

User Manual

■ **Safety Information**

1. It is recommended that this device is used indoors in a dry location only.
2. Use the device within its rated power included in the product specifications on the package.
3. Make sure the device is fully plugged in and kept out of reach of children for safety concern.
4. Please do not disassemble the device, otherwise there may be product damage or security risks.
5. Most accidents resulting from electric tool operation and maintenance are caused by the failure to observe basic safety rules or precautions. Therefore, please read and understand all the safety precautions.
6. Please contact seller for replacement in the event of freight damages.

■ **Installation Guide**

1. **Download the Meross app.**

2. Plug MSS425F into an outlet near main Wi-Fi.*

* Proximity to main Wi-Fi is required only during the initial setup process.

* MSS425F only supports 2.4GHz networks.

3. Set up the device.

1. Connect your smartphone or tablet to a 2.4 GHz Wi-Fi network.
2. Make sure your smart device is covered by strong Wi-Fi signal.
3. The smart device supports iOS 13/ iPadOS 13 and later. It is recommended that you upgrade your iOS or iPadOS to

the latest version before pairing with the smart device.

4. Launch the Meross app and log in to your account, or if you are a new user, tap Sign up to create a new account.
5. Tap the “+” icon to select the type of smart device you want to add, then you can just follow the setup wizard to finish configuration.
6. Relocation of the smart device does not require additional operations provided that it remains on the same network with strong Wi-Fi signal.

NOTE:

1. If this is not the first time you've added this smart device, you'll have to reset it before going any further.
2. As long as you finish configuration, you'll be able to manage the device in Apple Home app.
3. If the QR code does not work, please try to add the smart device in Apple Home app.

■ LED and Button Rules

■ **Link Meross to Google Assistant or Amazon Alexa**

Set up the device in the Meross app and link it to the voice assistants.

Link to Amazon Alexa

Go to **Account-> Amazon Alexa** and allow Meross to link with Alexa.

Link to Google Assistant

Go to **Account-> Google Assistant** and follow the step-by-step instructions to complete the linking process.

■ **FAQ**

At Meross, we strive to assure your satisfaction. Attached below is a non-exhaustive list of questions that users are mostly concerned about.

1. What devices can I control with the Smart Surge Protector?

You can control lights, fans, humidifiers, portable heaters, and any small appliances in accordance with the MSS425F's specifications (up to 15A output).

2. What if I can't control the smart device with the Meross app?

You can troubleshoot the following:

- Check if your home Wi-Fi is working properly.
- Make sure that you have disabled access control in your router and that the smart device is not blocked by the router's firmware.
- Factory reset your smart device and try to add it again.

3. My Home app can't add the device by scanning the QR code.

You can tap "Don't Have a Code or Can't Scan" and input the code manually.

4. I can't pair my device with HomeKit anyhow.

Please make sure your iOS is connected to the 2.4GHz home Wi-Fi and you are having iOS 13 or above. Restart your iOS will help due to some system cache issue.

■ Warranty

Meross products are covered by a 12-month limited warranty from the date of purchase. Please visit

<https://www.meross.com/support/warranty>
for detailed warranty policy and product
registration.

■ **Disclaimer**

1. The function of this smart device is tested under a typical circumstance described in our specifications. Meross does NOT guarantee that the smart device shall perform exactly the same as described under all circumstances.
2. By using third-party services including but not limited to Amazon Alexa, Google Assistant, Apple HomeKit and SmartThings, customers acknowledge that Meross shall not be held liable in any way for the data and private information collected by such parties. Meross's total liability is limited to what is expressly covered in its Privacy Policy.
