

EPSON®

RICH COLOR AT AN AMAZING VALUE.

Compact, affordable, and very easy to use, the EPSON Stylus Color 580 delivers sharp, colorful home printing with Photo Quality 1440 dpi output. Featuring award-winning EPSON Micro Piezo ink jet technology and ultra small ink droplets, this family-friendly unit delivers great looking greeting cards, web pages, homework assignments, and reports on virtually any paper.

It speeds through each job, delivering black text at up to 6 ppm and color text and graphics at up to 2.5 ppm, so you won't be waiting around for important information to print. Its durable print head consistently delivers accurate dot placement while its separate black and color ink cartridges provide quick-drying, smudge-proof inks for vivid, 4-color output.

Easy for everyone in the family to use and maintain, the EPSON Stylus Color 580 offers convenient USB connectivity. Its printer software installs on most Windows or Macintosh systems through a simple, one-click process. You can control all printer functions and special features through the PC with easy-to-follow, on-screen instructions. The special ArcSoft PhotoPrinter 2000 software included offers a quick, fun way to edit or print photos in a variety of sizes.

For rich color results without breaking the bank, the EPSON Stylus Color 580 is the right choice.

EPSON Stylus® Color 580 Ink Jet Printer

FEATURES

- **1440 x 720 dpi resolution**
