

SUBARU®

THIS ADDENDUM REMOVES INFORMATION IN YOUR GETTING STARTED GUIDE ABOUT THE ADAPTIVE HIGH BEAM SYSTEM (AHS)

Model: 2024 Subaru Solterra

Feature: Adaptive High Beam System (AHS)

Action: Removal of Feature

We would like to thank you for selecting the 2024 Subaru Solterra. At Subaru, we take pride in our products and are committed to your continued satisfaction.

Subaru has modified your Getting Started Guide that is located in your Owner's Information kit for all 2024 Subaru Solterra vehicles. Unfortunately, your Solterra is not equipped with the Adaptive High Beam System (AHS) as described in the "Driver Assist Technologies" section of your Getting Started Guide.

This has no effect on the performance of the "Automatic High Beam System" (AHB). The system will operate as intended and as you would come to expect from your Subaru Solterra.

Your continued satisfaction with Subaru is important to us. We appreciate your understanding in this matter and regret any inconvenience this may cause you.
