

Q75*
Q90*

1. Attaching the bracket to the cord.
2. Inserting the cord into the bracket.
3. Securing the bracket with a lock.

Diagram illustrating the three-step process of attaching the cable management bracket to the power cord:

1. Attaching the bracket to the cord.
2. Inserting the cord into the bracket.
3. Securing the bracket with a lock.

A callout shows the bracket being attached to the power cord.

A diagram of a whiteboard with a callout showing a cable management solution. The callout features a green arrow pointing to a black rectangular box labeled "CABLE MANAGEMENT" which is positioned over a cable on a whiteboard.
