

INSTALLATION DIMENSIONS

***NOTE:** The range hood chimneys are adjustable and designed to meet varying ceiling or soffit heights depending on the distance “X” between the bottom of the range hood and the cooking surface. For higher ceilings, a 39" (99.1 cm) Chimney Extension Kit Part Number W10197714 (Stainless Steel), is available from your dealer or an authorized parts distributor. The chimney extension replaces the upper chimney shipped with the range hood.

IMPORTANT:

Minimum distance “X”: 30" (76.2 cm)

Suggested maximum distance “X”: 36" (91.4 cm)

For vented installations, the chimneys can be adjusted for ceilings between 8' 4¼" (2.55 m) and 9' 3¼" (2.83 m).
