Link to Amazon Alexa

Go to **User-> Amazon Alexa** and allow Meross to link with Alexa.

Link to Google Assistant

Go to **User-> Google Assistant** and allow Meross to link with Google Assistant.

■ **FAQ**

At Meross, we strive to assure your satisfaction. Attached below is a

non-exhaustive list of questions that users are mostly concerned about.

1. What devices can I control with Meross smart plug?

You can control lights, fans, humidifiers, portable heaters, and other small appliances that are in conformity with the specifications of the smart plug, i.e. up to 13A/ 16A/ 10A/ 15A/ 16A output for UK/ EU/ AU/ US/ FR appliances, respectively.

2. What should I do when the LED turns solid red?

You can troubleshoot the following:

- Check if your home Wi-Fi is working properly.

- Make sure that you have disabled access control in your router and that the smart plug is not blocked by the router's firmware.
- Factory reset your Meross smart plug and try to add it again.
