 Blogger, Designer, Author

I've been sewing and crafting for as long as I can remember. As a child, I saved my dollar bills to buy craft supplies. And, my love of sewing and crafting only continues to grow. Today, sewing remains my life's work and passion. I'm a professional author, editor, blogger and crafter.

I'm so excited, because now I get to sew on a Baby Lock Presto. With its LCD screen, 100 built-stitches and 850 stitch-per-minute speed, I fly through my sewing projects. You'll find that's only the beginning with the Presto features. You can have fun with so many stitching options and alphabet styles. Baby Lock understands the personality and passion you put into your custom-made creations.

Pick up the beat for fast pace sewing

LCD Screen

The LCD Screen makes it a snap to select the right stitch. With the 2.4" x 1.3" LCD Screen, choose from 100 built-in stitch patterns and easily add the specialty stitches you need for your one-of-a-kind creations.

Advanced Needle Threader

Threading a needle has never been easier than with this innovative threader. With just a few simple motions, your needle is threaded and ready to use - it's so easy, you can do it with one hand!

100 Built-in Stitches | 850 Stitches Per Minute

Projects such as quilting, home decor and crafts require specialty stitches. The Presto includes dozens of built-in stitches that are perfect for the projects you choose to create. Plus, at 850 stitches per minute, you'll be on to your next project in no time!

Presto Included Accessories

- Eyelet Punch
- Horizontal Spool Pin
- Thread Spool Insert
- Spool Net
- Lint Brush

Features that get you sewing quickly

Quick-Set, Bobbin Winder

The Presto takes all of the hassle out of sewing including winding your bobbins! The quick-set winder holds the thread in place and stops automatically when the bobbin is full.

Push Button Features

With push button features, your sewing projects have never been easier to complete. Position the needle up or down, add a reinforcement stitch, stitch with the reverse sewing button, or sew without a foot control using the start/stop button.

Quick-Set, Top Loading Bobbin

Avoid the struggle of changing your bobbin with the quick-set feature. Simply drop your bobbin in the machine, pull your thread through the slot, and let your machine do the rest of the work.

4 Built-In Alphabets

Add personality to your custom-made creations with the Presto's 4 built-in alphabets.

Optional Accessories

Quilting Extension Table (BLMAC-ET)

Allows you to extend your sewing surface to provide extra support for perfect stitches on even the largest quilts.

Circular Sewing Attachment (BL-CSA)

Expand stitch libraries with the incredible abilities of the Circular Sewing Attachment. This creative machine accessory allows sewers to stitch in a circular pattern using any forward feeding utility or decorative stitch. Create corded frames with the Baby Lock Braiding Foot and 3-Hole Cording Foot, included with the Circular Sewing Attachment.

Straight Stitch Needle Plate and Foot Set (BLMAC-SS)

Reduce puckering on lightweight fabrics and prevent delicate fabrics from shifting. The small opening on the foot and needle plate provides support as the needle travels through the fabric while straight stitching.
