

The friendly user guide for

The Play Table

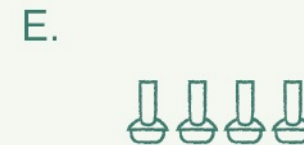

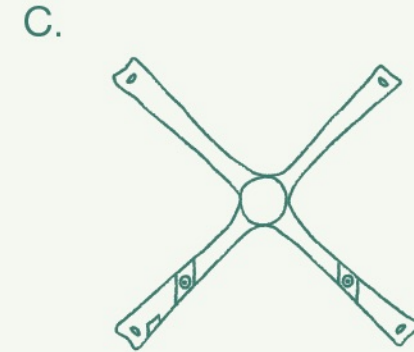

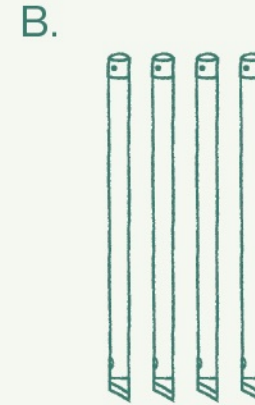

Need assistance? Watch the quick setup video.

What's included

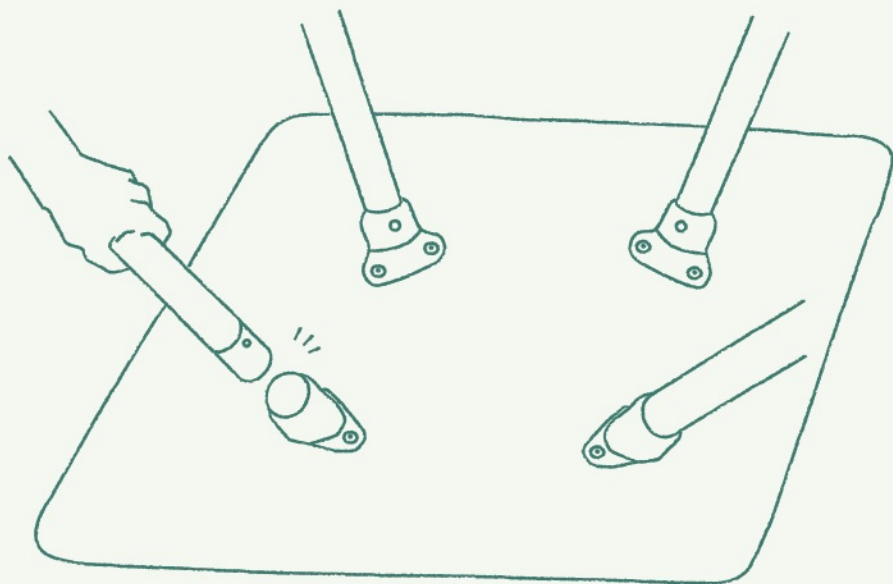

The Play Table

- A. Table
- B. Play table Legs (x4)
- C. Cross Bar
- D. Allen Key
- E. Bolts (x4)

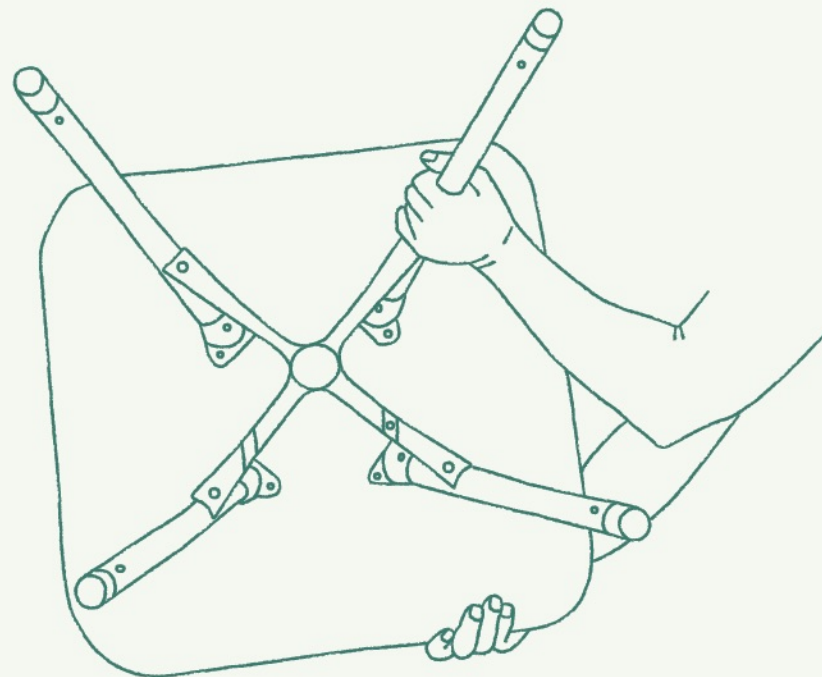

Step 1

Turn the table upside down and click the four legs into the base of the table.

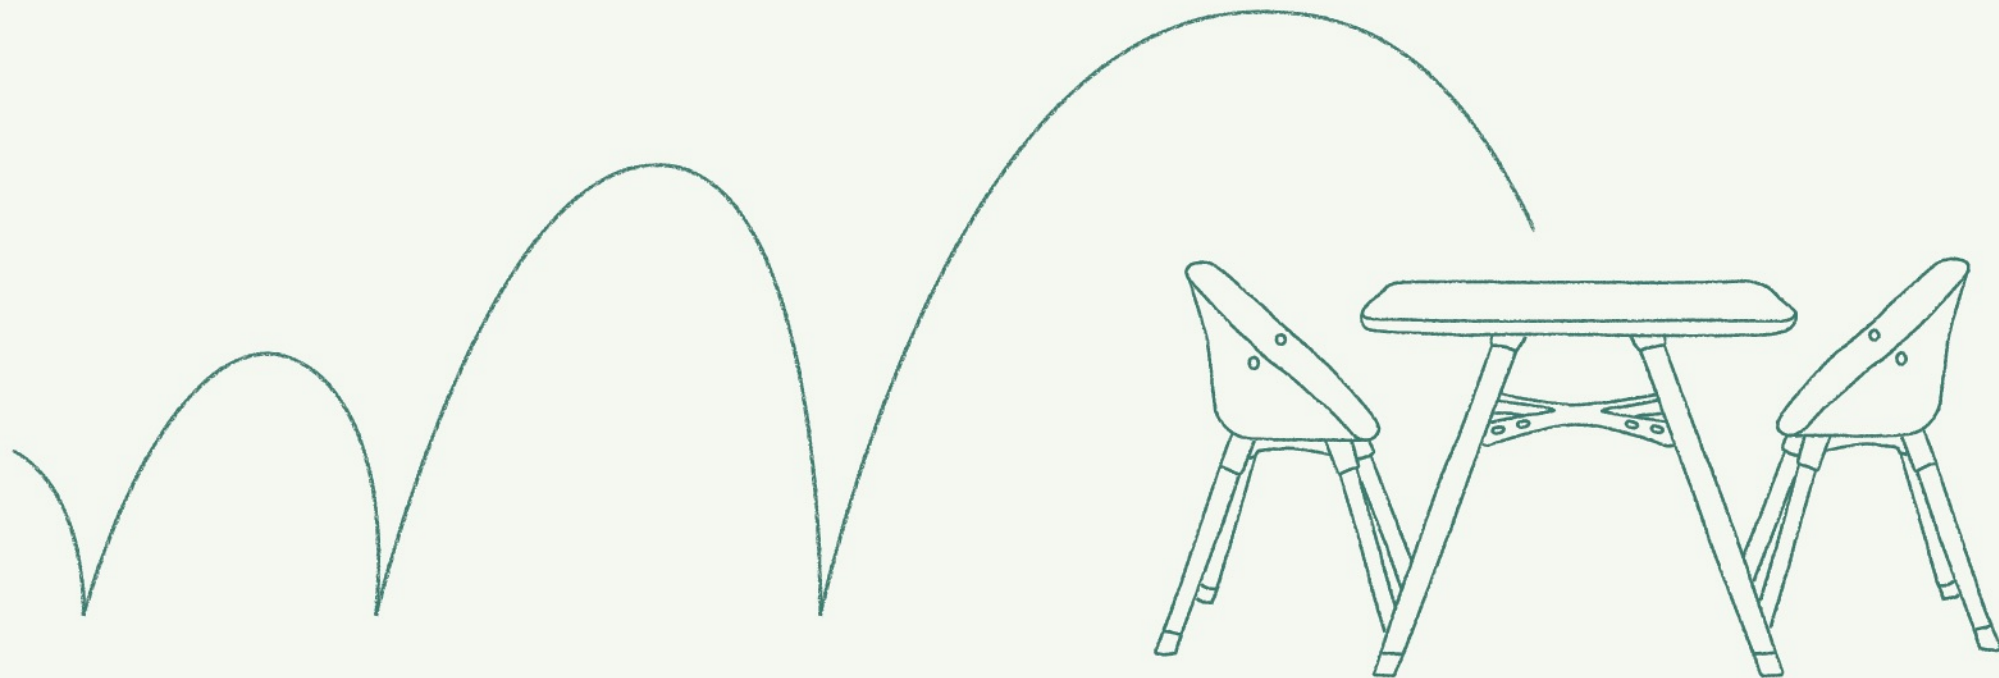

Step 2

Line up cross bar with the holes on the legs. Insert bolts and tighten each one a little at a time until they are secure.

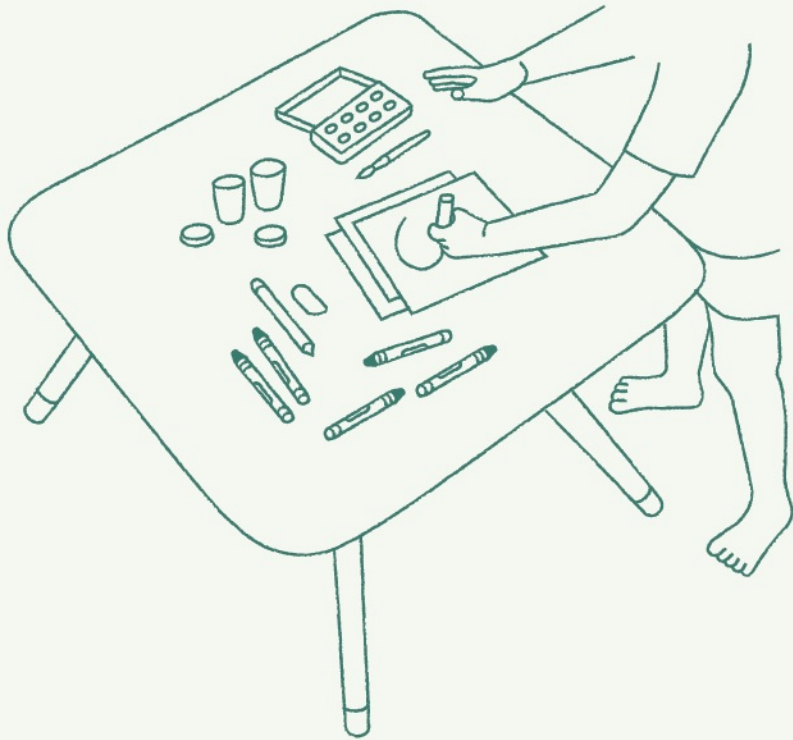

It's play time!

Don't stress the mess.

The Play Table is great for creating, learning and snacking. It helps unlock your little one's independence.

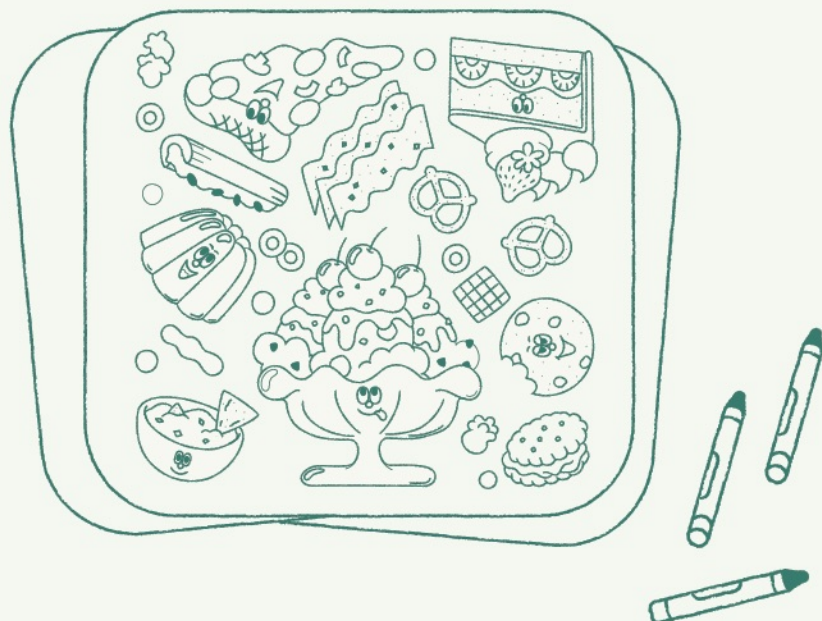

When the masterpiece gets too messy a wet cloth usually does the trick. For bigger messes use mild dish soap or a magic eraser. Do not use harsh chemicals.

A special offer for you.
