

Features & Functions Quick Reference Guide

Seltos

WELCOME TO THE KIA FAMILY!

Your new Kia vehicle has been designed, engineered and manufactured to provide you with years of comfortable and dependable driving. Kia is committed to quality, innovation, safety and — above all — your satisfaction.

USING THE QUICK GUIDE AND ACCESSING VIDEOS

The information contained in this guide is a brief overview of the operation and features of your new Kia vehicle.

Kia provides a full version of the Features & Functions Guide and a number of video resources to assist you with becoming familiar with the features and functions found in your Kia vehicle. You can access these resources by snapping the QR Codes with your mobile device using your camera, a built-in QR Code Reader or a downloaded QR Code Reader App.

You can also view the full online guide by visiting the following website: **www.KiaHowTo.com**

You can also view the videos by visiting the following website:
www.youtube.com/KiaFeatureVideos

QUICK TIPS

If you're having trouble scanning codes, check the following:

- The code should be centered and focused in your mobile device's camera screen
- Consider moving your device closer to or farther away from the code
- The code should be well lit, without significant shadow
- Avoid scanning from a significant angle
- Confirm that the device's app supports 2D QR Code scanning
- Try another QR Code Reader App; not all apps are created equal
- After scanning, you may experience a "connection error" message or a "connecting" message with no subsequent response. These messages typically indicate that your device is having trouble connecting to the Internet

Kia Features & Functions Online Guide

Kia Connect with Navigation Videos

Navigation System* Important Tips Video

Vehicle Cameras Important Tips Video

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury or death. The driver's primary responsibility is in the safe and legal operation of a vehicle. Handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle, are not permissible by law, and should never be used during operation of the vehicle.

Bluetooth® Wireless Technology† 3,7

A Voice Recognition* button: Press to activate voice recognition*/bring up menus/place calls with minimal voice command prompts from the system. Press and hold to exit voice recognition. When connected via phone projection, *press and hold* to activate your phone's native voice recognition system.

Kia Connect^{†1} with Navigation* - When enrolled with a Kia Connect^{†1} subscription, press this button to activate the Kia Connect^{†1} Voice Assist to use navigation guidance and search destinations (when not connected via phone projection).

B Volume button: Press up/down to raise/lower speaker volume

Mute button: Press to mute the microphone during a call and to mute the audio system speakers, or to pause *Bluetooth®* streaming media.

C Call/End Call button: Press to receive/place/end calls. If no phone is paired, press the button to pair a phone.

CLICK for the FULL Guide
to see more Features
and Videos

Automatically Activated
Bluetooth®

QUICK TIPS

- The system can register or pair multiple *Bluetooth®* devices. See the Car Infotainment System Quick Reference Guide for more information on setup and limitations
- When using the voice command feature, wait for the system to BEEP before speaking the command
- Phone book transfer upload time varies by phone model and with number of phone book entries

Pairing a Phone - For instructions on how to pair a phone, refer to the Car Infotainment System Quick Reference Guide or your vehicle's Quick Start Guide.

QUICK TIP

During the pairing process, be sure to accept the connection requests on the phone for phone book download and to allow acceptance of all future *Bluetooth®* connection requests.

How to Place a Call Using Steering Wheel Controls - When using the voice command feature, wait for the system beep before speaking the command:

- Option 1: Press the Call/End Call button **C** (system displays the call history with the most recent calls)
- Option 2*: Press and hold the Voice Recognition button **A** (system will BEEP to indicate it is ready for call placement). Then say the command "Call {name}" or "Dial {number}"

QUICK TIPS

- *Bluetooth®* Music Streaming: If the *Bluetooth®* music is inaudible or too low, turn up the volume on the connected phone
- When placing a call, speak in a natural, moderate tone, with clear pronunciation. The system may have trouble recognizing commands if you speak too softly or too loudly
- Always wait for the beep before speaking any commands
- Close windows and sunroof and turn off A/C. The noise from an A/C fan operating at higher speeds or wind noise from open windows or sunroof can interfere with Voice Recognition
- Press the Voice Recognition button and say "Help" to get a list of available commands

REMINDERS:

- *Bluetooth®* Wireless Technology audio and calling functions are supported when connected to a *Bluetooth®* enabled device
- Because of differences in phone quality, service providers and *Bluetooth®* Wireless Technology chip programming, functionality may differ from one phone to another

For more information, refer to the Car Infotainment System Quick Reference Guide or the Owner's Manual.

Voice Recognition^{*†3,7}

Voice Recognition and Phone Contact Tips:

The system may have difficulty understanding some accents or uncommon names. Improve the performance by making a few simple changes to your phone contacts, listed below. To help optimize the Bluetooth® Wireless Technology Voice Recognition system, see other tips and reminders under Quick Tips:

- Use full names (first and last names) vs. short or single-syllable names ("John Smith" vs. "Dad," "Smith Residence" vs. "Home")
- Avoid using special characters, emojis or hyphenated names (@, &, #, /, -, *, +, etc.)
- Avoid using acronyms ("In Case of Emergency" vs. "ICE") or words with all capital letters
- Spell words completely, no abbreviations ("Doctor Smith" vs. "Dr. Smith")

For more information, refer to the Car Infotainment System Quick Reference Guide. For Bluetooth® wireless technology FAQs, go to www.kia.com, Owners section.

Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving. To help minimize driver distraction, some audio system functionalities have been modified while the vehicle is in Drive, Reverse or moved out of Park.

Kia Connect Activation^{†1}

Follow these steps to activate your Kia Connect system:

1. Enter the settings screen on your vehicle's Infotainment System:
 - a. Press the SETUP button
 - b. Press the DATA/NETWORK button
 - c. In Kia Connect, press ACTIVATE

Follow the instructions on the screen to proceed with activation, or the steps below:

2. Read and agree to Terms of Service and Privacy Policy and press SUBMIT
3. Enter number or email address to receive a verification code, then press SUBMIT
4. Click on the link and a page will open requesting you to create an account or login to your account
5. Provide the information needed and select SAVE to create the account
6. A page will open displaying your verification code. Enter this code on the Infotainment System screen. Press OK and SUBMIT, then press OK again
7. On your phone, select I HAVE ENTERED MY VERIFICATION CODE and a link will be provided to download the Kia Access App^{†2}. After installing the app, log in and enjoy

REMINDERS:

- This vehicle is equipped with over-the-air system updates
- If you already have a Kia Owners Portal account using the email or phone number as your login ID, you will need to provide your password prior to receiving the verification code

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe bodily injury, and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment, or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle. For more information, refer to the Car Infotainment System Quick Reference Guide.

Kia Access App^{†2} Download

Go to an app marketplace to download the new Kia Access App. Once downloaded, make sure you register your vehicle and create an account (refer to Kia Connect^{†1} Activation page). Get to know your new Kia and the available convenient features on the app.

QUICK TIPS

- The smartphone and vehicle need to be connected to a cellular network with good wireless signal strength in order to use Kia Connect^{†1}. If these conditions are not met, voice commands may fail or take a long time to execute
- To use Remote Start or Remote Start with Climate Control* feature, all doors, hood and trunk/liftgate must be closed and locked
- Activate Remote Start* or Remote Start with Climate Control* feature before getting into the vehicle, which will allow vehicle interior to reach a desired temperature. If the driver does not enter the vehicle within 10 minutes, the Remote Start will turn off the engine
- The quickest way to obtain current vehicle status through the app is by pressing the refresh button on the app or refreshing the web page when using the customer web portal
- The Kia Access^{†2} app is designed to stay connected to the vehicle, as long as the vehicle has been started within seven days. To reconnect the Kia Access^{†2} app, restart the vehicle

Kia Access App^{†2} Features Guide

The Kia Access App Features Guide is a guide helping you utilize the app to its full potential by detailing each feature and how to adjust various settings. Below are some of the topics included:

- Remote Commands
- Set Climate
- Schedule Climate
- Schedule Service
- Dealer Settings
- Manage Vehicles and Profiles

For further Kia Connect^{†1} operations, refer to the Car Infotainment System Quick Reference Guide.

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.

Vehicle Settings - Infotainment System

To enter the Vehicle Settings mode on the Infotainment System, press the **SETUP** key on the audio head unit or the **SETUP** button on the Infotainment System screen. Then press the **VEHICLE** button, which

will take you to the Vehicle Settings screen. Use the touchscreen to navigate through the menus.

- Driver Assistance
- Cluster*
- Drive Mode*
- Climate
- Seats
- Lights
- Door
- Convenience
- Digital Key*

Vehicle Settings
Video

Kia Connect with
Navigation Videos

Driving while distracted is dangerous and should be avoided. Do not attempt to change vehicle system settings while driving. Images are for illustrative purposes only and may not reflect actual feature or operation. Certain features only on select Kia models. Features and buttons may vary.

Wireless Smartphone Charging System*

Charge a compatible Qi™ Certified smartphone wirelessly by placing it on the charging pad **A** at the front of the console, near the Multimedia USB ports and the charging indicator, while the ignition is on.

1. Enable Wireless Charging in the Vehicle Settings in the Infotainment System.
Select **SETUP**, Convenience and check box to enable Wireless Charging System for Mobile Devices
2. Place a compatible smartphone on the center of the charging pad
3. Indicator light **B** may change to amber once wireless charging begins
4. Once charging is complete, the amber light may change to green

(Located in front of
Gear Shift)

Requires Qi™-
enabled device or
Qi™-enabled case

**CLICK for the FULL Guide
to see more Features
and Videos**

**Wireless Smartphone
Charging Video**

QUICK TIPS

- For wireless charging to occur, all doors must be closed, the Smart Key Fob¹⁴ must be detected inside the vehicle, and the ignition or Engine Start/Stop button¹⁴ is in the ON position
- For best results, place smartphone on the center of the charging pad
- If wireless charging does not work, move smartphone around the pad until the charging indicator turns amber
- Avoid placing other metal items in the bin while charging as to not impede the charging area
- Removing the phone case may improve charging efficiency and ensure a secure connection

REMINDERS:

- The smartphone must be a compatible Qi™ certified phone with Qi™ function available. Some smartphone models are not Qi™ certified, which may affect the availability, speed or performance of the wireless charging
- This vehicle is equipped with wireless charging technology which allows for a device to be charged using inductive charging; however, device compatibility varies
- The wireless charger uses inductive charging, which is less efficient than conventional charging through a cable
- **Charging Performance** - Your device's position on the wireless charging system can affect charging performance. Other factors that may affect the charging rate include foreign objects, such as coins or pens, and phone case thickness
- If any door is opened, charging will be disabled

Refer to section 7 in the Owner's Manual for more information.

Images are for illustrative purposes only and may not reflect actual feature or operation.

Smart Key with Remote Start^{†4}

- A** Press to lock all doors
- B** Press to unlock driver's door. When activated press twice within four seconds to unlock all doors

C Liftgate Button: Press and hold for more than one second to unlock the liftgate and open manually

Auto Open/Close: Press and hold to unlock and open automatically. Press and hold the button again to close the liftgate. Releasing the button during closing will stop operation and sound a warning chime for five seconds

D Press and hold more than one second for panic alarm. To turn off the alarm, press any button

E Remote Start: To start the vehicle, press and hold the button for more than two seconds, within four seconds of locking the doors. Press once to turn the vehicle off

F Mechanical Key (with cover):

- Use to unlock/lock driver's door:
 - Pull out the door handle to reveal the door lock keyhole **G**
 - Insert mechanical key **F** and turn left to unlock driver's door **H**
 - Insert mechanical key **F** and turn right to lock driver's door **H**
 - Return mechanical key to its original location

QUICK TIPS

- If the Smart Key battery is weak or not working properly, hold the Smart Key fob up to the Engine Start/Stop button^{†4} (lock button side closest) and press to start the engine
- The Smart Key's signal can be blocked by the normal operation of a cellular phone or smartphone. To help prevent this, store each device separately
- When reinserting the mechanical key into the fob, make sure it is pushed all the way in until there is a click sound

REMINDERS:

- The liftgate unlocks when the Smart Key is within close proximity of the vehicle
- Remote button configuration may vary depending on vehicle options
- Repeated removal could ruin the integrity of the keyhole cover

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.

For illustrative purposes only. Your actual display, buttons and/or features may vary.

Smart Power Liftgate*†5

- **Smart Key^{†4}:** To automatically open or close the Power Liftgate with the Smart Key fob, press and hold the Power Liftgate Open/Close button **A** for more than 1 second
- **Inside the vehicle:** To automatically open or close the Power Liftgate from inside the vehicle, press and hold the Power Liftgate Open/Close button **B**. If you release the button while in operation, the power liftgate operation will stop and a warning will sound for 5 seconds
- **Outside the vehicle (rear):** To automatically open the Power Liftgate from the exterior of the vehicle, press the Power Liftgate Release Button **C**

- **Outside the vehicle (rear):** To automatically close the Power Liftgate from the rear of the vehicle, press the Power Liftgate Close Button **D** on the inside of the Liftgate lid. If you press the Power Liftgate button again, the operation will stop

Images are for illustrative purposes only and may not reflect actual feature or operation. In some instances, the Power Liftgate may need be reset. Refer to section 4 in the Owner's Manual.

Smart Power Liftgate with Auto Open*†5

The Smart Liftgate with Auto Open can open the Liftgate automatically when the driver approaches or leaves the vehicle. For Smart Liftgate with Auto Open to operate, the Smart Key must be enabled.

Automatically open: When the Smart Key is on your person and you are near the back of the vehicle, within close proximity, the hazard lights will blink and a chime will sound for about 3 seconds as an alert that the Smart Liftgate is about to open. Then the alert system will blink and chime two additional times before opening the Smart Liftgate.

The Smart Liftgate with Auto Open feature is off by default. To enable on certain models, go to User Settings in the Instrument Cluster modes. Select DOOR and SMART LIFTGATE. On other models, press the **SETUP** key on the Infotainment System, followed by pressing **VEHICLE** on the screen. Then press DOOR and SMART LIFTGATE.

QUICK TIPS

- During the Smart Liftgate with Auto Open alert, the Smart Liftgate with Auto Open can be deactivated with the Smart Key by pressing any button on the key fob or moving away from the detection area
- The open height and speed can be adjusted. For information on how to set the open height and speed, see your owner's manual

REMINDERS:

- All doors are closed and locked after about 15 seconds
- The Smart Liftgate with Auto Open feature will not operate when:
 - The doors are recently closed and locked, and the Smart Key is still detected after 15 seconds near the vehicle or within 60 inches of the door handles
 - A door is not locked or closed
 - The Smart Key is in the vehicle
- Press any button on the Smart Key fob during the Detect and Alert stage, or move out of the detection area, to deactivate the Smart Liftgate with Auto Open function
- When the ignition is on, the Smart Liftgate with Auto Open will only operate with the gear shift in the Park (P) position
- The Smart Key must be outside of the vehicle for the Smart Liftgate with Auto Open to operate
- Ensure obstacles and people are out of the way of the Liftgate

Legal Disclaimers

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

Safety Features: No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely.

- 1. Kia Connect:** Purchase/lease of certain 2026 and newer Kia vehicles with Kia Connect includes a complimentary 3-year subscription starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 3-year Kia Connect subscription expires, continued access to the full suite of Kia Connect services available on your Kia will require a paid subscription at the then-current subscription rate or your use of certain Kia Connect features may immediately terminate. Use of Kia Connect is subject to agreement to the Kia Connect Privacy Policy (available at owners.kia.com/us/en/privacy-policy.html) and Terms of Service (available at owners.kia.com/us/en/terms-of-service.html). Complimentary Kia Connect subscription is transferable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. Kia Access app is available from the Apple® App Store® or Google Play Store™. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage is required to use most features. Kia Connect features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. For more on details and limitations, visit www.kia.com or your authorized Kia dealer. Apple® and App Store® are registered trademarks of Apple Inc. Google™ and its logos are trademarks of Google LLC.
- 2. Kia Access app:** Kia Access app for smartphone and smartwatch requires enrollment of vehicle in Kia Connect. Remote features require a KiaConnect subscription, a compatible smart device, and a wireless signal with good coverage to function. Normal cellular service rates may apply. Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command. Remote feature support varies by model, model year and trim; remote climate control not supported on vehicles not equipped with fully automatic temperature control.
- 3. Bluetooth® Wireless Technology:** Fair Use of Trademark - The commentary reference to trademarked material is for educational purposes only and not an endorsement by or of the holder of the mark.
- 4. Engine Start/Stop Button with Smart Key:** Always come to a complete stop before turning the engine on or off. However, if you have an emergency while the vehicle is in motion and must turn the engine off, you can turn the engine off to the ACC position by pressing the Start/Stop button for more than 3 seconds or 3 times in succession. If the vehicle is still moving, you can restart the engine by pressing the Start/Stop button with the shift lever in Neutral. With the engine off, power assist for steering and braking will be disabled, and the vehicle will be more difficult to control.
- 5. Power Liftgate / Smart Power Liftgate (2026):** Driving with the trunk open may be unlawful and can draw dangerous exhaust fumes into your vehicle; if you choose to do so, keep air vents and all windows open for proper ventilation.
- 6. Roadside Assist:** 24-hour Enhanced Roadside Assistance is a service plan provided by Kia America, Inc. Certain limitations apply. Coverage details are available in the Kia Warranty and Consumer Information Manual. For access to Enhanced Roadside Assistance, a connected mobile phone via Bluetooth® within the cellular service coverage area is required.
- 7. Steering-wheel-mounted controls:** Driving while distracted is dangerous and should be avoided. Remain attentive to driving and be cautious when using steering-wheel-mounted controls while driving.
