

EPSON®

FOR MACINTOSH® USERS CRAVING HIGH PERFORMANCE AND BRILLIANT OUTPUT.

Meet the EPSON Stylus Color 900G, a professional quality, color ink jet printer built just for the proud Macintosh owner. It's our fastest printer and a perfect choice if you want high performance, brilliant output and a colorful blueberry look.

You can count on its impressive performance. It's so fast, it prints up to 12 pages per minute of black text and 10 pages in color. You'll enjoy speeds that rival laser printers, plus Photo Quality output. Every output will be sharp, whether you're printing a report, a colorful invitation or even your favorite photograph.

This amazing 4-color, 1440 x 720 dpi ink jet printer fires ultra small 3 picoliter ink droplets, which create colors so intense, they jump off the page. And the advanced Micro Piezo™ technology gives you laser sharp text, vivid highlights, and sharp detail. The AcuPhoto Halftoning™ produces smoother gradations and life-like skin tones. And the expertly formulated, quick drying inks ensure you'll get a crisp output every time. Your graphs, reports, photographs and presentations will look great no matter what media you print them on.

Because the EPSON Stylus Color 900G supports a variety of network connectivity options, it's the perfect fit for your professional needs. It accepts optional cards so you can use it on Ethernet, Fast Ethernet, LocalTalk and even the latest Firewire (IEEE-1394) networks. Combine the optional PostScript support with a 5,000 page per month print volume, and you've got one hot printer.

The EPSON Stylus Color 900G comes in colorful blueberry, so you can instantly brighten up your work area. Its high performance, sharp text, Photo Quality printing, and professional options make it the perfect printer for you.

EPSON Stylus® Color 900G Ink Jet Printer

FEATURES

- **Epson's fastest ink jet printer, 12 ppm black text and 10 ppm color**

- **Smallest ink droplets ever, just 3 picoliters**

- **EPSON PerfectPicture® Imaging System**

- **Colorful new design**

- **Professional features**

- **Excellent results on any paper**

- **Rated at 5,000 pages-per-month print volume**

BENEFITS

Saves time. Print jobs are completed faster than using comparable ink jet printers.

Better-looking output with finer detail, more vivid highlights.

1440 x 720 dpi output. Micro Piezo technology for sharper detail. AcuPhoto Halftoning provides natural fleshtones and smooth gradations. Quick drying inks won't bleed or smudge.

Distinctive look makes it the perfect companion for your Macintosh.

Built-in USB, Mac serial, and parallel connectivity, connect to two computers at once. Supports optional cards for Ethernet, Fast Ethernet, LocalTalk, and Firewire (IEEE-1394) networks. Supports optional PostScript 3.

Prints on a wide range of media including letter size paper, index cards, envelopes, overhead transparencies, banners and transfer paper.

Handles heavy workloads.

EPSON ESC/P2*, IBM® X24E, optional Adobe PostScript 3

Software Driver

Macintosh System 7.5.1 or later, iMac
Windows 98, Windows 95, Windows 3.1x,
Windows NT 4.0x, Windows for Workgroups 3.1x,

Input Buffer

256 KB

Interface

USB, parallel interface (IEEE-1284); Macintosh compatible 8-pin mini-din serial interface (up to 1.8 Mbps maximum transfer rate)
Optional Type B interface

Print Direction

Bidirectional with logic seeking

Paper Handling

Single sheets	Letter, legal, A4, executive, statement from 3.5" x 3.5" to 8.5" x 44"
Thickness	.003" to .004"
Weight	17 to 24 lb
Types	Plain, bond, EPSON Photo Quality film, paper, transparencies, self-adhesive sheets, ink jet cards, banner paper, labels, envelopes, business card sheets and iron-on transfers
Envelopes	No. 10, DL, C6
Thickness	Less than .020"
Weight	12 to 20 lb
Types	Plain paper, bond paper, air mail

* Black text and color speed in Economy mode, color photo in Fine mode. Additional processing time varies based on system configuration, software application, and page complexity.

Printable Area

Maximum printable area: 8.26" x 10.76" (letter)
Top margin .12" Left margin .12"
Right margin .12" Bottom margin .12"

Paper Capacity

Input paper tray 100 sheets/10 envelopes
Output paper tray 30 sheets

Physical Characteristics (L x W x H)

18.4" x 11.65" x 12.8"
18.5 lb

Environmental Conditions

Temperature	
Operating	50° to 95° F (10° to 35° C)
Storage	-4° to 140° F (-20° to 60° C)
Humidity	
Operating	20 to 80% relative humidity
Storage	5 to 85% relative humidity (no condensation)

Safety Approvals

Safety Standards UL1950 with D3, CSA C22.2
No. 950 with D3
FCC Part 15 subpart B Class B, CSA C108.8 Class B
R.F.I.

Print Volume

Max. print load 5,000 pages-per-month
Total print volume 75,000 pages (letter or A4)

Power Requirements

Rated voltage	120V AC +/- 10%
Rated frequency	50 to 60Hz
Rated current	0.4 Amp
Power consumption	Approx. 18W (self test mode)

Ink Cartridge Life

Black ink life	1200 pages/A4 (ISO/IEC 10561 letter pattern); 840 pages at 5% coverage at 360 dpi
Color ink life	570 pages/A4 (5% coverage at 360 dpi)
Shelf life	Black: Three years from production Color: Two years from production

Product/Supplies Part Numbers

EPSON Stylus Color 900G	C265171
Black ink cartridge	T003011
Color ink cartridge	T005011

Warranty

Standard one year warranty including
EPSON Exchange program (U.S. and Canada only)
