CARRIER DUCTLESS SOLUTIONS DELIVER ON BENEFITS

At Carrier, we've thought through it all, so you can get the control, comfort and performance that you've always wanted from your HVAC system.

ENERGY SAVINGS

- Up to 35.1 SEER2 efficiency rating
- 35 combinations with ENERGY STAR® certification

FOLLOW-ME

- High Wall remote senses temperature delivers more accurate comfort exactly where you need it

COMFORT IN ANY CLIMATE

- Infinity heat pumps operate in temperatures as low as -22° F and as high as 122° F
- Dehumidification mode actively pulls excess moisture from the air to maintain comfortable indoor humidity

EASY MAINTENANCE & INSTALLATION

- Reusable filters enable higher efficiency and lower costs
- No major renovations, patching or painting required

COMFORT BY DESIGN

Choose from a family of ductless high wall solutions and a range of innovative features to fit your needs.
