

CROSSWAVE® X7 CORDLESS PET PRO BATTERY REMOVAL INSTRUCTIONS

3011, 3276, 3277, 3279 SERIES

NOTICE Disconnecting the battery will destroy the appliance and invalidate the warranty.

⚠ WARNING This product contains Lithium-Ion rechargeable batteries. DO NOT mix Lithium-Ion batteries with general household waste. According to Federal and State regulations, removal and proper disposal of Lithium-Ion batteries is required. For specific battery disposal instructions please contact Call2Recycle at 877-723-1297 or visit www.call2recycle.org.

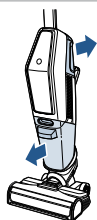

Disposing of the Battery

Needed for Disassembly:

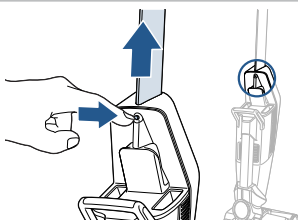

- Phillips-head Screwdriver
- Electrical tape

Before disposing the battery, make sure:

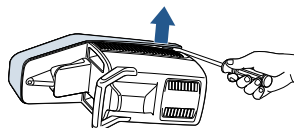

- The machine is disconnected from the docking station.
- The clean and dirty water tanks are empty or removed from the machine.

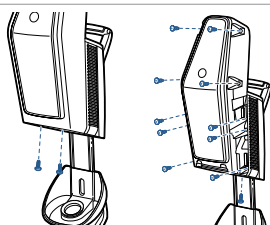

1. Remove the Clean Water Tank and the Dirty Water Tank.

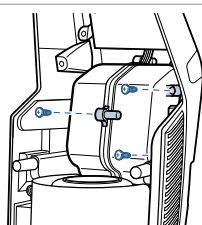

2. On the back of the machine, press the button under where the handle fits into the machine, while pulling the handle up.

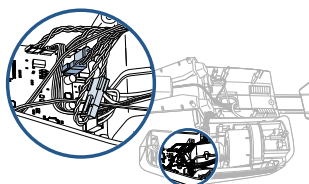

3. Remove the product face with a screwdriver by sliding a screwdriver between the face and the body of the product.

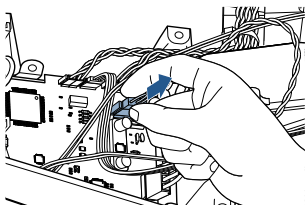

4. Remove two screws under the front face of the machine body. Remove 11 screws that attach the front cover to the body of the product.

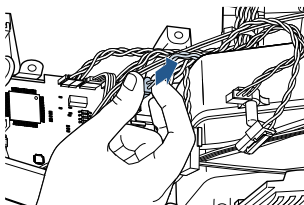

5. Use a screwdriver to remove the 3 screws holding the battery in place. Remove the battery pack.

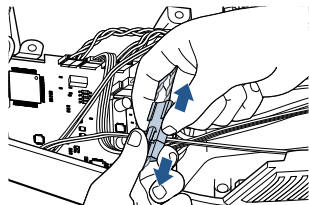

6. The front cover and the body of the product are attached by three connectors.

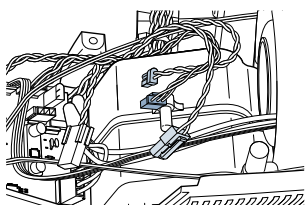

7. Unplug the yellow connector from the body of the product.

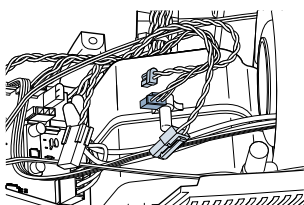

8. Unplug the orange connector from the body of the product.

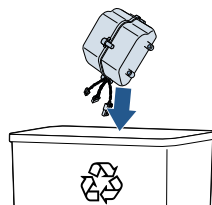

9. Unplug the red and black wired connector.

10. Remove the battery pack from the product.

11. After the connectors are disconnected from the body of the product.

12. Use electrical tape to tape the end of the connectors and recycle the battery.
