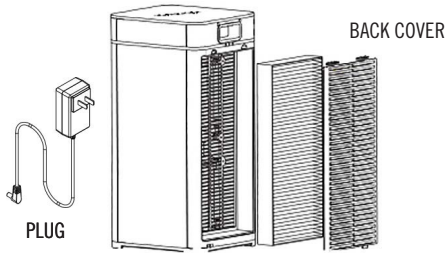
Phone: (888) 258-1008 Email: info@medifyair.com

FAQs: Visit our help center at medifyair.com/pages/faq for common questions and tips.

GETTING STARTED

In order to avoid any damage to you, others, or property, read and follow the below safety precautions:

PACKAGE CONTENTS

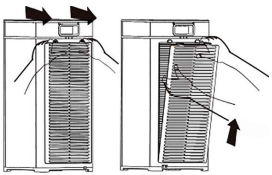


BEFORE POWERING THE UNIT ON

Remove all package contents from box and open the filter compartment. The plastic packaging around the pre-installed filter must be removed prior to powering on the unit. Do not run the unit without a filter.

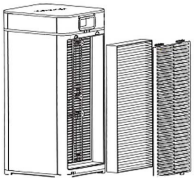
INSTALLING THE FILTER

1. Place the unit in a dry location and on a flat surface.

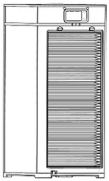


2. Press the tabs on the back cover and pull on the cover. Then lift the back cover and pull out slightly.

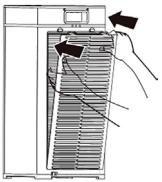
To purchase genuine Medify replacement filters, visit https://go.medifyair.com/MA40Filter



3. Remove the filter and remove all plastic packaging.



4. Place the filter back in the air purifier with the white side facing out towards you. The tab at the top of the filter should be facing you.



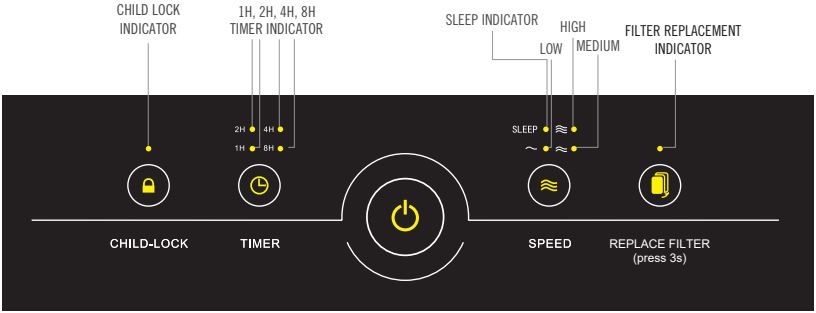
5. Replace the back cover.

ATTENTION

Remove all plastic packaging from the filter before installing it.
DO NOT run the air purifier if there is no filter installed.
Please be careful when installing the cover. Watch your hands.

To purchase genuine Medify replacement filters, visit https://go.medifyair.com/MA40Filter

CONTROL PANEL



HOW TO USE

This air purifier is used to remove airborne contaminants from the indoor air in a particular area which could be potentially harmful to breathe.

BEFORE TURNING THE UNIT ON

- Take the air purifier out of the box and remove the clear protective plastic bag.
- Place the air purifier on a firm, leveled surface.
- Plug the power cord into a standard AC outlet. After plugging it in, the air purifier will beep. All the indicator lights will flash 1 time, including the power light indicator. Then, the unit will enter standby mode.

POWER BUTTON AND FAN SPEED SETTINGS

- To turn the air purifier on, press the power button.
- The unit will start working in low speed. Press the button again so the machine stops and enters standby mode.
- The air purifier has 3 fan speed settings: low, medium, and high. The higher the fan speed setting, the faster the air will be purified. To select or change fan speed, press the fan speed button until the desired setting is reached. Sleep mode is also available and will operate on the low fan speed setting and dim the lights.

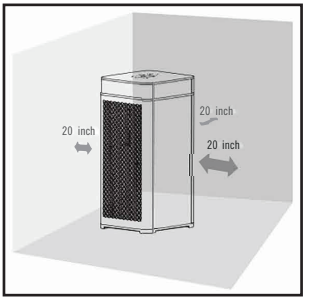
TIMER

Press the timer button and choose your preferred hour option: 1, 2, 4, 8 or no timer.

CHILD-LOCK BUTTON

In this mode, none of the function keys can be used or changed (except the child lock function). To turn on the child lock, hold the button down for 3 to 5 seconds. To turn off the child lock function, hold the button down for 30 to 45 seconds.

PLACEMENT



Do not obstruct the air intake or the clean air outlet. Make sure there is AT LEAST a 20-inch (50 cm) distance between the air inlet and the wall or nearby furniture. This will ensure proper performance.

CLEANING INSTRUCTIONS

- Do not clean your air purifier with water, liquids or harsh chemicals
- Unplug your air purifier prior to cleaning
- Wipe the outside of the purifier with a soft cloth to remove dust
- Wipe or vacuum the inside of the purifier to remove excess dust or large particles
- Your air purifier should be cleaned at least once every 6-8 weeks to maintain optimal efficiency, or more often as needed based on environmental conditions and visual particle buildup.
- Do not clean your HEPA filter or carbon filter. Replace filters in accordance with the instructions provided within this manual.
- Use PPE (gloves and N95 mask) when cleaning your air purifier and replacing filters.

DISPOSAL INSTRUCTIONS

Please contact customer service for device and filter disposal instructions.

FILTER REPLACEMENT

LIGHT INDICATOR TO REPLACE THE FILTER

The unit will remind the user when the filter needs to be replaced. To know how to replace the filters, go to pages 3-4. Filters should be replaced every 2,500 hours of use. The filter indicator light will let you know when you have reached that time.

MAINTENANCE

Removing dust and particle buildup within the purifier during filter replacement is recommended. Please refer to Cleaning Instructions on page 6.

GENUINE MEDIFY AIR FILTERS

For optimal performance and quality it is recommended to use GENUINE MEDIFY REPLACEMENT FILTERS. To purchase genuine Medify replacement filters, visit https://go.medifyair.com/MA40Filter.

PLEASE READ AND SAVE THESE SAFETY INSTRUCTIONS

IN ORDER TO AVOID ANY DAMAGE TO YOU, OTHERS OR PROPERTY, FOLLOW THE FOLLOWING SAFETY PRECAUTIONS:

IF THE POWER CORD OR UNIT DOES NOT WORK, CONTACT MEDIFY CUSTOMER SERVICE IMMEDIATELY.

READ ALL INSTRUCTIONS BEFORE USING.

WARNING — TO REDUCE THE RISK OF BURNS, FIRE, ELECTRIC SHOCK, OR INJURY TO PERSONS:

- Unplug or disconnect the air purifier from the power supply if the plug is not working.
- Warning - This appliance has a polarized plug (one blade is wider than the other). In order to fully fit it in the outlet, please reverse the plug. If it still does not fit, kindly contact a qualified electrician, do not attempt to modify this safety feature.
- DO NOT touch the power plug with wet hands.
- Turn off the power before cleaning the unit.
- Prohibited use beyond power. Can only use a 220v unit with a 220v power supply. Can only use a 110v unit with a 110v power supply. You can break or ruin the circuit boards if you plug a 110v plug into a 220v power supply.
- DO NOT take apart or modify the unit without authorization.
- BEFORE USING THIS PRODUCT, PLEASE MAKE SURE TO REMOVE THE PLASTIC COVERING FROM ALL FILTERS

If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid any type of hazard. This appliance can be used by children aged from 8 years and above and people with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning the use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and maintenance of the unit shall not be made by children without supervision. Prior to cleaning or doing any type of maintenance, the appliance must be disconnected from the supply.

WARRANTY INFORMATION

All names and trademarks are the property of Medify Air. Our company reserves the right to change the product at any time, without prior notice, and the company has no obligation to adjust any products supplied earlier. Please refer to the detailed warranty terms below or contact customer service with any questions. To register for the Limited Lifetime Warranty, please complete the virtual form available on our website within 30 days of purchase: medifyair.com/pages/lifetime-warranty.

LIMITED LIFETIME WARRANTY

Medify Air guarantees your Medify air purifier to be free of defects in material or workmanship for the life of the product, provided you complete your warranty registration within the first 30 days of purchase. Within those 30 days, Medify Air will replace the air purifier at no charge to you and reimburse you for any shipping charges.

After 30 days, Medify Air's obligation and liability under the Limited Lifetime Warranty is dependent on your air purifier being operated per this manual. As long as you follow the guidance outlined then Medify Air will replace your original unit. Prohibited use that causes the product not to function properly will void this warranty.

The Limited Lifetime Warranty remains in effect as long as:

1. You complete your warranty registration for your air purifier within 30 days of purchase.
2. You use the correct power supply and operate the purifier in accordance with this product manual.
3. There is no evidence of tampering, mishandling, neglect, accidental damage, modification, and /or repair done to the purifier by another other than authorized Medify Air service personnel.
4. The Limited Lifetime Warranty is non-transferable and excludes gifts or donations.

This Limited Lifetime Warranty is provided by:

Medify Air
150 E Palmetto Park Road, Suite 200
Boca Raton, FL 33432
