Capella

Single-Needle Embroidery Machine

The Baby Lock Capella single-needle, free-arm embroidery machine is ideal for your small embroidery business. Its crosshair positioning laser allows for perfect embroidery design placement, and the free-arm also provides ease and effectiveness when embroidering hard-to-hoop items.

Capella

Single-Needle Embroidery Machine

Single-Needle Free-Arm Embroidery

With its single needle and free-arm, the Capella is engineered to embroider an array of designs in hard-to-reach areas such as inside pockets, hats, tote bags, and more.

Large Embroidery Field

The Capella machine gives you 7 $\frac{1}{8}$ " x 11 $\frac{3}{4}$ " of generous space for your embroidering needs.

Embroidery Crosshair Positioning Laser

Use the crosshair positioning laser to preview the layout of your embroidery design; then adjust the position and angle for precise alignment.

TruView™ Designer

This high-definition TruView™ LCD color touchscreen brings your embroidery designs to life. It displays more than 260,000 colors, providing a bold, vivid image to help you edit and perfect each design.

Quick-Set, Built-in Bobbin Winder

The Capella bobbin system includes an automatic bobbin winder with its own motor. The winder seat holds the thread in place and stops automatically when the bobbin is full.

Automatic Needle Threader

Stitch with worry-free threading with the automatic needle threader. It threads your needle for you!

Features

- Built-in memory (1 MB)
- Bobbin system: front loading, vertical rotary hook
