

Features & Functions

Quick Reference Guide

WELCOME TO THE KIA FAMILY!

Your new Kia vehicle has been designed, engineered and manufactured to provide you with years of comfortable and dependable driving. Kia is committed to quality, innovation, safety and — above all — your satisfaction.

USING THE QUICK GUIDE AND ACCESSING VIDEOS

The information contained in this guide is a brief overview of the operation and features of your new Kia vehicle.

Kia provides a full version of the Features & Functions Guide and a number of video resources to assist you with becoming familiar with the features and functions found in your Kia vehicle. You can access these resources by snapping the QR Codes with your mobile device using your camera, a built-in QR Code Reader or a downloaded QR Code Reader App.

You can also view the videos by visiting the following website:

www.youtube.com/KiaFeatureVideos

QUICK TIPS

If you're having trouble scanning codes, check the following:

- The code should be centered and focused in your mobile device's camera screen
- Consider moving your device closer to or farther away from the code
- The code should be well lit, without significant shadow
- Avoid scanning from a significant angle
- Confirm that the device's app supports 2D QR Code scanning
- Try another QR Code Reader App; not all apps are created equal
- After scanning, you may experience a "connection error" message or a "connecting" message with no subsequent response. These messages typically indicate that your device is having trouble connecting to the Internet

The video resources should not be accessed while you are operating your Kia vehicle.

This Features & Functions Guide and the specific operational and safety information it provides are not a substitute for your Owner's Manual.

While Kia endeavors to ensure that the information contained in this guide is accurate at the time of printing, Kia may change vehicle specifications without notice in advance of or after the fact and assumes no liability in connection with such changes.

Your New Kia Important Care Tips

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury or death. The driver's primary responsibility is in the safe and legal operation of a vehicle. Handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle, are not permissible by law, and should never be used during operation of the vehicle.

Bluetooth® Wireless Technology† 3,8

- A Voice Recognition button:** When a phone is paired, press briefly to activate voice recognition/bring up menus/place calls with minimal voice command prompts from the system

Kia Connect¹¹ with Navigation* - When enrolled with a Kia Connect¹¹ subscription, press this button to activate the Kia Connect¹¹ Assist to use navigation guidance and search destinations

- B Volume button:** Press up/down to raise/lower the speaker volume
Mute button: Press to mute the microphone during a call and to mute the audio system speakers, or to pause Bluetooth® streaming media

QUICK TIP

When using the voice command feature, wait for the system to BEEP before speaking the command.

- C Call/End Call button:** Press to place/answer calls or to end a call, reject an incoming call or cancel a function. If no phone is paired, press the button to pair a phone

- D Custom button:** Press and hold to program the Custom Button, then select an available feature you would like the Custom Button to open

QUICK TIPS

- The system can register or pair multiple Bluetooth® devices
- Because of differences in phone quality, service providers and Bluetooth® Wireless Technology chip programming, functionality may differ from one phone to another

Pairing a Phone

For instructions on how to pair a phone, refer to the Car Infotainment System Quick Reference Guide or your vehicle's Quick Start Guide.

QUICK TIP

During the pairing process, be sure to accept the connection requests on the phone for phone book download and to allow acceptance of all future Bluetooth® connection requests.

How to Place a Call Using Steering Wheel Controls: When using the voice command feature, wait for the system beep before speaking the command.

- Option 1: Press the Call/End Call button **C** (displays the phone screen with call history). When not connected via Bluetooth®, displays the Bluetooth® Connection window
- Option 2: Press the Voice Recognition button **A**. Then say the command "Call {name}" or "Dial {number}" followed by contact name or number

For more information on the audio system, if equipped, refer to the Car Infotainment System Quick Reference Guide or the Car Infotainment System Quick Reference Guide.

Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving.

For illustrative purposes only. Your actual display, buttons and/or features may vary.

For Bluetooth® Wireless Technology FAQs, go to www.kia.com, or call Consumer Information for Bluetooth® Technology at (800) 333-4KIA. Refer to your Owner's Manual for more specific Bluetooth® Wireless Technology phone pairing and operation instructions.

Voice Recognition^{*†8}

The system may have difficulty understanding some accents or uncommon names. Improve the performance by making a few simple changes to your phone contacts, listed below. To help optimize the *Bluetooth*® Wireless Technology Voice Recognition system, see other tips and reminders under Quick Tips on page 4.

- Use full names (first and last names) vs. short or single-syllable names ("John Smith" vs. "Dad," "Smith Residence" vs. "Home")
- Avoid using special characters, emojis or hyphenated names (@, &, #, /, -, *, +, etc.)
- Avoid using acronyms ("In Case of Emergency" vs. "ICE") or words with all capital letters
- Spell words completely, no abbreviations ("Doctor Smith" vs. "Dr. Smith")

and Videos

Voice Recognition
Tips

QUICK TIPS

- The system may register or pair multiple *Bluetooth*® devices. See the Car Infotainment System Quick Reference Guide for more information on setup and limitations
- *Bluetooth*® Music Streaming - If the *Bluetooth*® music is inaudible or too low, you may need to turn up the volume on the connected phone
- When placing a call, speak in a natural, moderate tone, with clear pronunciation. The system may have trouble recognizing commands if you speak too softly or too loudly
- Always wait for the system to BEEP before speaking any commands
- Close windows and sunroof and turn off A/C - open windows, sunroof, weather (wind/rain), or an A/C fan operating at higher speeds can interfere with Voice Recognition
- Press the Voice Recognition button and say "Commands" to get a list of available commands

REMINDER: *Bluetooth*® Wireless Technology audio and calling functions are supported when connected to a *Bluetooth*® enabled device.

Kia Connect Activation^{*†1}

Follow these steps to activate your Kia Connect system:

1. To Enter the activation screen on your Infotainment System:
 - a. From the touch panel, press SETUP, then DATA/NETWORK
 - b. In KIA CONNECT, press ACTIVATE SERVICE
 - c. Then press ACTIVATE
2. Read and agree to Terms of Service and Privacy Policy and press AGREE
3. Enter a phone number or email address to receive a verification code, then press OK and SUBMIT
4. Click on the link and a page will open requesting you to create an account
5. Provide the information needed and select SAVE to create the account
6. A page will open displaying your verification code. Enter this code on the Infotainment System screen. Press OK and SUBMIT, then press OK again
7. On your phone, select I HAVE ENTERED MY VERIFICATION CODE and a link will be provided to download the Kia Access App^{†2}. After installing the app, log in and enjoy

Note: If you already have a Kia Owners Portal account using the email or phone number as your login ID, you will need to provide your password prior to receiving the verification code.

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe bodily injury, and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment, or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle.

Kia Connect Assistance^{*†1}

Kia Connect  **A** — Connect to the Kia Connect Call Center

Roadside Assist  **B** — Press to connect to a roadside assistant where you can request vehicle towing services

For more information, refer to the Car Infotainment System Quick Reference Guide. On certain models, Kia Connect Assistance buttons are located on the Rearview Mirror.

(Buttons may be located on the overhead console area. Your button layout may differ.)

Kia Access App^{†2} Download

Go to an app marketplace to download the new Kia Access App. Once downloaded, make sure you register your vehicle and create an account (refer to Kia Connect^{†1} Activation page). Get to know your new Kia and the available convenient features on the app.

Kia Connect & Kia Access app

Click here to download the Kia Access App. Some phone's operating systems may need to be updated to access the app.

Click here to download the Kia Access App Features Guide. Some phone's operating systems may need to be updated to access the guide.

QUICK TIPS

- The smartphone and vehicle need to be connected to a cellular network with good wireless signal strength in order to use Kia Connect^{†1}. If these conditions are not met, remote command may not execute or may take a long time. It will also effect voice commands
- To use Remote Start or Remote Start with Climate Control feature, all doors, hood and trunk/liftgate must be closed and locked
- Activate Remote Start or Remote Start with Climate Control feature before getting into the vehicle, which will allow vehicle interior to reach a desired temperature. If the driver does not enter the vehicle within 10 minutes, the Remote Start will turn off the engine
- The quickest way to obtain accurate vehicle status through the app is by pressing the refresh button on the app or refreshing the web page when using the customer web portal
- The Kia Connect^{†1} app will stay connected to the vehicle, as long as the vehicle has been started within seven days. To reconnect the Kia Connect^{†1} app, restart the vehicle

Kia Access App^{†2} Features Guide

The Kia Access App Features Guide helps you utilize the app to its full potential by detailing each feature and how to adjust various settings. Below are some of the topics included:

- Remote Commands
- Set Climate
- Schedule Climate
- Dealer Settings
- Manage Vehicles and Profiles

For further Kia Connect operations, refer to the Car Infotainment System Quick Reference Guide.

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.

Vehicle Settings - Infotainment System

To enter the Vehicle Settings mode in the Infotainment System, press the **SETUP** key on the Infotainment System. Then press VEHICLE, which will take you to Vehicle Settings. Use the touchscreen to navigate through the menus.

Driver Assistance: Driving Convenience, Driver Attention Warning, Driving Safety, Parking Safety, Speed Limit*

Drive Mode*: My Drive Mode, Drive Mode Change Alert

Climate: Recirculate Air*, Automatic Ventilation*, Defog/Defrost Options*, Climate Features*

Seat*: Link to Climate Settings, Seating Easy Access, Seat Position Change Alert

Lights: Ambient Light*, One Touch Turn Signal, Welcome Light*, Headlight Delay, High Beam Assist, Intelligent High Beams*, Interior Lights Always On

Door: Automatically Lock/Unlock, 2 Press Unlock, Smart Trunk, Open Windows Remotely*

Digital Keys*: Smartphone Key, NFC Card Key, Digital Key Information

Convenience: Rear Occupant Alert, Service Interval, Oil Change Reminder, Wireless Charging System for Mobile Phone Devices*, Mobile Phone Wireless Charging Indicator*

Vehicle Settings

Refer to the Car Infotainment System Quick Reference Guide for more information.

Wireless Smartphone Charging System

Charge a compatible Qi™ Certified smartphone wirelessly by placing it on the charging pad/slot **A** at the front of the console, near the Multimedia USB ports and the charging indicator, while the ignition is on.

To enable Wireless Charging in the Vehicle Settings in the Infotainment System:

1. Press SETUP, then VEHICLE
2. Go to CONVENIENCE
3. Then select WIRELESS CHARGING SYSTEM FOR MOBILE DEVICES
4. Place the compatible smartphone on the center of the charging pad
5. Indicator light **B** may change to amber once the wireless charging begins
6. Once charging is complete, the amber light may change to green

Requires Qi™-enabled device or Qi™-enabled case

(Located in Center Console.)

CLICK for the FULL Guide
to see more Features
and Videos

Wireless Smartphone
Charging

QUICK TIPS

- For the wireless charging to occur, all doors (excluding rear hatch) must be closed & the Smart Key Fob must be detected inside the vehicle
- For best results, place the smartphone on the center of the charging pad. If wireless charging does not work, move smartphone around the pad until the charging indicator turns amber
- Wireless charging must be enabled in Vehicle Settings and all doors must be closed
- Removing the phone case may improve charging efficiency and ensure a secure connection

REMINDERS:

- The smartphone must be a compatible Qi™ certified phone with Qi™ function available. Some smartphone models are not Qi™ certified, which may affect the availability, speed or performance of the wireless charging
- Wireless charging technology allows for a device to be charged using inductive charging; however, device compatibility varies
- The wireless charger uses inductive charging, which is less efficient than conventional charging through a cable
- **Charging Performance:** The position of your device on the wireless charging pad can affect how efficiently it charges. Performance may also be reduced by foreign objects (such as coins or pens) or thick phone cases
- **Smartphone Temperature:** If you use certain smartphone applications while charging, your phone's self-heating system may activate, which can affect charging speed or performance
- **Charging Interruption:** Wireless charging will automatically stop if any door is opened or if there are foreign objects on the charging pad
- The charging indicator light will blink orange, for 10 seconds, if the system has malfunctioned

Refer to section 7 in the Owner's Manual for more information. For illustrative purposes only. Your actual display, buttons and/or features may vary.

Smart Key with Remote Start^{†4}

- A** Press to lock All Doors. Press twice within 2 seconds to sound the horn
- B** Press to unlock All Doors
- C** Press and hold to unlock the Trunk. Then lift by the handle

REMINDER: Trunk lid will partially open. To fully open, lift up manually. When enabled, the Trunk unlocks when the Smart Key fob is within close proximity to the vehicle.

- D** Press and hold more than 0.5 seconds (half a second) for Panic Alarm. To turn off Alarm, press any button
- E** **Mechanical Key:** Use to lock/unlock Driver's Door by turning once. Use to enable/disable Child Safety Locks, and to unlatch rear center seatbelt lower anchor
- F** **Remote Start*:** First, lock the doors by pressing the door lock button **A** within 32 feet from the vehicle. Within four (4) seconds of pressing the door lock button **A**, press and hold the Remote Start button **F** for more than two (2) seconds to start the vehicle. Press **F** again to turn off. If driver does not enter vehicle within ten (10) minutes of starting the vehicle, the engine will automatically turn off

QUICK TIPS

- If the Smart Key battery is weak or not working properly, hold the Smart Key fob up to the Engine Start/Stop button (Lock button side closest) and press to start engine. If needed, contact your local Kia dealership for repair
- The Smart Key's signal can be blocked by the normal operation of a cell phone or smartphone. To help prevent this, store each device separately
- The 2-press unlock setting function is OFF by default. It can be enabled in Vehicle Settings

REMINDER: Remote button configuration may vary depending on vehicle options.

Mechanical Key: Use to unlock/lock Driver's Door:

1. Pull out door handle
2. Press the lever located inside the bottom part of the cover with a key or flat-head screwdriver **G**
3. Pull off the cover while pressing the lever
4. Turn the key toward the rear of the vehicle to unlock the door and toward the front of the vehicle to lock the door **H**
5. Return keyhole cover to its original position

REMINDER: When reinserting the mechanical key, ensure it is pushed all the way in until you hear a click.

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.

For illustrative purposes only. Your actual display, buttons and/or features may vary.

Smart Trunk with Auto Open*†5

When the Smart Key fob is with you and you are within close proximity of the back of the vehicle, the hazard warning lights will blink and a chime will sound for about 3 seconds as an alert that the Smart Trunk is about to unlock.

Then the alert system will blink and chime two additional times before unlocking the Smart Trunk.

To enable the Smart Trunk, go to the Vehicle Settings in the Infotainment System by pressing the SETUP key/button. Then press VEHICLE, DOOR and SMART TRUNK.

QUICK TIP

During the Smart Trunk alert, the Smart Power Trunk can be deactivated with the Smart Key by pressing any button on the key fob.

REMINDERS:

- When closing, be mindful of any objects or persons in close proximity
- The Smart Key must be outside of the vehicle for the Smart Power Trunk to operate
- All doors are closed and locked after about 15 seconds
- The Smart Trunk feature will not operate when the doors are recently closed and locked, and the Smart Key is still detected after 15 seconds near the vehicle or within 60 inches of the door handles, a door is not locked or closed, or the Smart Key is in the vehicle
- Press any button on the Smart Key fob during the Detect and Alert stage to deactivate the Smart Power Trunk function
- When the ignition is on, the Smart Trunk will only operate with the gear shift in the Park (P) position
- Ensure obstacles and people are out of the way of the Smart Trunk

Power Adjustable Driver's Seat*†7

Move/Press the controls to adjust the Seat forward/backward, Seat Cushion tilt up/down, Seatback forward/backward or Lumbar forward/backward.

(Power Adjustable Seat Controls located on left side of driver's seat bottom)

Do not attempt to adjust the seat while the vehicle is moving. This could result in loss of control of the vehicle.

For illustrative purposes only. Your display, buttons and/or features may vary. Refer to section 5 in the Owner's Manual for more information.

Power Adjustable Driver's Seat with Memory Settings

Touch-Sensor Type Door Handles

Legal Disclaimers

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

Safety Features: No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely.

- 1. Kia Connect:** Purchase/lease of certain 2025 and newer Kia vehicles with Kia Connect includes a complimentary 3-year subscription starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 3-year Kia Connect subscription expires, continued access to the full suite of Kia Connect services available on your Kia will require a paid subscription at the then-current subscription rate or your use of certain Kia Connect features may immediately terminate. Use of Kia Connect is subject to agreement to the Kia Connect Privacy Policy (available at owners.kia.com/us/en/privacy-policy.html) and Terms of Service (available at owners.kia.com/us/en/terms-of-service.html). Complimentary Kia Connect subscription is transferable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. Kia Access app is available from the Apple® App Store® or Google Play Store™. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage is required to use most features. Kia Connect features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. For more on details and limitations, visit www.kia.com or your authorized Kia dealer. Apple® and App Store® are registered trademarks of Apple Inc. Google™ and its logos are trademarks of Google LLC.
- 2. Kia Access app** for smartphone and smartwatch requires enrollment of vehicle in Kia Connect. Remote features require a KiaConnect subscription, a compatible smart device, and a wireless signal with good coverage to function. Normal cellular service rates may apply. Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command. Remote feature support varies by model.
- 3. Bluetooth® Wireless Technology, Google®:** Fair Use of Trademark - The commentary reference to trademarked material is for educational purposes only and not an endorsement by or of the holder of the mark.
- 4. Engine Start/Stop Button with Smart Key:** Always come to a complete stop before turning the engine on or off. However, if you have an emergency while the vehicle is in motion and must turn the engine off, you can turn the engine off to the ACC position by pressing the Start/Stop button for more than 3 seconds or 3 times in succession. If the vehicle is still moving, you can restart the engine by pressing the Start/Stop button with the shift lever in Neutral (N). With the engine off, power assist for steering and braking will be disabled and the vehicle will be more difficult to control.
- 5. Smart Trunk with Auto Open:** Driving with the trunk open may be unlawful and can draw dangerous exhaust fumes into your vehicle; if you choose to do so, keep air vents and all windows open for proper ventilation.
- 6. Roadside Assist:** 24-hour Enhanced Roadside Assistance is a service plan provided by Kia America, Inc. Certain limitations apply. Coverage details are available in the Kia Warranty and Consumer Information Manual. For access to Enhanced Roadside Assistance, a connected mobile phone via Bluetooth® within the cellular service coverage area is required.
- 7. Seat adjustments:** Reclining the passenger seats can reduce the effectiveness of the safety restraint system and may lead to additional injury in an accident.
- 8. Steering-wheel-mounted controls:** Driving while distracted is dangerous and should be avoided. Remain attentive to driving and be cautious when using steering-wheel-mounted controls while driving.
