

# Parts Manual

Mfg. No: 350447-1013-E1

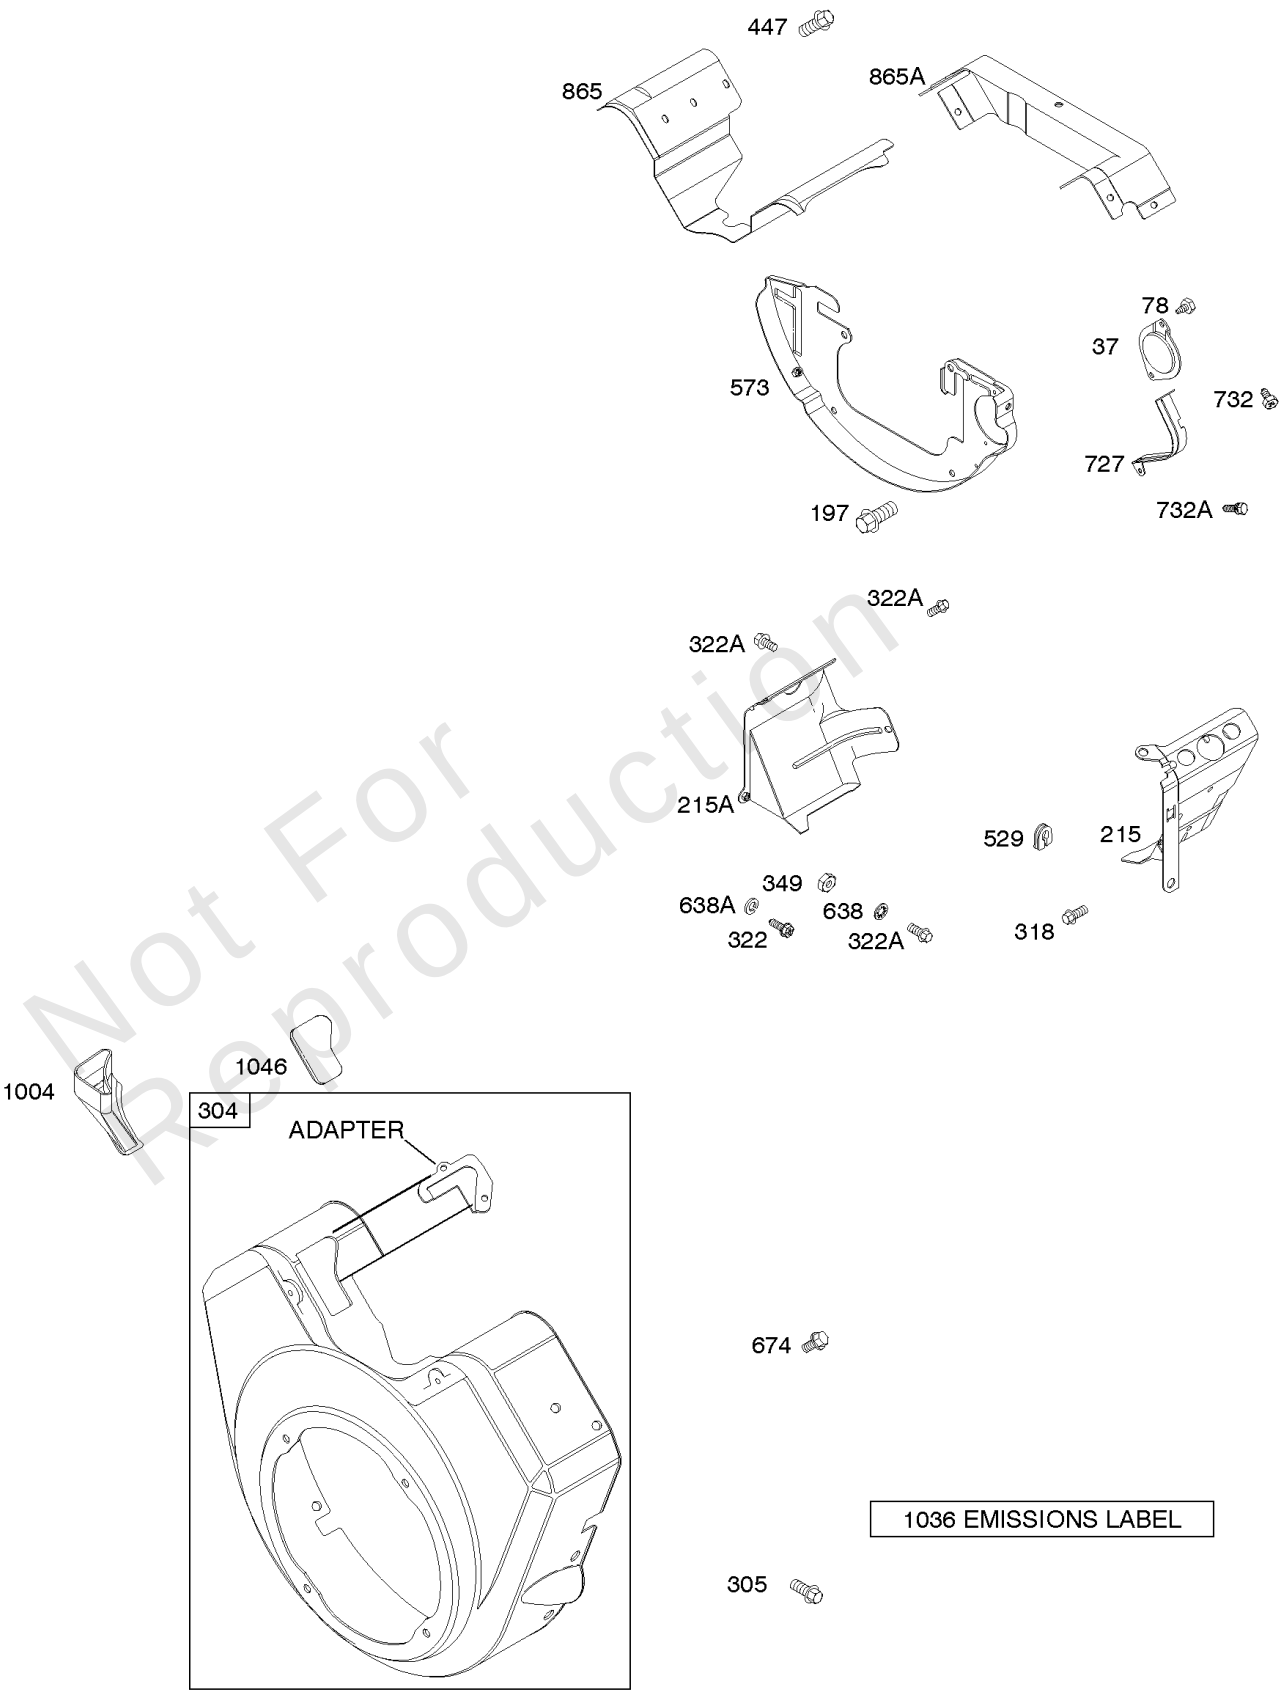

| <b>Model Components</b>                                                   | <b>Page</b> |
|---------------------------------------------------------------------------|-------------|
| Air Cleaner. ....                                                         | 4           |
| Air Guides, Back Plate, Blower Housing. ....                              | 6           |
| Alternator, Ignition, Switches. ....                                      | 8           |
| Carburetor. ....                                                          | 12          |
| Carburetor Over Haul, Engine & Valve Gasket Kits, Engine Gasket Set. .... | 16          |
| Controls, Governor Spring. ....                                           | 20          |
| Crankcase Cover/Sump, Intake Manifold. ....                               | 24          |
| Crankshaft, Cylinder, Camshaft, Piston/Rings/Connecting Rod. ....         | 26          |
| Cylinder Head. ....                                                       | 30          |
| Electric Starter #1. ....                                                 | 34          |
| Electric Starter #2. ....                                                 | 36          |
| Exhaust System. ....                                                      | 38          |
| Flywheel. ....                                                            | 42          |
| Fuel Supply. ....                                                         | 46          |
| Lubrication. ....                                                         | 50          |
| Replacement Engine - US & Canada. ....                                    | 52          |
| Rewind Starter. ....                                                      | 53          |
| Model 29, 30, 35 & 38 Engine Accessories Catalog. ....                    | 55          |
| Maintenance Kits. ....                                                    | 56          |
| Lubrication. ....                                                         | 58          |
| Starter Motor Side Outlet Mufflers. ....                                  | 60          |
| Oil Filter Side Outlet Mufflers. ....                                     | 62          |
| Oil Filter Side Outlet Manifolds. ....                                    | 64          |
| Starter Motor Side Outlet Manifolds. ....                                 | 66          |
| Mufflers. ....                                                            | 68          |
| Center Outlet Mufflers. ....                                              | 70          |
| Muffler Guards and Shields. ....                                          | 72          |
| Spark Arrestors and Deflectors. ....                                      | 74          |
| Muffler Mounting Hardware. ....                                           | 76          |
| Flywheel and Air Intake Guards. ....                                      | 78          |
| PTO. ....                                                                 | 80          |
| Electrical. ....                                                          | 82          |
| Speed Control. ....                                                       | 84          |

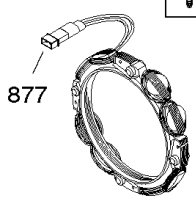

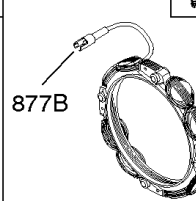

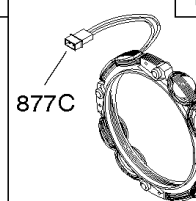

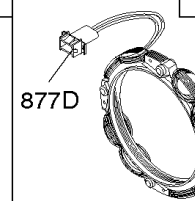

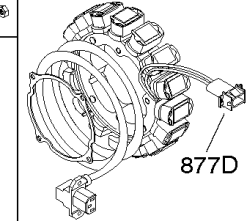

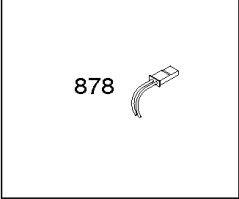

## Air Cleaner

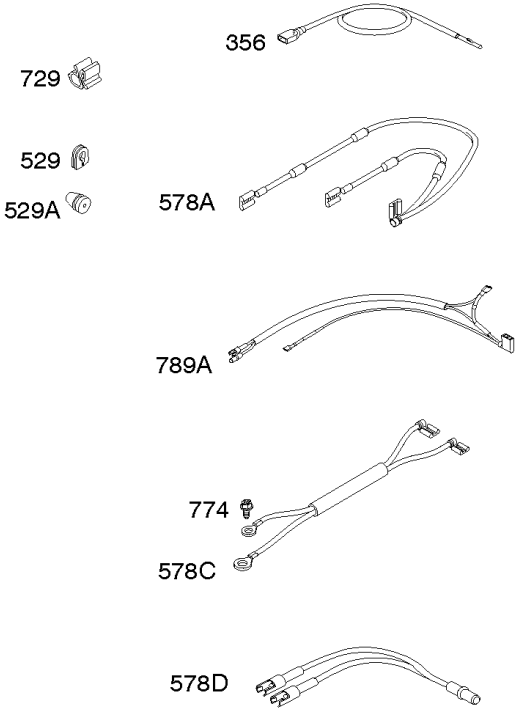

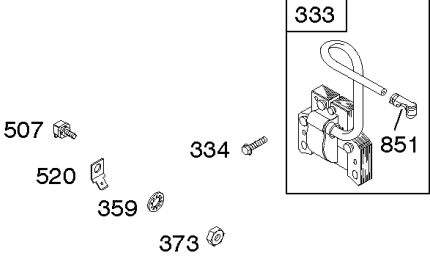

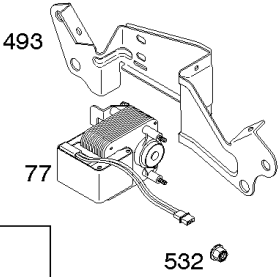

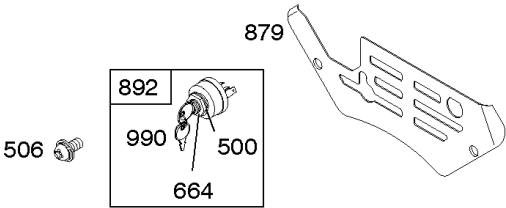

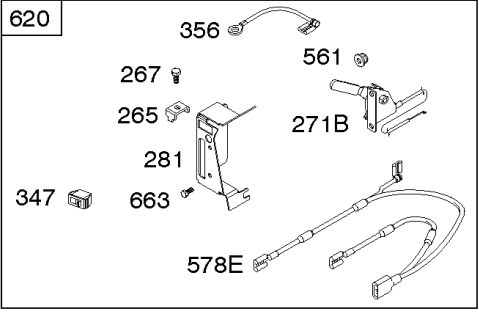

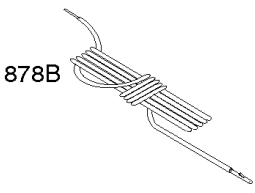

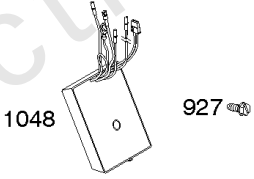

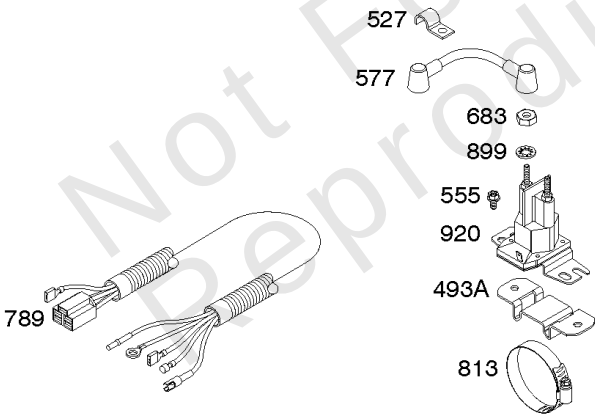

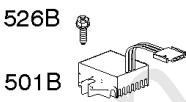

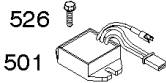

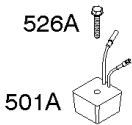

| REF NO | PART NO | QTY | DESCRIPTION                                 |
|--------|---------|-----|---------------------------------------------|
| 11     | 691556  |     | TUBE, Breather                              |
| 11A    | 806083S |     | TUBE, Breather                              |
| 161    | 691561  |     | BASE, Air Cleaner<br>-(Metal)               |
| 161B   | 808414  |     | BASE, Air Cleaner<br>-(Metal)               |
| 163    | 692081  |     | GASKET, Air Cleaner<br>-(Air Cleaner)       |
| 163B   | 692052  |     | GASKET, Air Cleaner<br>-(Air Cleaner)       |
| 445    | 394018S |     | FILTER, A/C Cartridge                       |
| 445B   | 393957S |     | FILTER, A/C Cartridge                       |
| 467    | 691985  |     | KNOB, Air Cleaner Cover                     |
| 467B   | 691668  |     | KNOB, Air Cleaner Cover                     |
| 643    | 692079  |     | RETAINER, Air Filter                        |
| 643A   | 690447  |     | RETAINER, Air Filter                        |
| 711    | 841233  |     | SCREW<br>-(Carburetor Shield)               |
| 717    | 692153  |     | BRACKET, Air Cleaner                        |
| 833    | 841233  |     | SCREW<br>-(Air Cleaner Mounting Strap/Stud) |
| 833A   | 807084  |     | SCREW<br>-(Air Cleaner Mounting Strap/Stud) |
| 833B   | 691593  |     | SCREW<br>-(Air Cleaner Mounting Strap/Stud) |
| 862D   | 691565  |     | STRAP/STUD, Air Cleaner Mounting            |
| 862E   | 492133  |     | STRAP/STUD, Air Cleaner Mounting            |
| 967    | 272490S |     | FILTER, Pre Cleaner                         |
| 967C   | 271794S |     | FILTER, Pre Cleaner                         |
| 968    | 699959  |     | COVER, Air Cleaner<br>-(With Clips)         |

|        | 496238       | 1   | Replacement Short Block                                                                                                                                                                                                                                     |
| -----  |              |     | Top No-Load Speed: 3600<br>-Trim: ALL                                                                                                                                                                                                                       |
| -----  |              |     | Service Note: Transfer Blower Housing, Flywheel and Booster Fan Group to replacement engine. Transfer Electric Starter if original Flywheel is equipped with an aluminum ring gear .                                                                        |
| -----  |              |     | Service Note: Transfer Exhaust Ducting and/or Muffler Assembly from original engine to replacement engine.                                                                                                                                                  |
| -----  |              |     | Service Note: For all Go-Karts use only a Model 136200 series engine as a replacement, regardless of the original Model.                                                                                                                                    |
| -----  |              |     | Service Note: Transfer the Muffler and/or Spark Arrester Assembly from the original engine if suitable for additional service, or add new parts as required. In some cases it maybe necessary to transfer the Oil Filter Adapter to the replacement engine. |
