FEATURES

CONSTRUCTION: Made in the USA with stainless steel

LIVE-FIRE COOKING: Durable, stainless steel construction that's built to withstand the rugged demands of live-fire cooking, from searing steaks to grilling vegetables.

VERSATILE USE: Use on a Breeo Standard Rim Fire Pit or Live-Fire Grill. Grill directly on the Skillet Rest, rest skillets, or use as a trivet when cooled.

USE

Using the curved handle, slide the Skillet Rest onto the lip of your fire pit. The Breeo logo should be overhanging the fire. Once the Skillet Rest is locked into place, you can rest skillets and other cookware to expand your live-fire cooking.

Use the outer handle to adjust the placement of the Skillet Rest as needed. Arrange multiple Skillet Rests around the edge of the fire pit to create a stable platform for various cookware setups.

Use the Skillet Rest as a small live-fire grill with or without a fire pit.

Ensure the Skillet Rest is cool, and use it on almost any flat surface to protect surfaces from hot cookware.

CARE

To clean the Skillet Rest, we recommend your favorite stainless steel cleaner with a soft cloth or a bristle brush, water, and dish soap. Stainless steel may darken in color when exposed to heat.

WARNING

Always practice safety first when using the Skillet Rest, and exercise the same precautions you would with any open fire.

Never leave your Breeo® Fire Pit & accessories unattended, especially around children and pets. ***The Skillet Rest become very hot in use and can cause severe burns.***

Do not touch when hot. Avoid touching sensitive surfaces with the Skillet Rest when they are hot. When adjusting the Skillet Rest, always wear protective gloves or use other heat protection to avoid burns.
