EPSON®

BREAKTHROUGH SPEED AND VALUE BUILT-IN.

In printing, as in life, when you roll all sevens, you win. Especially if you make the winning decision to go with the EPSON Stylus Color 777 ink jet printer.

Not only does it give you fast print speeds and outstanding value, this printer also breaks the mold by delivering a whopping 2880 x 720 dpi of the most detailed and breathtaking color print results you can get.

With its innovative, compact design, its just right for your home or home office. Expect the EPSON Stylus Color 777 to rush you black text at up to 8 ppm and color at up to 6 ppm. Tiny, barely visible 4-picoliter ink droplets create sharp and colorful graphics and crisp, clean copy for just about anything you want to print. Home business documents, family color photos, personalized greeting cards, web sites—you name it.

For output this good, it's what's inside that counts. Like EPSON Perfect Picture Printing that provides award-winning Micro Piezo™ ink jet technology, smooth AcuPhoto Halftoning™ and convenient 4-color quick—drying inks that won't bleed or smudge.

You'll get even more value in the form of fun, useful and popular software programs like Corel® Print House™ 2000, EPSON Software™ Film Factory™ and Trellix Web™.

All that and 2880 dpi of beautiful print performance is yours when you bring home the EPSON Stylus Color 777 ink jet printer.

EPSON Stylus® Color 777 Ink Jet Printer
