Soprano

Quilting and Sewing Machine

Advanced Pivoting Feature

Turn corners, follow curves and maneuver around appliqué shapes easily.

Automatic Fabric Sensor System

The Soprano will deliver the right amount of pressure and thread tension to ensure perfect stitches when sewing or quilting on a variety of fabrics.

Advanced Needle Threader

Follow the path and press a lever—that's all it takes to thread the Soprano. The Advanced Needle Threader is so convenient you can do it all with just one hand!

Built-In Stitch Memory

If you have a favorite stitch or need particular settings for a certain project, save them with the Soprano's built-in stitch memory.

Quick-Set, Top-Loading Bobbin

When you're ready to sew, simply drop a bobbin in and go. It's always easy to get started.

Push Button Features

Push-button features make it easy to choose your settings on the Soprano. You can change needle positions, raise and lower the presser foot, cut thread, start and stop sewing, and more.
