Nissan North America and your Nissan dealer are committed to excellence in the quality of our vehicles as well as our sales and service efforts. We want you to be completely satisfied with every aspect of choosing, owning, and servicing your Nissan. Our corporate goal is focused on exceeding your expectations in all aspects of doing business with Nissan. We want you to enjoy driving your Nissan vehicle, and doing business with our network of professional, dedicated and customer-oriented dealers.

This booklet has been developed to provide you with the information on contacting Nissan should you ever have a need, and on the basic provisions of your State's "lemon laws." In some states, your Nissan dealership may provide you with lemon law disclosure information in addition to this booklet in accordance with state laws.

If you ever experience a problem with your Nissan vehicle, we encourage you to follow the steps outlined in the "Customer Care Program" section of the Warranty Information Booklet provided with your Nissan. These steps are summarized on the following pages. Please note

that some states require that you follow certain steps prior to pursuing a claim under the Lemon Law. The individual notices contained in this booklet explains the requirements in your state.

Thank you for your purchase of a new Nissan. Your continued satisfaction is Nissan's highest priority. If you have concerns or questions regarding your new Nissan and have been unable to resolve them to your satisfaction with your Nissan dealer, please contact Nissan at 1-800-Nissan-1 (1-800-647-7261).

If you believe your new vehicle does not conform to the applicable Nissan warranties, and the neither Nissan nor your authorized Nissan dealer has successfully repaired your vehicle after a reasonable number of repair attempts, you may be entitled to replacement or repurchase of your vehicle under your state's "lemon law." You may contact Nissan at the above telephone number to discuss the problem you are having with the vehicle.

OVERVIEW

STEP 1: CONTACT YOUR NISSAN DEALER

Nissan and your Nissan dealer want you to be totally satisfied with every aspect of owning and servicing your Nissan vehicle. Your feedback, both positive and negative, is very important to your dealer and to Nissan as it helps us understand how to improve, and ensure you are thoroughly satisfied with the service and treatment you have received.

If you have a concern with your vehicle's operation or any aspect of your dealership sales or service experience, your Nissan dealer wants to know about it. For service related issues, please contact the dealer's Service Manager to discuss the situation. He or she will investigate the concern and work to arrive at a prompt resolution in an effort to satisfy you and keep you as a loyal customer. If the concern is sales related, please contact the Sales Manager for assistance. He or she will also work with you to ensure that the issue is resolved to your satisfaction. Some dealers have Customer Service Managers who handle customer concerns - your dealer can advise you which Manager is best able to resolve your situation.

In the unlikely event that the Sales, Service, and/or Customer Service Manager is unable to resolve the concern to your satisfaction, you may contact the dealership General Manager, Executive Manager, or dealer Principal. They will make every effort to resolve the problem to your satisfaction. Ensuring that you are totally satisfied is their primary goal and they appreciate the opportunity to work with you to resolve any situation that may arise.

STEP 2: CALL NISSAN'S CONSUMER AFFAIRS DEPARTMENT

If your Nissan dealership has not been able to assist you to your satisfaction, please contact Nissan's Consumer Affairs Department at 1-800-NISSAN-1 (1-800-647-7261) for issues/questions concerning Nissan vehicles, 1-877-NO GAS EV (1-877-664-2738) for issues/questions concerning the Nissan Electric vehicle. The Consumer Affairs representative will ask for the following information:

- Your name, address, and day and evening telephone numbers

- Vehicle identification number (located on driver's side dashboard)
- Date of purchase
- Current mileage as indicated on the odometer
- Your Nissan dealer's name
- A brief summary of your concern(s)
- Maintenance records, including dealership and independent service documentation

Your Consumer Affairs representative will record all the above information and will advise you what steps will be taken to resolve your concern. Your satisfaction is our primary goal and we will do everything possible to help you. If you prefer, you can write to Nissan and provide the above information. Our mailing address is:

Nissan North America, Inc.
Consumer Affairs Department
P.O. Box 685003
Franklin, TN 37068-5003

STEP 3: MEDIATION/ARBITRATION PROGRAM

If you believe that Nissan has still been unable to satisfactorily address the issue with your vehicle after having followed Steps 1 and 2, Nissan provides a special automotive complaint resolution program called AUTO LINE for your use.

The AUTO LINE program is independently operated by the Council of Better Business Bureaus, Inc. (BBB).

For information about the BBB AUTO LINE program in your area, please call Nissan at our toll-free number 1-800-NISSAN-1 (1-800-647-7261). We will be happy to provide you with the address and phone number of your local BBB office or any other information about BBB AUTO LINE. Or, you may contact the BBB directly by writing to the following address:

BBB AUTO LINE a division of BBB National
Programs; Inc.
1676 International Drive, Suite 550
McLean, VA 22102

OVERVIEW

The BBB AUTO LINE program consists of two parts - mediation and arbitration. The BBB will provide suggestions for attempting to resolve the concern during mediation. If a satisfactory resolution has not been achieved during mediation, you may participate in the arbitration process of BBB AUTO LINE. An arbitration hearing will be scheduled so you can present your case before an impartial person or three person panel. This is the arbitration part of BBB AUTO LINE. The arbitrator(s) will make a decision after the arbitration hearing based on the facts and testimony presented by both sides. If you accept a decision issued by BBB AUTO LINE, it will be binding on Nissan and Nissan will comply with it promptly, within 30 days of receiving notice of your acceptance of the decision. If you do not accept the decision, it will not be binding on you or Nissan and you may pursue legal action.

BBB AUTO LINE is an informal dispute settlement mechanism offered in each state which is operated to comply with applicable Federal law and regulations. You are required to use BBB AUTO LINE before exercising rights or seeking remedies under Title I of the Federal

Magnuson-Moss Warranty Act, 15 U.S.C. §2301, et. seq. If you choose to seek remedies other than those created by Title I of the Magnuson-Moss Warranty Act, (for example, under state law), that Federal Act does not require you to first use BBB AUTO LINE. The program is still available to you, however, and may be of considerable assistance in resolving your dispute. Some states specify that informal dispute settlement mechanisms such as BBB AUTO LINE must be used before you may use state-operated complaint resolution processes, and/or before you may file a lawsuit under state law, and/or before you may exercise certain other rights or have certain remedies available to you under state law. In accordance with those states' laws, Nissan requires the prior use of BBB AUTO LINE in good faith before you resort to such other processes, file a lawsuit, or seek other remedies provided by state law. Please see the Overview of this Supplement as well as your 2026 Nissan Warranty Information Booklet for additional related information.

For additional information on the BBB AUTO LINE program, please refer to your Warranty Information Booklet.

You may also have other remedies under your state's "lemon law," or other Federal or state law. Nonetheless, you may still find BBB AUTO LINE helpful, and you may use it under most circumstances.

Welcome to the Nissan family!

Nissan participates in BBB AUTO LINE which is a third-party arbitration process administered by the Council of Better Business Bureaus for mediation or arbitration of your request. If you accept a decision issued by BBB AUTO LINE, it will be binding on Nissan and Nissan will comply with it promptly, within 30 days of receiving notice of your acceptance of the decision. If you do not accept the decision, it will not be binding on you or Nissan and you may pursue legal action.

Nissan believes use of this program is often very helpful to its customers and encourages you to use BBB AUTO LINE if you ever have a warranty or "lemon law" dispute with Nissan.

To request a replacement or repurchase of the vehicle, you must write to Nissan and your dealer by certified mail at:

Nissan North America, Inc.
Consumer Affairs Department
P.O. Box 685003
Franklin, TN 37068-5003

and allow Nissan an opportunity to repair the vehicle. Nissan will notify you of a reasonably accessible repair facility within 7 days and will have 14 days to repair the vehicle after the vehicle is delivered to that repair facility. Unless you provide Nissan with this written notice and opportunity to repair, you may not bring a lawsuit under the Alabama "lemon law".

stating the vehicle has a nonconformity, providing a description of the nonconformity, that you believe Nissan and your dealer have had a reasonable number of attempts to repair your vehicle (please specify the date(s) of the attempt(s) and number of days your vehicle was out for repair), and that you are demanding a refund or replacement of your vehicle. Nissan will have a final opportunity to repair the vehicle within 30 days of receiving your written notice.

**IMPORTANT NOTICE ABOUT
ARKANSAS' NEW MOTOR VEHICLE
QUALITY ASSURANCE ACT**

Written notice of a defect giving rise to a claim under the Arkansas New Motor Vehicle Quality Assurance Act must be given to Nissan before you may be eligible for a refund or replacement of your vehicle under the provisions of the Arkansas New Motor Vehicle Quality Assurance Act. Written notice of a defect should be sent to:

Nissan North America, Inc.
Consumer Affairs Department
P.O. Box 685003

Nissan participates in BBB AUTO LINE, a mediation/arbitration program administered by the Division of BBB National Programs, Inc. (1676 International Drive, Suite 550, McLean, VA, 22102) through local Better Business Bureaus. BBB AUTO LINE and Nissan have been certified under the Arkansas New Motor Vehicle Quality Assurance Act.

Before you can file suit to enforce your rights under the Arkansas New Motor Vehicle Quality Assurance Act, you must seek a refund or replacement through Nissan's independent Dispute Settlement Program, BBB AUTO LINE.

If you accept the arbitrator's decision, Nissan will be bound by the decision and will comply with the decision within a reasonable time not to exceed 30 days after your acceptance.

Please call BBB AUTO LINE for further details.

Replacement or repurchase under the law includes refund or payment of certain taxes, fees and incidental damages by the manufacturer, and an offset for the use of the vehicle by the buyer prior to the discovery of the nonconformity. The law creates a rebuttable presumption that a reasonable number of attempts have been undertaken if, within 18 months of delivery of the vehicle to the buyer or 18,000 miles on the odometer, whichever occurs first, either; (a) the same nonconformity has been subject to repair by the manufacturer (or your Nissan dealer) 4 or more times, **and you have directly notified Nissan of the need for repair of the nonconformity**, or (b) the same nonconformity resulting in a condition likely to cause death or serious bodily injury if the vehicle driven has been subject to repair by the manufacturer (or your Nissan dealer) 2 or more times, **and you have directly notified Nissan of the need for a repair of the nonconformity**, or (c) the vehicle has been out of service for repair of the nonconformity in excess of 30 calendar days. To directly notify Nissan of the need for repair of your vehicle, write to Nissan at the following address:

Nissan North America, Inc.
Consumer Affairs Department
P.O. Box 685003
Franklin, TN 37068-5003

Additionally, Nissan offers a qualified third-party dispute resolution process in California called AUTO LINE which is administered by the Council of Better Business Bureaus (BBB). In order to assert the vehicle has been out of service for repair of the presumption described above, you must first resort to the AUTO LINE process. AUTO LINE will request your name, address and telephone number; the vehicle identification number of your vehicle (located on the dashboard); your date of purchase; the current odometer reading; your dealer's name; and details of the nonconformity, including repair orders, maintenance records and other documentation you may have.

AUTO LINE will hold a hearing at which you may appear in person, and will issue a decision 40 days from the time your complaint is filed unless you delay the process. If you accept a decision issued by AUTO LINE, it will be binding on Nissan and Nissan will comply with it

promptly, within 30 days of receiving notice of your acceptance of the decision. If you do not accept the decision, it will not be binding on you or Nissan and you may pursue legal action. (The decision and findings of the AUTO LINE process will be admissible in any court action.)

Your Nissan New Vehicle Limited Warranty Information & Maintenance Log Booklet contains other information concerning operation of AUTO LINE which may be both helpful and informative to you. Additionally, you may call Nissan at 1-800-NISSAN-1 (1-800-647-7261) and we will be happy to provide you with the address and phone number of your local BBB office, or provide other information about AUTO LINE in response to your questions. If you prefer, you may contact the BBB directly at:

BBB AUTO LINE a division of BBB National Programs; Inc.
1676 International Drive, Suite 550
McLean, VA 22102

If you do not wish to exercise rights or seek remedies under Title I of the Federal Magnuson-Moss Warranty Act, or to assert the

presumption under the California "lemon law," or if you wish to pursue other remedies under Federal or state law, you are not required to use AUTO LINE. Nonetheless, you may still find the AUTO LINE process helpful. You may use it under most circumstances and Nissan encourages you to do so.

LEMON LAW STATEMENT RIGHTS

This Statement of Rights is a general summary of the Georgia Lemon Law.

The Georgia Lemon Law covers **new** vehicles *purchased, leased, or registered* in Georgia. This includes:

- Cars or demonstrator vehicles,
- Trucks with a gross vehicle weight rating of no more than 12,000 pounds, and
- The self-propelled and chassis portion of motor homes.

You may proceed under the Lemon Law **if** within your first 2 years of ownership or 24,000 miles of operation of the vehicle (whichever occurs first):

1. A problem (also referred to as a nonconformity, defect and/or condition) appears, **and**

2. The manufacturer or its authorized dealer was given a “reasonable number of attempts” to repair the same problem. By definition in the Law, a “reasonable number of attempts” is:

- a. **one attempt**, if the problem is a serious safety defect;
- b. **three attempts**, if the problem, although not a serious safety defect, either
 - substantially impairs the use, value, or safety of the vehicle, or
 - is covered by the warranty; or,
- c. a **cumulative total of 30 days** during which your vehicle is “out of service for repair” of one or more problems.

To proceed under either (a) or (b) listed above, you must also notify the manufacturer and provide the manufacturer with a final opportunity to repair the problem.

If the manufacturer fails to correct the problem during the final repair attempt, or if the vehicle is out of service by reason of repair of one or more problems for a cumulative total of 30 days, you may be eligible for either the **replacement** of your vehicle or the **repurchase** of your vehicle.

By law you are *entitled* to receive a fully itemized and legible statement or a repair order each time you take your vehicle in for diagnosis or repair. Keep copies of all work orders, reports (such as vehicle inspection, diagnosis, or test drive reports) and written correspondence with the manufacturer.

To file a case or obtain more information about Georgia’s Lemon Law, including sample forms, visit **www.law.ga.gov/LemonLaw** or contact the Georgia Department of Law, Consumer Protection Unit.

To request a replacement or repurchase of the vehicle (and to preserve certain specific legal presumptions under Hawaii's lemon law that may operate to your advantage) you must write to Nissan at the following address, upon receipt of which Nissan shall have a reasonable opportunity to repair the alleged nonconformity.

Nissan North America, Inc.
Consumer Affairs Department
P.O. Box 685003
Franklin, TN 37068-5003

There is a state certified arbitration program (SCAP) available to you which is discussed in more detail below. You may also have additional remedies under the Hawaii "Lemon Law," or other state or Federal law. Even if those remedies or rights don't require use of BBB AUTO LINE, you may still use it under most circumstances, and may very well find it helpful to resolving your dispute.

Your Rights Under Hawaii's "Lemon Law":

If your vehicle has a defect that substantially impairs the use, safety, or value and a reasonable opportunity to repair has been provided to the manufacturer or authorized dealer, your vehicle may qualify as a "lemon."

If your vehicle qualifies as a "lemon," the manufacturer may be required to refund or replace the vehicle. To make this determination, the vehicle must have been subject to examination or repair during the manufacturer's express warranty, and within two (2) years of the original delivery of the vehicle, or within 24,000 miles of operation, whichever ever occurs first (the "Lemon Law Rights Period").

In addition, at least one of the following must apply:

1. The "nonconforming defect" has been examined or repaired three or more times and the defect continues to exist, or
2. A "life threatening safety defect" has been examined or repaired at least once and the defect continues to exist, or

3. The vehicle has been out-of-service because of repair of one or more defects for thirty (30) or more cumulative business days.

If you believe your vehicle meets these criteria, you must give the manufacturer at the address provided above written notice of the defect before the "Lemon Law Rights Period" expires.

If you believe you own a "lemon," you may participate in the State Certified Arbitration Program (SCAP). For information and/or to initiate this proceeding, please contact:

Regulated Industries Complaints Office
Leiopapa A. Kamehameha Building
Dept. of Commerce & Consumer Affairs
235 S. Beretania Street, 9th floor
Honolulu, Hawaii 96813
(808) 587 - 4272

http://cca.hawaii.gov/rico/scap_llaw/

If you decide to arbitrate through the SCAP, the arbitration must be initiated within one year after expiration of the Lemon Law Rights Period. There is a \$50 filing fee to process your case,

which will be returned to you if you win your arbitration. The arbitration decision will be issued within 45 days after the Administrator initiates your complaint.

Whenever a vehicle is returned from diagnosis or repair under manufacturer's warranty, the dealer must provide a legible itemized repair order. It is very important to keep copies of all repair orders.

In addition, you may apply to and participate in BBB AUTOLINE which is a third-party arbitration process administered by the Council of Better Business Bureaus for mediation or arbitration of your request for relief under Hawaii's Lemon Law. If you accept a decision issued by BBB AUTO LINE, it will be binding on Nissan and Nissan will comply with it promptly, within 30 days of receiving notice of your acceptance of the decision. If you do not accept the decision, it will not be binding on you or Nissan and you may pursue legal action.

To request a replacement or repurchase of the vehicle, you must write to Nissan at:

Nissan North America, Inc.
Consumer Affairs Department

If you do not accept the decision, it will not be binding on you or Nissan and you may pursue legal action. Nissan believes use of this program is often very helpful to its customers who believe they have a warranty or "lemon law" dispute with Nissan. You may also have other remedies under the Idaho "lemon law," or other Federal or state law. Even if those remedies don't require the use of BBB AUTO LINE, you may still use it under most circumstances and may very well find it helpful to resolving your dispute.

STATE REQUIRED NOTICE BELOW:**IMPORTANT**

IF THIS VEHICLE IS DEFECTIVE, YOU MAY BE ENTITLED UNDER THE STATE'S LEMON LAW TO REPLACEMENT OF IT OR A REFUND OF ITS PURCHASE PRICE OR YOUR LEASE PAYMENTS. HOWEVER, TO BE ENTITLED TO REFUND OR REPLACEMENT, YOU MUST FIRST NOTIFY THE MANUFACTURER, ITS AGENT, OR ITS AUTHORIZED DEALER OF THE PROBLEM IN WRITING AND GIVE THEM AN OPPORTUNITY TO REPAIR THE VEHICLE. YOU ALSO HAVE A RIGHT TO SUBMIT YOUR CASE TO THE CONSUMER ARBITRATION PROGRAM WHICH THE MANUFACTURER MUST OFFER IN THIS STATE.

If you believe your new vehicle does not conform to the applicable Nissan warranties, and that neither Nissan nor your authorized Nissan dealer has successfully repaired your vehicle after a reasonable number of repair attempts, you may be entitled to replacement or repurchase of your vehicle under Illinois' "lemon law." You must apply for state-run arbitration within 3 years after delivery to the original consumer and within the term of the manufacturer's warranty.

If, during the express warranty period, you discover a defect which substantially impairs the use, market value or safety of this vehicle, and it has not been successfully repaired after three repair attempts by the manufacturer, its agent or an authorized dealer, or it has been out of service by reason of repair of one or more non-conformities, defects or conditions which still exist for a cumulative total of 30 business days,

you may be entitled to apply for a comparable replacement or refund of purchase price plus incidental damages less a reasonable allowance for use.

In order for a repair attempt to qualify, you must obtain a written repair order. Neither the manufacturer nor any agent of the manufacturer (including the dealership service) may refuse to provide you with a written repair order at your request.

The vehicle is deemed to be out of service if it is in for repair for a majority of the day.

You cannot use the New Motor Vehicle Arbitration Law if you elect to use the manufacturer's dispute settlement mechanism.

You may not use the New Motor Vehicle Arbitration Law if you have stopped making payments on any lease or financing agreement because of the vehicle's condition.

The New Hampshire Motor Vehicle Arbitration Program includes other eligibility requirements which you must meet to qualify.

Forms for electing to proceed before the New Hampshire Motor Vehicle Arbitration Board should be included with your new vehicle on delivery.

BBB AUTO LINE staff may try to help resolve your dispute through mediation. If mediation is not successful, or if you do not wish to participate in mediation, eligible consumers may present their case to an impartial third party arbitrator at an information hearing. Typically you may be asked to provide documentation for the acquisition and repair of the vehicle. Within 40 days after you file your case, the arbitrator will render a decision that you may accept or reject. If you accept the decision issued by BBB.

Nissan participates in BBB AUTO LINE which is a third-party arbitration process administered by the Council of Better Business Bureaus for mediation or arbitration of your request. If you accept a decision issued by BBB AUTO LINE, it will be binding on Nissan and Nissan will comply with it promptly, within 30 days of receiving notice of your acceptance of the decision. If you do not accept the decision, it will not be binding on you or Nissan and you may pursue legal action. Nissan believes use of this program is often very helpful to its customers, and encourages you to use BBB AUTO LINE if you ever have a warranty or "lemon law" dispute with Nissan. Moreover, you should be aware that the Pennsylvania "lemon law" provides that you may not bring a civil action pursuant to the Pennsylvania "lemon law" unless you have first resorted in good faith to BBB AUTO LINE.

To request a replacement or repurchase of the vehicle, please write to Nissan at:

Nissan North America, Inc.
Consumer Affairs Department
P.O. Box 685003
Franklin, TN 37068-5003

You may also have other remedies under the Pennsylvania "lemon law," or other Federal or state law. Even if those remedies don't require the use of BBB AUTO LINE, you may still use it under most circumstances, and may very well find it helpful to resolving your dispute.

PENNSYLVANIA ATTORNEY GENERAL'S STATEMENT OF CONSUMER'S LEMON LAW RIGHTS

If the new motor vehicle you have purchased does not conform to the manufacturer's express warranty, the Pennsylvania Automobile Lemon Law provides that the manufacturer may have to replace it or pay you a refund, at your option.

If you discover a defect that substantially impairs the use, value or safety of this vehicle, contact the manufacturer or its authorized service and repair facility immediately.

Your lemon law rights only cover defects which occur within one year after delivery, 12,000 miles of use, or the term of the express warranty, whichever comes first.

The law states that it is reasonable for the dealer, manufacturer or its agent to make up to three separate attempts to correct the same defect.

After three unsuccessful repair attempts, or after a total of thirty days in which the vehicle is out of service for repair, you may be entitled to a comparable replacement vehicle or a refund of the purchase price less an allowance for your actual use.

If a dispute arises concerning a defect, you must first resort to an informal dispute settlement procedure established by the manufacturer to assert your lemon law rights.

The manufacturer or dealer must provide you with an itemized statement of all repair work performed when your vehicle is returned from service. Keep those records for future reference.

For more information, contact the office of Attorney General, Bureau of Consumer Protection, Strawberry Square, 14th Floor, Harrisburg, Pennsylvania 17120.

NOTICE TO CONSUMER NEW MOTOR VEHICLE ARBITRATION

The Vermont Lemon Law applies to new motor vehicles. A motor vehicle is defined as “a passenger motor vehicle which is purchased or leased, or registered in the State of Vermont and shall not include tractors, motorized highway building equipment, road-making appliances, snowmobiles, motorcycles, motor driven cycles, or the living portion of recreation vehicles, or trucks with a gross vehicle weight rating (GVWR) over 12,000 pounds. A “new motor vehicle” means a passenger motor vehicle which is still under the manufacturer’s express warranty.” 9 V.S.A. Sections 4171 (6) and (9).

You may be entitled to apply for a comparable replacement vehicle or prorated refund if you discover a defect during the express warranty period that has not been successfully repaired after three repair attempts by an authorized dealer. The first repair must occur within the express warranty.

An alternative way of filing is if this vehicle has been out of service for repair for a cumulative total of thirty (30) calendar days within the express warranty. The vehicle is considered to be out of service if it is in control of an authorized dealer for the majority of each day.

A consumer may file a Demand with fewer than three unsuccessful repair attempts or fewer than thirty days out of service for a safety or other reason which meets the reasonable repair threshold.

Written repair orders or examination reports must be obtained to attain the presumption of reasonable repair.

You will explain at the hearing how the defect(s) or condition(s) substantially impairs any combination of the use, market value or safety of the vehicle as of the date of signing the Demand for Arbitration.

The Lemon Law may not be used if you elect to file a claim with the manufacturer’s dispute settlement mechanism or if you have discontinued vehicle payments.

The New Motor Vehicle Arbitration program includes other eligibility criteria.

Forms to initiate the New Motor Vehicle Arbitration process should be included with your new vehicle upon delivery. They may also be obtained via **LemonLaw.vermont.gov** or by contacting:

A \$3 fee which supports the New Motor Vehicle Lemon Law has been included in the licensing fees for your new motor vehicle. Most 'new' or 'demonstrator' vehicles (cars, vans, trucks, motor

homes and large motorcycles) which are originally purchased or leased at retail in Washington are covered by the Lemon Law as are new vehicles purchased in other states by a member of the armed forces residing or stationed in Washington. If a vehicle is substantially impaired by one or more defects, it may be eligible for the Lemon Law arbitration program administered by the Attorney General's Office. Arbitration of Lemon Law claims is available to consumers at no cost. An arbitration request form must be received by the Attorney General's Office during the first 30 months following the original retail delivery to be eligible for arbitration. If your vehicle qualifies as a 'Lemon,' the manufacturer can be required to repurchase or replace it.

A vehicle may qualify as a 'Lemon' when one or more substantial ('serious safety' or 'nonconforming') defects have been diagnosed or repaired at least once (or the vehicle has been out-of-service at least 15 days during the warranty period due to diagnosis or repair) during the manufacturer's written warranty and

within 24,000 miles and within 2 years of the original delivery. In addition, at least one of the following must apply:

1. the 'serious safety defect' has been diagnosed or repaired two or more times and the defect continues to exist; or
2. the 'nonconforming' defect has been diagnosed or repaired four or more times and the defect continues to exist; or
3. the vehicle has been out-of-service because of diagnosis or repair of one or more above defects for 30 or more cumulative calendar days; or
4. within a twelve-month period, two or more different serious safety defects, each of which have been subject to diagnosis or repair one or more times, where at least one attempt for each serious safety defect occurs during the period of coverage of the applicable manufacturer's written warranty and within the eligibility period.

Whenever a vehicle is returned from diagnosis or repair under the manufacturer warranty, the dealer must provide a repair order or other written statement. It is very important to keep copies of all repair orders.

IMPORTANT

IF THIS VEHICLE IS DEFECTIVE YOU MAY BE ENTITLED UNDER STATE LAW TO A REPLACEMENT OR TO COMPENSATION. HOWEVER, TO BE ENTITLED TO A REPLACEMENT OR TO COMPENSATION, YOU MUST FIRST NOTIFY THE MANUFACTURER OF THE PROBLEM IN WRITING AND PROVIDE THE MANUFACTURER AN OPPORTUNITY TO REPAIR THE VEHICLE.
