Carrier Smart Thermostat Featuring IntelliSense™

Convenient and connected comfort control

Model TSTATCCIEWF-01

IntelliSense™

Designed with Your Comfort in Mind

The Carrier Smart Thermostat featuring IntelliSense™ is the latest and one of the most affordable models in our growing family of Wi-Fi®-connected controls.

COMFORT-ENHANCING CONTROL

The Carrier Smart Thermostat featuring IntelliSense manages single- and two-stage systems as well as indoor air quality accessories. It also unlocks our patent-pending ComfortAdjust™ feature on select Carrier variable-speed equipment to provide comfort enhancing control. It's a winning combination that delivers potential money-saving energy efficiency, quieter operation, and more consistent temperatures in the home.

OVER-THE-AIR EQUIPMENT UPDATES

The Carrier Smart Thermostat featuring IntelliSense is capable of updating itself and select Carrier equipment.¹ When a new firmware version is made available, it's simply pushed out to your thermostat.

SMART SERVICING

Pair your Smart Thermostat with IntelliSense-enabled equipment, opt-in to data sharing, and enjoy the benefits of connected comfort. IntelliSense gives your dealer the ability to remotely view the operational health of your system to provide you more efficient service.

MAGNET-MOUNTED CONVENIENCE

Snap your Smart Thermostat in place or remove it with ease as needed, thanks to its patent-pending magnet-mounted design.

SIMPLE TO USE

Touch-sensitive buttons and quick-read icons on the wall-mounted control allow you to effortlessly set and change temperature settings, switch between heating and cooling operation, and change fan settings.

AT-A-GLANCE DISPLAY

Color-coded, illuminated LED border indicates system startup whether in heating, cooling or fan-only operation.

Color-Coded, Illuminated LED Border

The LED border light changes color to match system operation:

Orange = Heating

Blue = Cooling

Green = Fan

Purple = Off

Yellow = Utility energy management event

A “Smart” Choice

With expert installation, guided setup, and the “connected” warranty coverage, this thermostat is a smart choice for comfort.

CONNECT WITH EASE

The Carrier SmartHome app with guided setup makes the connection between your phone and the Smart Thermostat fast and easy. Simply download the app and create your Carrier SmartHome account to connect with ease.

SMART HOME READY

Control your system from anywhere using the Carrier SmartHome app on iOS® or Android® devices.¹ Your Smart Thermostat also works seamlessly with Alexa, Google Assistant, Apple HomeKit, Samsung SmartThings, and Alarm.com third-party smart home systems.

EXPERT INSTALLATION

Installed by your local Carrier comfort expert, your Smart Thermostat has been set up to ensure optimal system operation.

PROGRAMMABLE SAVINGS

Create customized comfort schedules to match your lifestyle using the Carrier SmartHome app or the consumer portal at my.carrier.com. Set the temperature for savings while you are asleep or away, or comfort when you are awake and at home. Setting your thermostat just a few degrees higher for cooling or lower for heating can have a big impact on reducing energy consumption, especially on extremely hot or cold days.

CONNECTED AND PROTECTED

The Carrier Smart Thermostat featuring IntelliSense is covered with a five-year connected warranty² upon timely registration and connection.³

¹ When connected to the Internet through a Wi-Fi® network.

² See warranty certificate for complete details and exclusions.

³ The Carrier Smart Thermostat featuring IntelliSense is covered by a two-year parts limited warranty. The warranty period is extended to five years when the following conditions are met within 90 days of installation: Thermostat is properly registered, is connected to Wi-Fi®, and data sharing permissions are enabled except in jurisdictions where warranty benefits cannot be conditioned upon registration.

Comfort matters. Your privacy matters even more.

We take your comfort personally and your privacy professionally. Data sharing permissions required as part of the thermostat's five-year connected warranty are limited to thermostat activity only, such as indoor temperature, temperature settings and similar. We don't use your data for targeted marketing, and we don't sell your personal information.

Optional Accessories (Sold Separately)

SMART THERMOSTAT OVERSIZED WALL PLATE:

P/N TSTATXXZOW-01 – Use our optional oversized wall plate with your new Smart Thermostat when our standard wall plate is not large enough to cover any holes or marks left from your previous thermostat.

INTELISENSE-CAPABLE C-WIRE ADAPTER:

P/N TSTATXXZAW-01 – If your older thermostat does not have a C-wire, but has at least four wires available, it is possible to install our optional C-wire adapter on the furnace control board. This allows your dealer to establish a C-wire connection.

The Indoor Comfort System

Your Carrier dealer will recommend a system to meet your home-comfort needs and local weather environment.

AIR CONDITIONER OR HEAT PUMP

Provides efficient cooling or cooling/heating for comfort and potential energy savings.

GAS FURNACE

Provides reliable, high-efficiency heating for long-lasting comfort and energy savings.

EVAPORATOR COIL

Matched with the proper outdoor unit to provide even more cooling efficiency and years of reliable service.

DEHUMIDIFIER

Pulls excess moisture from the air helping you feel more comfortable.

HUMIDIFIER

Adds moisture to the air, helping keep static and dry skin at bay.

VENTILATOR

Combines fresh outdoor air with conditioned indoor air for improved air quality – great for today's tightly constructed home.

More Than a Century of Cool

In 1902, a determined engineer answered one of mankind's most nagging questions: How do we make hot, sticky, indoor air go away? In creating the world's first modern air conditioning system, Willis Carrier forever changed indoor life, and, more than a century later, the corporation that bears his name takes inspiration from his example.

Carrier strives to improve on our founder's breakthroughs, introducing new technologies that make life at home even cooler. Today, a nationwide network of experts continues to advance Willis Carrier's lifework. Your expert Carrier dealer is equipped to evaluate your home and create a customized system designed around your lifestyle.
