10. Product documentation

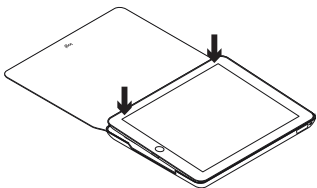

SETTING UP AND USING THE FOLIO WITH YOUR iPad

Setting up your folio

1. Open the folio and insert your iPad into the protective shell:

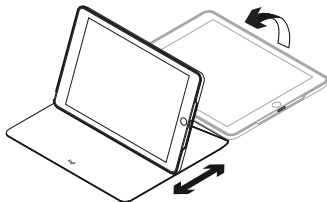

2. Push your iPad down:

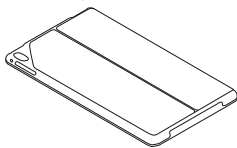

Using your iPad

Opening the folio wakes your iPad:

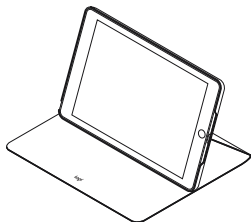

Closing the folio puts your iPad into sleep mode:

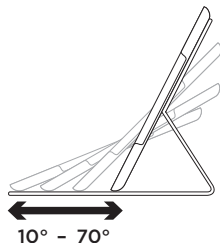

Two viewing positions

The folio provides two viewing positions—one for viewing media and another for browsing.

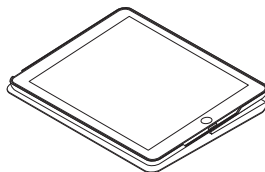

To view media, open your iPad:

In the viewing position you can adjust your iPad to any angle in the range 10° – 70° :

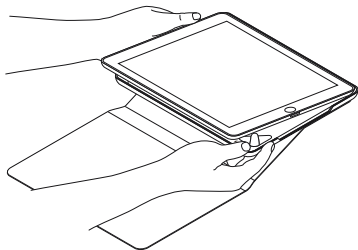

To browse, lie your iPad flat:

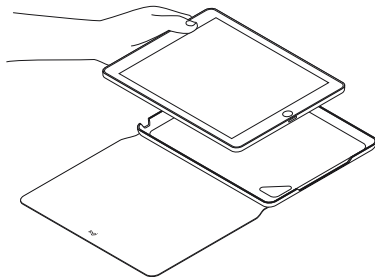

The browsing position lets you use your iPad easily with one hand.

Detaching your iPad

1. Push a finger through the hole in the back of the iPad holder to release your iPad:

2. Using your other hand, remove your iPad from the holder:

VISIT PRODUCT SUPPORT

There's more information and support online for your product. Take a moment to visit Product Support to learn more about your new Bluetooth keyboard.

Browse online articles for setup help, usage tips, and information about additional features. If your Bluetooth keyboard has optional software, learn about its benefits and how it can help you customize your product.

Connect with other users in our Community Forums to get advice, ask questions, and share solutions.

TROUBLESHOOTING

My iPad won't wake when I open the folio, and doesn't go into sleep mode when I close it.

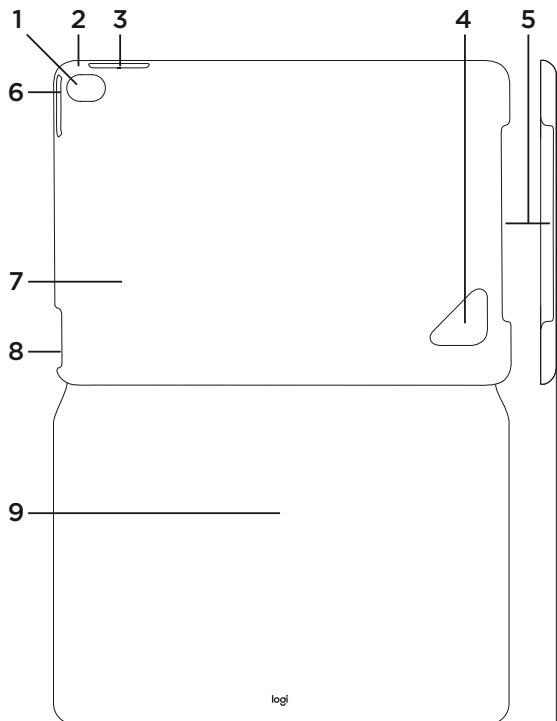

- Make sure your iPad is inserted in the iPad holder the right way round. When your iPad is inserted correctly, the camera on your iPad should be lined up with the camera access hole.

WHAT DO YOU THINK?

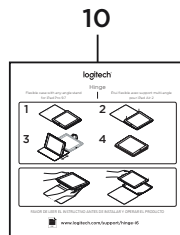

Please take a minute to tell us.
Thank you for purchasing our product.

EINRICHTEN UND VERWENDEN DES FOLIOS MIT DEM iPad

Einrichten Ihres Folios

1. Öffnen Sie das Folio und setzen Sie das iPad in die Schutzhülle ein.

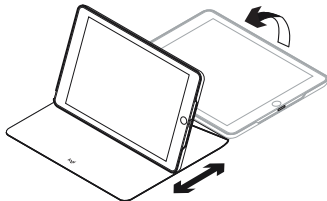

2. Drücken Sie das iPad nach unten.

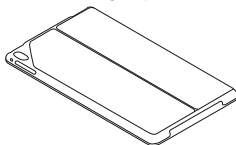

Verwenden Ihres iPads

Beim Öffnen des Folios wird Ihr iPad eingeschaltet.

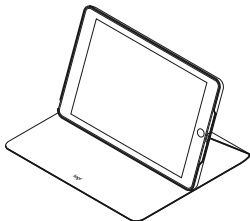

Beim Schließen des Folios wird Ihr iPad in den Energiesparmodus versetzt.

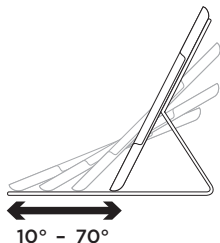

Zwei Blickwinkel

Das Folio ermöglicht zwei Blickwinkel – einen für die Medienwiedergabe und einen zum Surfen.

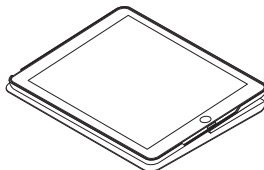

Öffnen Sie zur Wiedergabe von Medieninhalten Ihr iPad.

In dieser Position können Sie das iPad in einen beliebigen Blickwinkel im Bereich von 10° bis 70° einstellen:

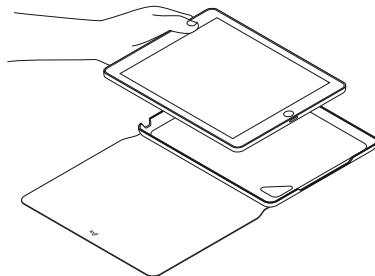

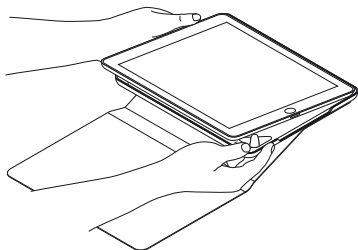

Legen Sie Ihr iPad zum Surfen flach vor sich hin.

In dieser Position können Sie das Gerät mühelos mit einer Hand bedienen.

Herausnehmen Ihres iPads

1. Drücken Sie einen Finger durch die Öffnung an der Rückseite der Halterung, um das Gerät freizugeben.
2. Ziehen Sie mit der anderen Hand Ihr iPad aus der Halterung heraus.

BESUCHEN SIE DEN SUPPORT

Hier erhalten Sie weitere Informationen und haben Zugriff auf den Online-Support für Ihr Produkt. Nehmen Sie sich einen Augenblick Zeit und besuchen Sie den Produktsupport, um mehr über Ihre neue Bluetooth-Tastatur herauszufinden.

Durchsuchen Sie Online-Artikel zur Unterstützung beim Einrichten, für Tipps zur Nutzung und für Informationen zu weiteren Funktionen. Wenn für die Bluetooth-Tastatur optionale Software verfügbar ist, können Sie hier herausfinden, wie Sie die Tastatur an Ihre Bedürfnisse anpassen und alle ihre Funktionen optimal nutzen können.

In unseren Community-Foren können Sie mit anderen Benutzern Kontakt aufnehmen und sich Tipps holen, Fragen stellen und Ihre Problemlösungen mit anderen teilen.

Der Produktsupport bietet ein umfangreiches Informationsangebot:

- Tutorials
- Fehlerbehebung
- Support-Community
- Online-Dokumentation
- Garantieinformationen
- Ersatzteile (falls verfügbar)

Besuchen Sie die Seite:

www.logitech.com/support/hinge-i6

FEHLERBEHEBUNG

Mein iPad schaltet sich beim Öffnen des Folios nicht ein und wird nicht in den Energiesparmodus versetzt, wenn ich es schließe.

- Vergewissern Sie sich, dass Ihr iPad richtig herum in der Halterung sitzt.

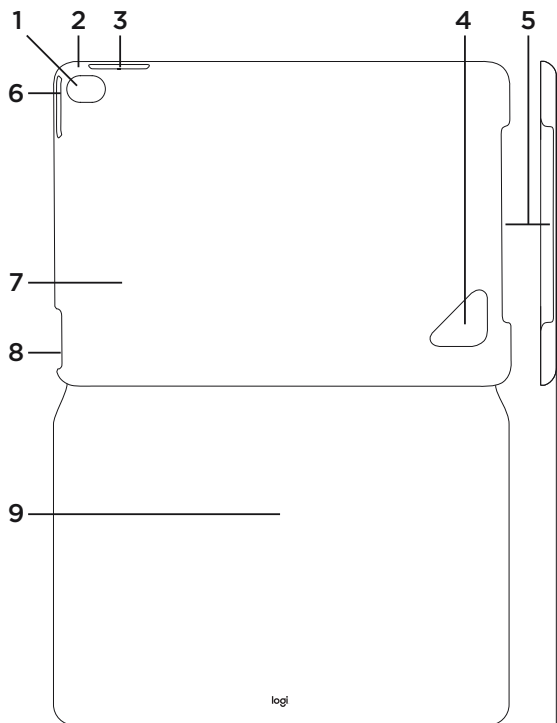

Bei richtiger Befestigung passt die Kamera Ihres iPads genau durch die Kameraöffnung der Halterung.

IHRE MEINUNG IST GEFRAGT.

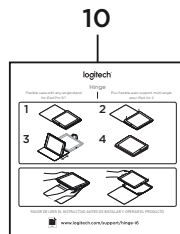

Bitte nimm Dir etwas Zeit, um einige Fragen zu beantworten. Vielen Dank, dass Sie sich für unser Produkt entschieden haben.

9. Étui de protection
10. Documentation sur le produit

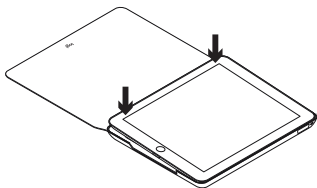

CONFIGURATION ET UTILISATION DE L'ÉTUI AVEC VOTRE iPad

Configuration de l'étui

1. Ouvrez l'étui et insérez votre iPad dans la coque de protection:

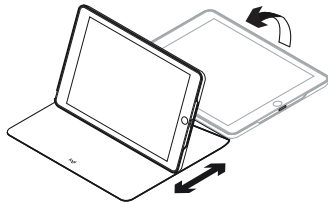

2. Appuyez sur l'iPad:

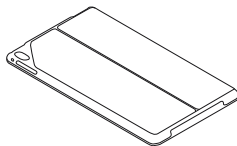

Utilisation de l'iPad

L'ouverture de l'étui sort votre iPad du mode veille:

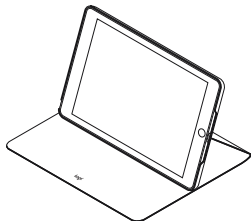

La fermeture de l'étui met votre iPad en mode veille:

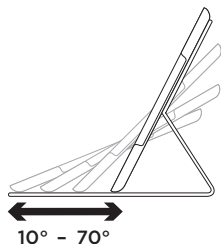

Deux positions de visualisation

L'étui offre deux positions de visualisation: une position de lecture et une position de navigation.

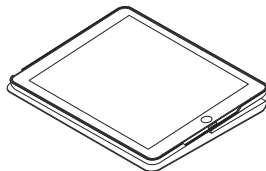

Pour regarder du contenu multimédia, ouvrez votre iPad:

La position de visionnage vous permet de placer votre iPad à un angle entre 10° et 70°:

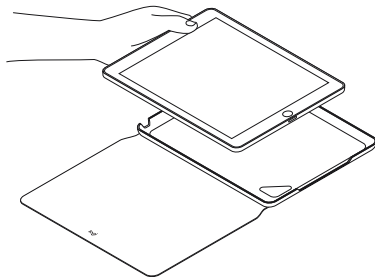

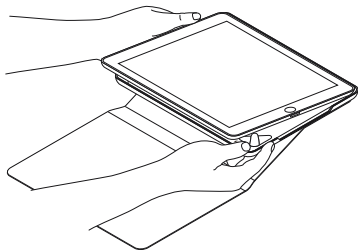

Pour naviguer, mettez votre iPad à l'horizontale:

La position de lecture vous permet d'utiliser votre iPad en ne vous servant que d'une seule main.

Retrait de l'iPad

1. Appuyez avec le pouce dans le trou situé à l'arrière du support afin de retirer votre iPad:
2. Retirez l'iPad du support à l'aide de votre autre main:

ASSISTANCE

Des informations et un support en ligne supplémentaires sont disponibles pour votre produit. Prenez le temps de visiter les pages d'assistance pour en savoir plus sur votre nouveau clavier Bluetooth.

Parcourez les articles en ligne pour obtenir de l'aide en matière de configuration, des conseils d'utilisation et des informations sur les fonctions supplémentaires. Si le clavier Bluetooth dispose d'un logiciel en option, prenez le temps de découvrir les avantages et possibilités que celui-ci vous offre pour personnaliser votre produit.

Connectez-vous avec d'autres utilisateurs sur les forums de la communauté pour demander des conseils, poser des questions et partager des solutions.

Les pages d'assistance vous offrent un large éventail de contenus:

- Didacticiels
- Dépannage
- Communauté d'entraide
- Documentation en ligne
- Informations sur la garantie
- Pièces de rechange (si disponibles)

Accédez à:

www.logitech.com/support/hinge-i6

DÉPANNAGE

Mon iPad reste en mode veille lors de l'ouverture de l'étui, et ne s'éteint pas lors de la fermeture de l'étui.

- Vérifiez que votre iPad est inséré dans le support pour iPad dans le bon sens.

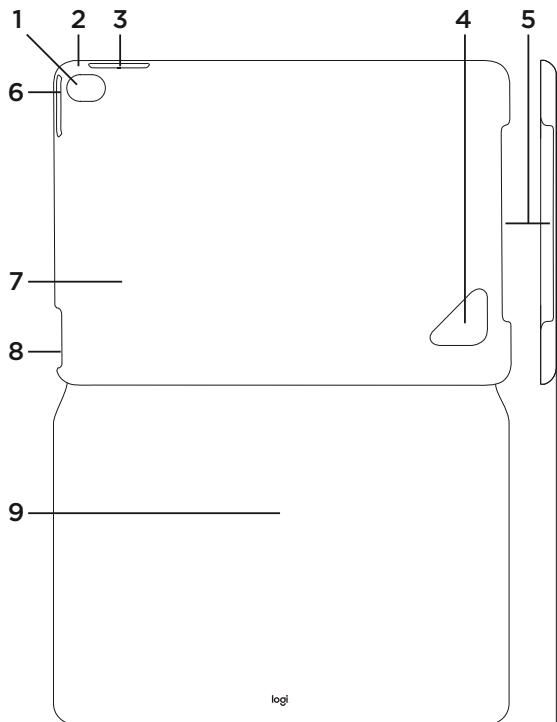

Lorsque votre iPad est correctement inséré, l'appareil photo doit être aligné sur le trou correspondant.

QU'EN PENSEZ-VOUS?

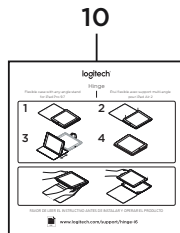

Veuillez prendre quelques minutes pour nous faire part de vos commentaires. Nous vous remercions d'avoir acheté notre produit.

PANORAMICA DEL PRODOTTO

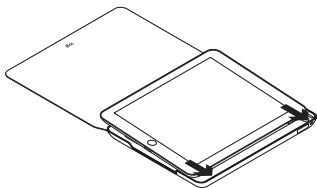

1. Fotocamera con flash LED
2. Foro per il microfono
3. Intaglio per accesso ai controlli del volume
4. Foro per rimozione
5. Intaglio per accesso alla porta di ricarica e agli altoparlanti
6. Intaglio per accesso al pulsante di accensione/ spegnimento
7. Supporto per iPad
8. Intaglio per accesso alla presa delle cuffie
9. Custodia protettiva ripiegabile
10. Documentazione del prodotto

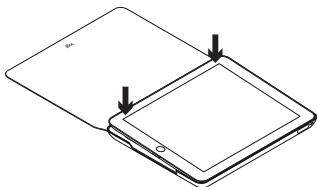

INSTALLAZIONE E UTILIZZO DI FOLIO CON L'iPAD

Installazione di Folio

1. Aprire la cover e inserire l'iPad al suo interno:

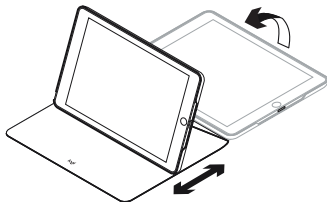

2. Premere l'iPad verso il basso:

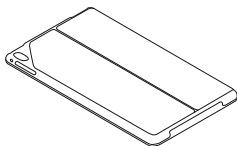

Utilizzo dell'iPad

Quando si apre Folio, l'iPad viene attivato:

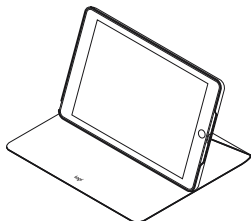

Quando si chiude la custodia, viene attivata la modalità di sospensione dell'iPad:

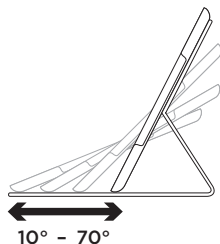

Due posizioni di utilizzo

Folio fornisce due posizioni di utilizzo, una per applicazioni multimediali e una per la navigazione.

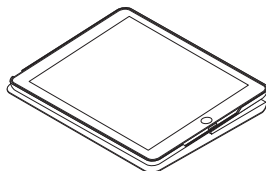

Per visualizzare file multimediali, aprire l'iPad:

La posizione per la visualizzazione consente di collocare l'iPad in una qualsiasi angolazione compresa tra 10° e 70°:

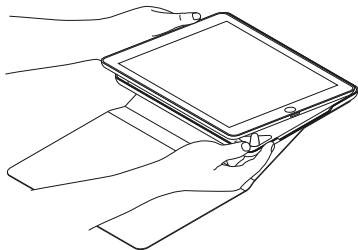

Per la navigazione, posizionare l'iPad parallelamente alla superficie di appoggio:

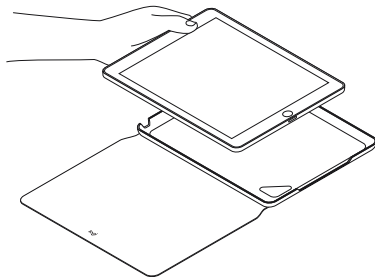

La posizione per la navigazione consente di utilizzare facilmente l'iPad con una sola mano.

Rimozione dell'iPad

1. Premere con un dito attraverso il foro presente nella parte posteriore del supporto dell'iPad per sganciarlo:

2. Utilizzando l'altra mano, rimuovere l'iPad dal supporto:

CONSULTAZIONE DEL SUPPORTO PRODOTTO

Online sono disponibili ulteriori informazioni e il supporto per il prodotto. Per ulteriori informazioni sulla nuova tastiera Bluetooth, visitare la sezione del supporto tecnico.

Per la guida alla configurazione, consigli sull'utilizzo o informazioni su funzionalità aggiuntive, consultare gli articoli online. Se la tastiera Bluetooth dispone di software opzionale, qui è possibile apprendere come sfruttare al meglio le potenzialità del prodotto e personalizzarlo.

Per consigli, domande e soluzioni, è inoltre possibile connettersi con altri utenti tramite i forum della community Logitech.

Nella sezione Supporto tecnico, è disponibile un'ampia selezione di contenuti:

- Esercitazioni
- Risoluzione dei problemi
- Community di supporto
- Documentazione online
- Informazioni sulla garanzia
- Parti di ricambio (se disponibili)

Visitare l'indirizzo:

www.logitech.com/support/hinge-i6

RISOLUZIONE DEI PROBLEMI

L'iPad non si attiva quando apro Folio e non viene attivata la modalità di sospensione quando lo chiudo.

- Verificare che l'iPad sia inserito nel senso giusto nell'apposito supporto.

Se l'iPad è inserito correttamente, la fotocamera deve essere allineata con il relativo foro di accesso.

5. Borde recortado para acceso a puerto de carga y altavoces
6. Borde recortado para acceso a botón de encendido/apagado
7. Soporte para iPad
8. Borde recortado para acceso a toma de auriculares
9. Folio protector
10. Documentación del producto

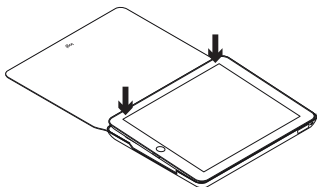

PREPARACIÓN Y USO DEL FOLIO CON EL iPad

Preparación del folio

1. Abre el folio e inserta el iPad en la carcasa protectora:

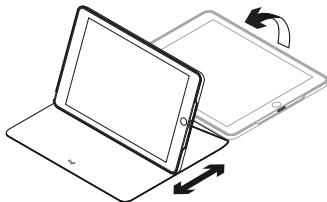

2. Empuja el iPad hacia abajo:

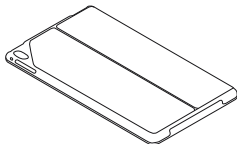

Uso del iPad

Al abrir el folio, se activa el iPad:

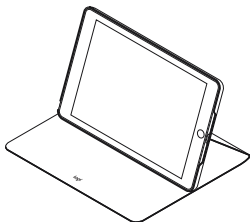

Al cerrar el folio, el iPad pasa al modo de suspensión:

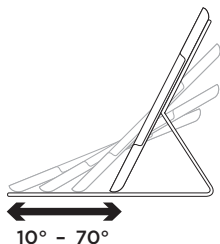

Dos opciones de colocación

El folio proporciona dos opciones de colocación: una para escribir y otra para explorar.

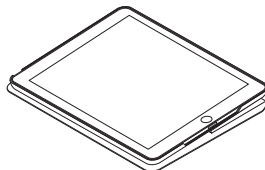

Para ver contenido multimedia, abre el iPad:

En la posición de visualización se puede ajustar el iPad al ángulo que resulte más cómodo, de 10° a 70°:

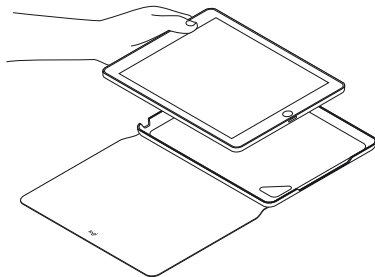

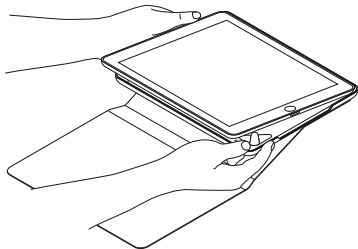

Para navegar, coloca el iPad en una superficie plana:

La posición de exploración permite usar fácilmente el iPad con una mano.

Desacoplar el iPad

1. Empuja con un dedo a través del orificio en la parte posterior del soporte para iPad para liberar el iPad:
2. Con la otra mano, retira el iPad del soporte:

VISITA ASISTENCIA AL PRODUCTO

Encontrarás más información y asistencia online para tu producto. Dedica un momento a visitar la sección de asistencia al producto para averiguar más sobre tu nuevo teclado Bluetooth.

Lee artículos online y encuentra información y ayuda sobre configuración, consejos de uso y funciones adicionales. Si el teclado Bluetooth tiene software adicional, descubre sus ventajas y cómo puede ayudarte a personalizar tu producto.

Ponte en contacto con otros usuarios en nuestros Foros de comunidad para obtener consejos, realizar preguntas y compartir soluciones.

Allí encontrarás una amplia selección de contenido:

- Ejercicios de aprendizaje
- Resolución de problemas
- Comunidad de asistencia
- Documentación online
- Información de garantía
- Piezas de repuesto
(cuando estén disponibles)

Ve a:

www.logitech.com/support/hinge-i6

RESOLUCIÓN DE PROBLEMAS

El iPad no se activa al abrir el folio, y no pasa al modo de suspensión al cerrarlo.

- Asegúrate de que has insertado el iPad en el soporte para iPad de la forma correcta.

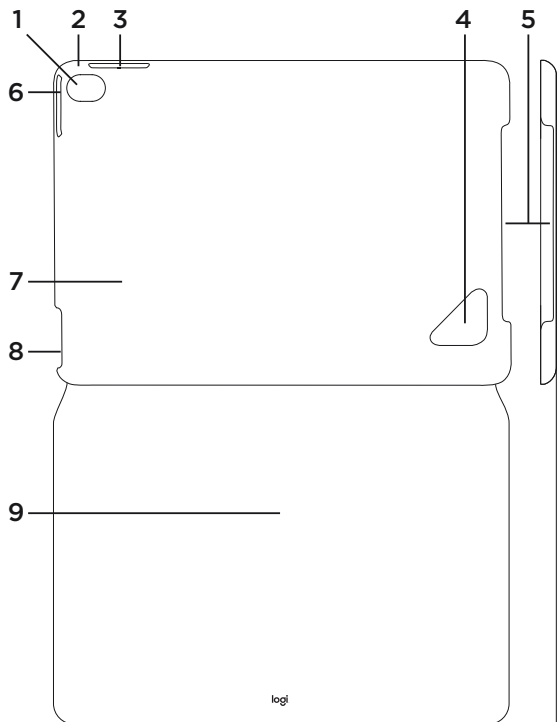

Si el iPad está insertado correctamente, la cámara del iPad estará alineada con el orificio para la cámara.

¿CUÁL ES TU OPINIÓN?

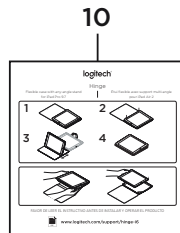

Nos gustaría conocerla, si puedes dedicarnos un minuto. Te agradecemos la adquisición de nuestro producto.

WWW.LOGITECH.COM/ITHINK

CONHECER O PRODUTO

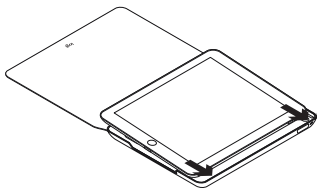

1. Câmera com LED flash
2. Orifício do microfone
3. Reentrância para acesso aos controles de volume
4. Orifício de liberação
5. Reentrância para acesso à porta de carregamento e aos alto-falantes
6. Concebido para ter acesso aos botões de lig/desl
7. Suporte iPad
8. Concebido para ter acesso à entrada do fone de ouvido
9. Fólio protetor
10. Documentação do produto

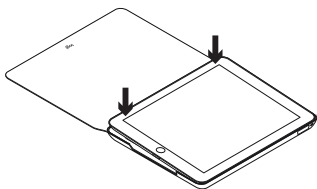

CONFIGURAR E USAR O FÓLIO COM O iPad

Configurar o fólio

1. Abra o folio e introduza o iPad no estojos protector:

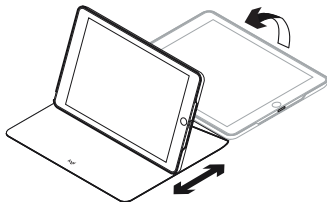

2. Empurre o iPad para baixo:

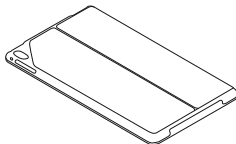

Usar o iPad

Abrir o fólio desperta o iPad:

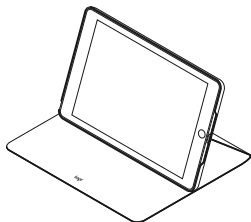

Fechar o folio coloca o iPad em modo de suspensão:

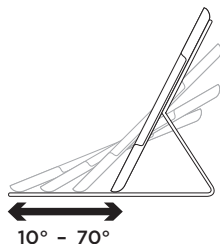

Duas posições de visualização

O fólio oferece duas posições de visualização — uma para exibir mídia, a outra para navegar.

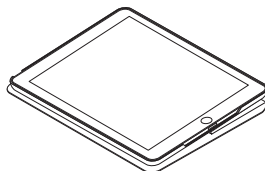

Para visualizar os conteúdos multimídia, abra o iPad:

Na posição de visualização, pode ajustar o iPad para qualquer ângulo no intervalo entre 10° – 70°:

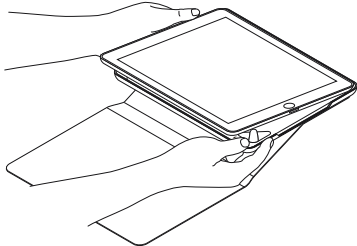

Para navegar, coloque o iPad deitado na horizontal:

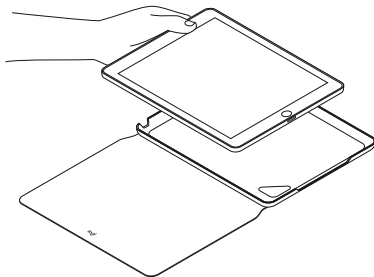

A posição de navegação permite uma utilização simples do iPad com uma mão.

Remover o iPad

1. Introduza um dedo através do orifício no verso do suporte do iPad para soltá-lo:

2. Com a outra mão, remova o iPad do suporte:

VISITE A PÁGINA SUPORTE AO PRODUTO

Mais informações e suporte estão disponíveis on-line para o produto. Reserve algum tempo para visitar o Suporte do produto e conhecer melhor o seu novo teclado Bluetooth.

Procure artigos on-line para obter ajuda de configuração, dicas de uso e informações sobre recursos adicionais. Se o teclado Bluetooth tiver software opcional, saiba quais são seus benefícios e como ele pode ajudar você a personalizar o produto.

Comunique-se com outros usuários em nossos fóruns da comunidade para obter conselhos, fazer perguntas e compartilhar soluções.

Na página de suporte de produtos, você irá encontrar uma variada seleção de conteúdo, incluindo:

ЗНАКОМСТВО С ПРОДУКТОМ

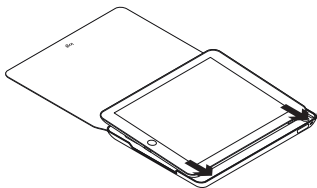

1. Камера со светодиодной вспышкой
2. Отверстие для микрофона
3. Прорезь для доступа к регуляторам громкости
4. Отверстие для извлечения iPad
5. Прорезь для доступа к порту и динамикам
6. Прорезь для доступа к кнопке включения и выключения
7. Держатель iPad
8. Прорезь для доступа к разъему наушников
9. Защитный чехол-книжка
10. Документация пользователя

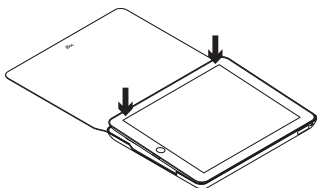

ПОДГОТОВКА К РАБОТЕ И ИСПОЛЬЗОВАНИЕ ЧЕХЛА-КНИЖКИ С iPad

Подготовка чехла-книжки к работе

1. Откройте чехол-книжку и вставьте в нее iPad.

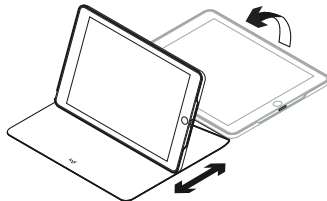

2. Слегка нажмите на iPad.

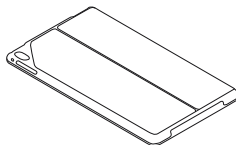

Использование iPad

При открытии чехла-книжки iPad выходит из режима сна.

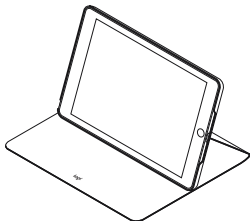

Заккрытие чехла-книжки переводит iPad в режим сна.

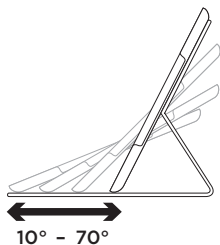

Два рабочих положения

В чехле-книжке предусмотрено два рабочих положения: одно для просмотра мультимедиа, другое для работы с документами и файлами.

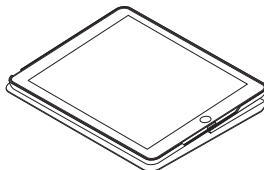

Для просмотра мультимедиа откройте iPad.

В этом положении для просмотра вы можете разместить iPad под любым, наиболее удобным для вас углом (в диапазоне 10° — 70°).

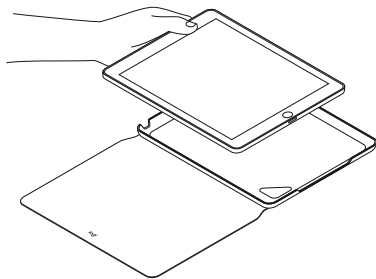

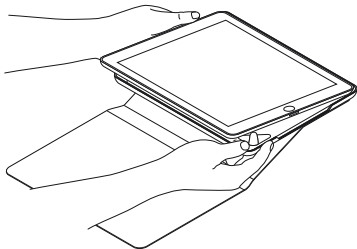

Для работы с документами и файлами разместите iPad горизонтально.

Это положение позволяет легко управлять устройством iPad с помощью одной руки.

Извлечение iPad

1. Надавите на iPad пальцем через отверстие на задней панели держателя, чтобы извлечь устройство.
2. Другой рукой выньте iPad из держателя.

ПОСЕТИТЕ РАЗДЕЛ ТЕХНИЧЕСКОЙ ПОДДЕРЖКИ

Здесь содержатся дополнительные сведения о вашем продукте и информация о его поддержке. Посетите раздел технической поддержки, чтобы больше узнать о новой клавиатуре Bluetooth.

Ознакомьтесь с онлайн-статьями, чтобы получить помощь по установке, воспользоваться советами и сведениями о дополнительных функциях. Если для вашей клавиатуры Bluetooth есть дополнительное программное обеспечение, узнайте о его преимуществах и о предоставляемых возможностях по настройке продукта.

Пообщайтесь с другими пользователями на форумах сообщества, чтобы получить совет, задать вопрос и поделиться способом решения проблемы.

В разделе технической поддержки имеется обширный набор следующих материалов:

www.logitech.com/support/hinge-i6

СОВЕТЫ ПО УСТРАНЕНИЮ НЕПОЛАДОК

iPad не выходит из режима сна при открытии чехла-книжки и не переходит в режим сна при его закрытии.

– Убедитесь, что iPad правильно вставлен в держатель.

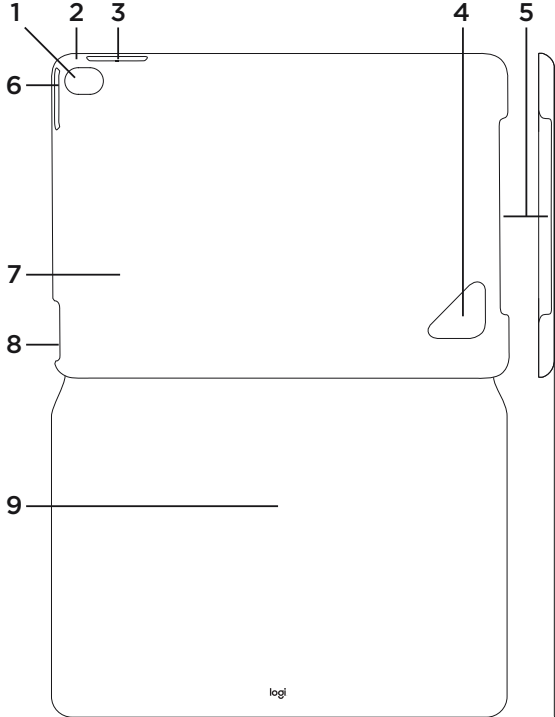

Если iPad вставлен правильно, его камера располагается напротив отверстия для камеры.

제품 설명

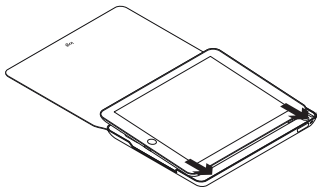

1. 플래시 LED가 있는 카메라
2. 마이크 구멍
3. 볼륨 컨트롤에 액세스할 수 있는 홈
4. 분리 구멍
5. 충전 포트 및 스피커에 액세스할 수 있는 홈
6. 켜기/끄기 버튼에 액세스할 수 있는 홈
7. iPad 홀더
8. 헤드폰 소켓에 액세스할 수 있는 홈
9. 보호 폴리오
10. 제품 설명서

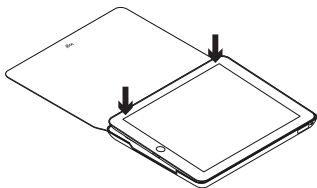

iPAD에서 폴리오 설정 및 사용

폴리오 설정

1. 폴리오를 열고 iPad를 보호 커버에 삽입합니다.

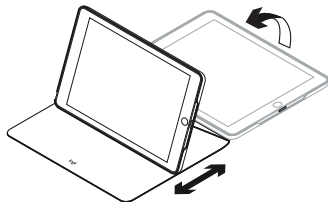

2. iPad를 아래로 밀어 넣습니다.

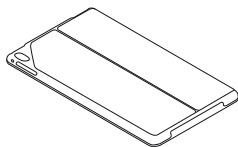

iPad 사용

폴리오를 열면 iPad가 켜집니다.

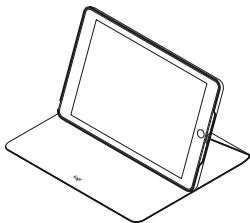

폴리오를 닫으면 iPad가 슬립 모드로 전환됩니다.

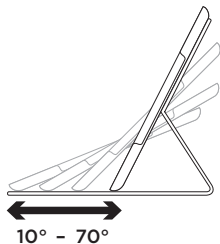

두 가지 보기 위치

폴리오는 미디어 감상과 탐색용의 두가지
뷰를 제공합니다.

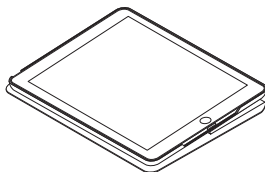

미디어를 보려면 iPad를 엽니다.

보기 위치에서 10° - 70° 범위 내의 어느
각도로든 iPad를 조절할 수 있습니다.

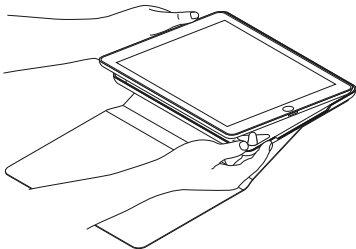

탐색하려면 iPad를 평평하게 놓습니다.

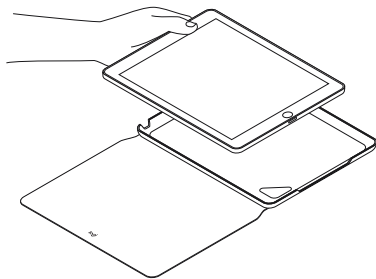

탐색 위치에서는 한 손으로 손쉽게 iPad를
사용할 수 있습니다.

iPad 분리

1. iPad 홀더 뒷면에 있는 구멍에 손가락을 넣어 iPad를 분리합니다.

2. 다른 손으로 홀더에서 iPad를 꺼냅니다.

온라인 지원

온라인상에서 제품에 대한 추가 정보와 지원을 확인할 수 있습니다. 제품 지원에는 새로운 블루투스 키보드에 관한 자세한 내용이 나와 있습니다.

설정 도움말, 사용 팁 및 추가 기능에 관한 정보를 온라인으로 찾아볼 수 있습니다. 사용 중인 블루투스 키보드에 옵션 소프트웨어가 있는 경우, 해당 소프트웨어의 이점과 소프트웨어를 사용한 제품 커스터마이징 방법을 알아 보십시오.

Community Forums에서 다른 사용자와 교류하면서 질문과 조언을 교환하고 솔루션을 공유할 수 있습니다.

제품 지원에서는 다음을 비롯한 폭넓은 내용을 선택할 수 있습니다.

- 사용 지침
- 문제 해결
- 지원 커뮤니티
- 온라인 문서
- 보증 정보
- 예비 부품(해당되는 경우)

이동:

www.logitech.com/support/hinge-i6

문제 해결

폴리오를 열어도 iPad가 켜지지 않고 닫아도 슬립 모드로 전환되지 않습니다.

- iPad를 iPad 홀더에 제대로 삽입했는지 확인하십시오.

iPad가 올바르게 삽입되면 iPad의 카메라가 카메라 액세스 구멍과 일렬로 맞춰집니다.

어떻게 생각하십니까?

의견을 알려 주십시오.

로지텍 제품을 구입해 주셔서 감사합니다.
