26800mAh Power Bank

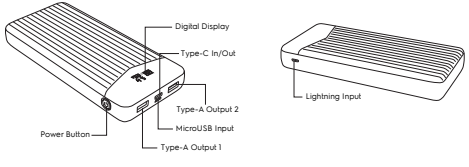

User Manual

Model: APB-USB26-BLACK

Product Overview

1. This device provides a Type-C input/output, a microUSB charge port, 2 Type-A outputs, a power on/off button, a lightning port, and a digital display.

2. The digital display shows the current battery level of the power bank.

3. Press the power button to turn on the output function.

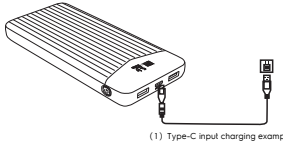

4. This device supports Power Delivery (PD) which is a specification for handling higher power and allows a range of devices to charge quickly over a Type-C connection.

5. Supplies USB power to most DC5V mobile devices.

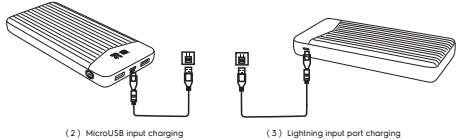

6. Choose specific USB cables that are compatible with your specific mobile device while charging.

Charging the Power Bank

1. The device can be charged using a Type-C input, a microUSB input, or a lightning input.

(1) Type-C input charging example

(2) MicroUSB input charging (3) Lightning input port charging

2. Charge times for the device may differ depending on the type of charging method you are using. However, the fastest way to charge the device would be using a Type-C input, as it may charge the device in up to 6 hours.

Attention

1. For efficiency purposes, we recommend using the cables and accessories that were included with the device. If the device is not working, please check if the device and cables are connected properly.

2. Since the device has a specific conversion rate, the battery capacity displayed on the screen may differ on a case to case basis.

3. This device supports most mobile phone models including iPhone 8, iPhone 8 Plus, iPhone 12, OPPO, Huawei, Samsung, as well as other devices such as Macbooks, etc.

4. Ensure the device is drained and fully charged at least every 6 months.

Technical Specifications

Battery Type:	Li-ion Battery
Capacity:	26800 mAh
Lightning Input:	DC5V/2A, 9V/2A
MicroUSB Input:	DC5V/2A, 9V/2A
Type-C Input:	DC5V/2A, 9V/2A
Type-A Output 1	DC5V/4.5A, 4.5V/5A, 9V/2A, 12V/1.5A
Type-A Output 2	DC5V/4.5A, 4.5V/5A, 9V/2A, 12V/1.5A
Type-C Output	DC5V/3A, 9V/2.2A, 12V/1.5A
Size	6.69" x 3.14" x 0.85" (170x80.21.6mm)
Weight	1.01 lbs. (460g)
Color	Black
Storage Temperature	23°F-95°F (Less Than 1 Month) 23°F-86°F (Less Than 6 Month)
Working Temperature	32°F-113°F (Charging) -4°F-140°F (Not Charging)

Safety Instructions

Warning: Please read the instructions carefully. Any misuse of this device could cause a fire or possible damage to the unit.

1. For adult use only. Please keep away from small children.

2. Do not attempt to dismantle or take the device apart as it may cause damage to yourself or to the device.

3. If the device is bulging or becomes noticeably damged stop using immediately.

4. Do not place the device in or around high temperatures such as a fire. High levels of heat may cause the battery to melt or become damaged.
