ABOUT TRUPRO™ TRI-PLY STAINLESS STEEL

Zakarian by Dash TruPro™ Tri-Ply Stainless Steel Cookware has a unique 3 layer nonstick coating. Follow these tips to ensure the longevity of your product:

Cooking sprays that contain soy lecithin should not be used on nonstick stainless steel, as these sprays may damage the coating and will be difficult to remove.

Do not cook on high heat. This will damage the nonstick coating over time, causing staining and a reduction in the surface's release properties.

Silicone handles may get hot while your cookware is in use: use care when moving from your stove or heat source.

PROPER USAGE

Use low to medium heat

Don't preheat using high heat, as your pans will come to temperature quickly. Use low to medium heat when preheating.

Preheat with oil or butter

Heat cookware with oil or butter, lightly and evenly coating the inside each time to reduce sticking.

Nonstick safe utensils recommended

Your pans are metal utensil safe, but don't use them to cut or scrape in pans. Use silicone, nylon or wood utensils to protect your nonstick coating.

Allow to cool

Let cookware cool before submerging. Always use a trivet when moving cookware.

GENERAL CLEANING

Your stainless steel cookware is dishwasher-safe, but hand washing is recommended. High temperatures in the dishwasher may discolor the stainless steel.

Hand-washing with a soft towel or sponge in warm, soapy water is recommended to prolong the cookware's original appearance.

Always allow the cookware to cool before cleaning. Filling with cold water before cooling may damage the cookware.

Never use steel wool or abrasive cleaning pads, as these may scrape off the coating. Do not use harsh cleaners.

CLEANING TOUGH STAINS AND BUILDUP

Soaking

For tough stains, mix ½ cup of dishwasher detergent with 2 cups of hot water. Let stand in the cookware for 1-3 hours, then rinse and wash thoroughly.

Solution

For some foods, simmering ½ cup of vinegar and scrubbing with a non-abrasive sponge will give better cleaning results. Do not use metal sponges or brushes.

Discoloration

To help clean any discoloration or oil buildup, clean with Bar Keepers Friend® using a soft towel or sponge.

OUR LIMITED LIFETIME WARRANTY

Zakarian Nonstick Stainless Steel is warranted to the purchaser by StoreBound. StoreBound will replace any item found defective in material and workmanship for a lifetime from the date of the original purchase when utilized for normal and intended household use by the original owner. Proof of purchase indicating the date and place of purchase is required and should accompany the return. You must also include your full name, shipping address, and telephone number. We are unable to ship returns to a PO box. Minor imperfections, surface markings, and slight color variations are inherent to sand casting and hand finishing, and do not affect the performance of the cookware. This warranty does not cover damage from misuse or abuse, such as improper cleaning, neglect, accident, alteration, fire, theft, or use in a commercial establishment. Return Shipping Responsibility - The cost of returning the product to StoreBound is up to the customer. Discontinued Item Returned - If the item you returned is discontinued and is no longer available, StoreBound will automatically replace your item with the most comparable item currently manufactured. If nothing is available, we will notify you to discuss the next steps. Replacement Requests - StoreBound will replace any item found to be defective in material or workmanship with the most comparable current item. We do not accept special requests, nor do we have the ability to upgrade in exchange for money. No Defect Found - Products found to not be defective in material or workmanship will be returned directly to you with a letter stating why.
