Para agregar peces: Permita que su sistema funcione durante al menos unas horas y de preferencia 24 horas antes de que agregue algún pez. Comience con sólo 1-2 peces. Agregue más peces gradualmente en un periodo de 4-6 semanas. Si tiene preguntas o faltan piezas, llame a Atención al Cliente al (800) 322-1266.

Ajout des poissons: Laisser fonctionner le système pendant 24 heures avant d'ajouter des poissons. Commencer avec 1 ou 2 poissons, puis en ajouter graduellement pendant une période allant de 4 à 6 semaines. Certains poissons requièrent un chauffe-eau. Questions ou pièces manquantes? Communiquer avec le Service à la clientèle au: 1 800 322-1266.
