Installation guide

Installing the Litter-Robot 4 Step

Most cats are able to enter Litter-Robot 4 without issue. An optional step is available for increased ease of entry. (Step mat included.)

You will need:

Phillips screwdriver

How to install

- Remove the waste drawer and the waste drawer liner. Turn the waste drawer over to view the bottom of the waste drawer.

- Use a Phillips screwdriver to remove the (4) screws holding the handle in place.

- Remove the handle.
- Position the step on the drawer and align the holes.

- Reinstall the (2) rear screws to secure the step.

- Install the (2) front screws in the outer holes labeled Step.

- Replace the waste drawer liner and slide the waste drawer closed. Press the Reset button ⓧ to zero the weight sensors.
