GETTING STARTED GUIDE

HANGOUT SHADE OVERVIEW

The Hangout Shade by BOTE is part of our Hangout Suite of products and can function as a standalone item on land or alongside the Hangout Docks on water. With quick setup, secure DockLink attachment points, and water-repellent canopy, it keeps you cool on the water or at the beach. Available in two sizes, this compact, travel-ready shade features mesh ventilation panels, soft grab handles, and includes a backpack-style carry bag, Aero hand pump, and carabiners for simple setup anywhere.

HOW TO

Inflating and deflating the Hangout Shade is simple. First remove the folded Hangout Shade from the bag, unroll, attach the pump hose to the inflation valve and fill 'er up. The Hangout Shade 7 and Hangout Shade 10 are to be filled until the pressure reaches 3-5 PSI. When you are ready to pack it up, do everything in reverse.

CARE & STORAGE

Always store your Hangout Shade in a cool, dry place or shady area out of reach of direct sunlight to avoid bursting or fading of colors. The sun both weakens the material and seams and increases the pressure beyond its design limits. If you must leave your Hangout Shade out of the water and in direct sunlight, reduce pressure until the Hangout Shade is compressible by hand.

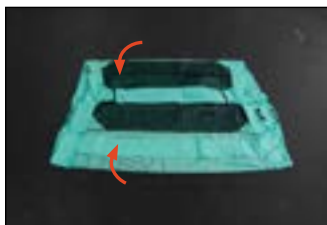

The Hangout Shade recommended inflation is between 3-5 PSI.

HOW TO FOLD

1. When you are finished with your Hangout Shade, make sure to clean off any dirt, sand or salt water with fresh water and allow the Hangout Shade to dry.

Begin deflating by removing the inflate/deflate port cap and pressing the push pin down until you can turn it clockwise, locking it to the open position.

2. Fold both mesh sides in towards the center

Fold in half and fold in half again.

3. Fold in half a fourth time, bringing the two short sides in towards each other.

Begin rolling from one short side to the other.

4. Finally place your rolled Hangout Shade into the travel bag for transportation and storage

WARRANTY

BOTE makes every effort to produce our Hangout Shade to the highest quality and standards in the industry. We do quality checks in our factories and warehouses in an effort to guarantee each Hangout Shade quality before shipping to Authorized BOTE Dealers or directly to the customer. We cannot warranty the performance of any Hangout Shade for individual users and varying skill levels and abilities. Furthermore, we cannot guarantee against damage or breakage and cannot protect or warranty against circumstances outside of our control.

WARRANTY REGISTRATION REQUIRED

The warranty registration form should be completed online within 30 days of original purchase to be activated. You should keep your sales receipt should it be required in the future for proof of purchase. The online Warranty Registration Form can be found at www.boteboard.com/support/warranty.
