WARNINGS

INDICATIONS FOR USE:

A bath and shower seat is a water-resistant chair or stool is intended to be a bathing aid to allow users or their caregivers to undertake hygiene care while maintaining a safe and comfortable place to rest inside a shower or bathtub. We recommend a consideration of the user's physical capabilities to safely use the equipment, perform maintenance, user's weight capacity to safely use the equipment and the environment in which the equipment is intended to be used and all other relevant considerations prior to use. Continue to re-assess user's capabilities as necessary to ensure safe use of the device.

This device is intended for a single user **ONLY**.

 **WARNING: DO NOT ATTEMPT TO USE THE BATH AND SHOWER CHAIR WITHOUT READING ALL INSTRUCTIONS AND WARNINGS CAREFULLY. FAILURE TO COMPLY MAY RESULT IN SERIOUS INJURY.**

CONTRAINDICATIONS:

Users that are unable to understand or follow these instructions and warnings or have limited physical capabilities should be supervised or assisted while using the bath and shower chair.

NEVER use this device with individuals who are paralyzed or severely mentally, cognitively, physically or vision compromised unless under constant supervision.

SAVE THESE INSTRUCTIONS. This sheet MUST accompany the device with each use.

CAUTIONS:

Read ALL instructions and warnings prior to assembly and use. Failure to use this device as intended may increase the risk of injury to the user or damage to the device.

- This device is intended for a single user **ONLY**. In the event this device is passed to a new user, Compass Health Brands assumes **NO** responsibility for any damage or injury resulting from use of the device.
- Inspect all parts for shipping damages before assembly. If there is shipping damage – **DO NOT USE**. Contact your dealer/carrier for further instructions.
- **DO NOT** overtighten screws or use excessive force when installing any parts.
- All four legs of the bath and shower chair **MUST** be adjusted to the same height. All height adjustment buttons **MUST** protrude fully through adjustment holes, you should here an audible "click".

- Check the fit and tightness of all nuts, bolts and knobs **WEEKLY** to ensure that the bath and shower chair is safe to use.
- **ALWAYS** position body so weight is centered on seat. **DO NOT** lean or twist while sitting on the chair to prevent injury or damage to the frame.
- **ALWAYS** use extreme caution when transferring in and out of the shower while using device on wet surfaces.
- **CAUTION:** Wipe bath and shower chair dry before and after each use.
- Ensure the bath and shower chair is well-rinsed and dried before and after use.
- Bath and shower chair is **NOT** designed to be used as a transfer device, pool chair or long-term seating system. Bath and shower chair is **NOT** designed to be used outside of a bathroom.
- **CAUTION:** Be conscious of potential pinch points.

WARNINGS:

• **DO NOT ATTEMPT TO ADJUST OR OPERATE BATH AND SHOWER CHAIR WITHOUT READING ALL INSTRUCTIONS CAREFULLY.**

- This bath and shower chair has a weight limit of 300 lbs. (136kg). **ALWAYS** observe the weight limit on the labeling of your bath and shower chair.
- Ensure **ALL** screws, nuts and/or bolts are tightened. **DO NOT** use the device if wobbly, unstable or not level as personal injury or device damage may occur.
- Users that are unable to understand or follow these instructions and warnings or have limited physical capabilities should be supervised or assisted while using the bath and shower chair.
- When using the back rest, ensure the bath and shower chair remains balanced. Excessive twisting or turning while seated on the bath and shower chair may cause a loss of balance and damage to the product.
- Make sure that the height adjusting compression buttons fully protrude through the same respective hole in each leg extension. This will ensure the leg extensions are locked in position and an even height is achieved.
NOTE: An audible "click" will be heard.

- **DO NOT** adjust the leg extensions while seated on the bath and shower chair.
- Check all rubber tips on the leg extensions for rips, wear or if they are missing. Immediately discontinue use and replace any or all if any of these imperfections exist.
- **REPLACEMENT COMPONENTS WARNING** Compass Health Brands Corp. products are specifically designed and manufactured for use in conjunction with Compass Health Brands replacement components. Replacement components designed by other manufacturers have **NOT** been tested by Compass Health Brands and are not recommended for use with Compass Health Brands products.

- **DO NOT** place bath and shower chair on uneven surfaces. When used in a bathtub, make certain the rubber tips are not touching the sides of the bathtub wall.
- All four legs with rubber tips **MUST** be in full contact with the floor at all times and are free of any obstructions prior to use.
- **DO NOT** use for sideways transfers or partial loading.
- **DO NOT** use the bath and shower chair for anything but its intended purpose.
- **DO NOT** stand, kneel or climb on the bath and shower chair to avoid dangerous falls.
- **DO NOT** use armrests to fully support users body weight. Use both armrests to assist the user while sitting or standing. When transferring in and out of unit, evenly distribute weight between the arm supports. (model dependent)
- Keep children away from this device and **DO NOT** let them play with any parts.
- **IMPORTANT!** Although every effort has been made by the manufacturer to ensure the stability of the bath and shower chair during use, it is important to recognize that the most dangerous part of using any bath and shower chair is the transfer. If you are unsure how to perform transfers in a way that can be performed safely, then contact a physician/therapist who is familiar with transfer techniques and options.
- **IMPORTANT!** Adjustments should **NEVER** be attempted with the user in the bath and shower chair!
- The bath and shower chair **IS NOT** designed to be used as a pool chair or used in a sauna.

FAILURE TO USE COMMON SENSE AND HEED THE ABOVE WARNINGS FURTHER INCREASES RISK OF SERIOUS INJURY. USE AT YOUR OWN RISK AND WITH APPROPRIATE AND SERIOUS ATTENTION TO SAFE OPERATION. USE CAUTION. COMPASS HEALTH BRANDS CORP. ASSUMES NO RESPONSIBILITY FOR ANY DAMAGE OR INJURY CAUSED BY IMPROPER INSTALLATION, ASSEMBLY OR USE OF THIS PRODUCT.

1 Remove Packaging and Check Parts

- ❑ Remove the bath seat components from all packaging including tape, cardboard and plastic.
 - ❑ To avoid risk of suffocation to children or animals, dispose of the plastic bags correctly.
 - If you **DO NOT** understand the manual, contact your dealer for a complete explanation of the instructions, cautions and warnings. Otherwise injury may result.
- ⚠ WARNING: Ensure all bolts and hardware have been firmly tightened before each use.**
- **DO NOT** use excessive force when installing any parts.
 - If any parts are missing or damaged, **DO NOT** attempt to use.

6 Cleaning and Maintenance

WARNING: Check tips for rips, cracks or wear. If these conditions exist, immediately discontinue use and replace tips showing any or all these imperfections.

- ☐ Check the bath and shower chair for cracks or ruptures in the plastic. If there is damage, **DO NOT** use and contact the manufacturer or dealer for further instructions

CAUTION: Wipe bath and shower chair dry before and after each use.

- ☐ Check fit and tightness of all nuts, bolts, and knobs at least **WEEKLY** to ensure that the bath and shower chair is safe to use.
- ☐ **NEVER** use organic solvents, abrasive cleaners or scouring pads on any part of toilet safety frame.
- ☐ Use a mild soap and water solution, rinse with clean water, then dry with a soft cloth.

LIMITED LIFETIME WARRANTY

This warranty is solely for the benefit of the original consumer purchaser.

This device was built to exacting standards and was carefully inspected prior to shipment. Your Carex® brand product is warranted to be free of defects in materials and workmanship, has a Limited Lifetime Warranty on the frame and a one year warranty from date of purchase on all other parts, which are subject to normal wear and need periodic replacement. If within such warranty period, the product proves defective, the product will be repaired or replaced, at the option of Compass Health Brands. This warranty does not cover product failures due to normal wear and tear or device misuse.

In the event of a defect covered by this warranty, we will, at our option, repair or replace the device. This warranty provides only for replacement of defective parts and does not cover shipping or labor charges. Compass Health Brands' sole obligation and your exclusive remedy under this warranty is limited to such repair and/or replacement.

This warranty shall not apply to serial numbered products if the serial number has been removed or defaced or to defects or damages caused by unauthorized parts, attachments or repairs, negligence, accident, circumstances beyond Compass Health Brands' control, or improper operation, maintenance or storage.

If you have a question about your Compass Health Brands product or this warranty, please contact an authorized Compass Health Brands Dealer.
