

EPSON®

DAZZLING DETAIL AND STAND-OUT STYLE

Swift and whisper-quiet, the EPSON Stylus Color 880i offers phenomenal 2880 dpi resolution from a stylish color ink jet. With a sleek case design, this state-of-the-art performer is ideal for your Apple iMac or Power Mac G4 computer.

But, it's the printer's brilliant output that really makes a dazzling impression. With spectacular resolution and superfine, barely visible, 4-picoliter ink droplets, it delivers the most outstanding Photo Quality output in its class. Best of all, it speeds through each task, shooting out black text up to 12 ppm and color text and graphics up to 9 ppm.

An affordable, high performance ink jet, it creates commanding presentations, color photos, greeting cards, and more. EPSON Perfect Picture Printing is key to its success with award-winning Micro Piezo ink jet technology, smooth AcuPhoto Halftoning and convenient, quick-drying inks. Plus, a remarkably quiet print engine makes it one of our quietest ink jets ever.

A perfect value for your home, school, or office, the EPSON Stylus Color 880i delivers incredible results, quickly and quietly. And, with USB and parallel connectivity, it offers easy setup and seamless compatibility with any Macintosh or Windows system, making it the perfect choice for show-stopping color output from a stunning compact printer.

EPSON Stylus® Color 880i Ink Jet Printer

FEATURES

- **2880 x 720 dpi
Perfect Picture Printing**
- **Superior Photo
Quality color**
- **Ultra fast print speeds**
- **Whisper-quiet
print engine**
- **Stylish case design**
