† If Equipped

This diagram illustrates the exploded view of a mechanical assembly, likely a small engine or pump. The central component is a large, circular housing (31) with a central shaft (32) and a pulley (33). Various sub-assemblies are shown around it, including a front wheel (6) with a tire, a rear wheel (19) with a tire, and a handle (44). The diagram includes numerous numbered callouts (1-58) identifying individual parts such as bolts, nuts, washers, gears, and structural components. The assembly is shown in a disassembled state to highlight the relationship between the various parts.
