact the Cadillac Roadside Assistance Center at 1-800-224-1400.

Roadside Assistance is not part of or included in the coverage provided by the New Vehicle Limited Warranty. General Motors Corporation and General Motors of Canada Company reserve the right to make any changes or discontinue the Roadside Assistance program at any time without notification.

26 **Courtesy Transportation Program**

If your vehicle requires warranty repairs during the course of your vehicle's Bumper-to-Bumper or Electric specific warranties, alternate transportation and/or reimbursement of certain transportation expenses may be available under the Courtesy Transportation Program. Several transportation options are available. Consult your dealer or refer to the Owner's Manual for details.

Courtesy Transportation is not part of or included in the coverage provided by the New Vehicle Limited Warranty. General Motors and General Motors of Canada Company reserve the right to make any changes or discontinue the Courtesy Transportation program at any time without notification.
