Infinity[®] System Control

Premium comfort, efficiency and
convenience at your fingertips

Models SYSTXCCWIC01-C,
SYSTXCCITC01-C

Designed with Your Comfort in Mind

Sleek and intuitive, the Infinity system control helps you get more out of our most advanced comfort systems with these features:

Precise comfort

When part of a complete Infinity System with Greenspeed® intelligence, the control makes subtle adjustments for precise temperature and humidity control.

Simple to use

Quick-read icons and simple, on-screen prompts make it easy to take control of your comfort needs.

Maximizes efficiency

Optimize your savings by smoothly and efficiently bringing comfort levels to programmed settings.

Provides reminders

The Infinity system control reminds you when it's time to change filters, humidifier pads, UV lights or schedule a system checkup.

Hands-free operation

Works with Amazon® Alexa® for home automation when you add it as an Alexa skill.

Anywhere access

Control your system from anywhere by using the Carrier SmarHome app on your iOS® or Android® devices,¹ or visit our consumer portal at www.my.carrier.com.

Room-to-room control

Manage up to eight zones with optional sensors.¹

Limited warranty

Ten-year-limited warranty if registered within 90 days of installation.²

Optional
smart sensor
sold separately.

Featured Technologies

Gives you all the features of the Smart Thermostat Lite, but with these additional benefits.

Greenspeed Intelligence (Select systems)

Our variable-speed technology along with Infinity intelligence delivers precise comfort, enhanced humidity management and outstanding efficiency.

Ideal Humidity System™ technology

With a variable-speed blower from your indoor unit, the Ideal Humidity System technology can remove moisture from the air during the summer, making the air feel cooler.

Comfort Heat Technology® Feature

Intelligently stages heating cycles to reduce temperature swings and improve efficiency.

Hybrid Heat® Technology

A dual-fuel solution that combines an electric heat pump with a gas furnace. This allows the system to choose the most efficient fuel source while delivering year-round comfort and efficiency.

¹ When connected to the Internet through a Wi-Fi® network.

² To the original owner, when product is used in an owner-occupied residence, a 10-year parts limited warranty upon timely registration of your new equipment. Warranty period is five years if not registered within 90 days except in jurisdictions where warranty benefits cannot be conditioned upon registration. See warranty certificate for complete details.

More Than a Century of Cool

In 1902, a determined engineer answered one of mankind's most nagging questions: How do we make hot, sticky, indoor air go away? In creating the world's first modern air conditioning system, Willis Carrier forever changed indoor life, and, more than a century later, the corporation that bears his name takes inspiration from his example.

Carrier strives to improve on our founder's breakthroughs, introducing new technologies that make life at home even cooler. Today, a nationwide network of experts continues to advance Willis Carrier's lifework. Your expert Carrier dealer is equipped to evaluate your home and create a customized system designed around your lifestyle.
