

# Quick Start

## 1.

### Download the Nighthawk app

On your mobile phone, download the Nighthawk app, available on Google Play™ store and the Apple App Store®.

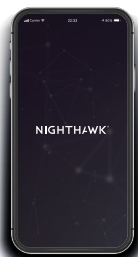

## 2.

### Connect your phone to the extender WiFi

Plug in your extender. Make sure the **AP/EX** switch is set to **EX**.

Connect your mobile phone to the extender WiFi network called **NETGEAR\_EXT**.

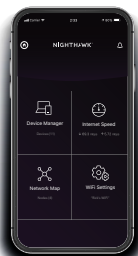

Open the Nighthawk app and follow the step-by-step instructions to set up your extender.

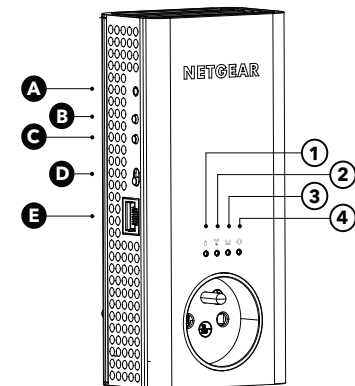

## 3.

### Do more with the app

Check out everything you can do on the Nighthawk app! Run a speed test, see all the connected devices, and more.
