Reproduction

## *Air Cleaner, Muffler*

| REF NO | PART NO | QTY | DESCRIPTION                                |
|--------|---------|-----|--------------------------------------------|
| 161    | 691401  |     | BASE, Air Cleaner<br>-(Metal)              |
| 163    | 690273  |     | GASKET, Air Cleaner<br>-(Air Cleaner)      |
| 235    | 691206  |     | SHIELD, Fuel Spray                         |
| 297    | 691331  |     | NUT<br>-(Air Filter Retainer)              |
| 300    | 491319S |     | MUFFLER<br>-(Super Lo Tone)                |
| 346    | 690661  |     | SCREW<br>-(Spark Arrestor)                 |
| 425    | 691675  |     | SCREW<br>-(Air Cleaner Cover)              |
| 445    | 394019S |     | FILTER, A/C Cartridge                      |
| 643    | 496700  |     | RETAINER, Air Filter                       |
| 819    | 690297  |     | SCREW<br>-(Muffler Bracket)                |
| 823    | 691681  |     | SCREW<br>-(Muffler Adapter)                |
| 863    | 690444  |     | BRACKET, Muffler                           |
| 864B   | 691970  |     | ADAPTER, Muffler                           |
| 883    | 692282  |     | GASKET, Exhaust                            |
| 967    | 272490S |     | FILTER, Pre Cleaner                        |
| 968    | 691207  |     | COVER, Air Cleaner                         |
| 971    | 691100  |     | SCREW<br>-(Air Cleaner Base to Carburetor) |
| 994    | 392390  |     | ARRESTOR, Spark                            |

| AC ONLY                                                                                                                                                                                                                                                                                                                             | DC ONLY                                                                           | DUAL<br>CIRCUIT                                                                   | TRI<br>CIRCUIT                                                                     | 9 AMP                                                                                                                                                                      | 10 AMP                                                                                                                                                                     | 16 AMP                                                                              |
