Product Information

Limited Warranty

We have purposely designed our high-quality products so that they can grow with both your child and your family. Because we stand by our product, our gear is covered by a custom limited warranty per product, starting from the day it was purchased. Please have the proof of purchase, model number and manufactured in date available when you contact us.

For warranty information please visit:

WARNING

Failure to follow these warnings, instructions and labels on the product could result in serious injury or death.

A child's safety is your responsibility. **NEVER** leave your child unattended.

Only use the cup holder with a Nuna TAVO™ series stroller.

To prevent a hazardous, unstable condition, **DO NOT** place more than 1 lb (0.5 kg) in the cup holder.

To prevent spills, **NEVER** use the cup holder for carrying a lidless container.

ALWAYS wash the cup holder before/after each use (see Cleaning).

DO NOT use the cup holder for hot beverages.

Cleaning

The cup holder is dishwasher safe on the top rack, or wash with lukewarm water and a mild dish soap. Rinse, then drip or towel dry.

Product Use

For stroller assembly and usage, please refer to the stroller instruction manual.

Before attaching the cup holder, ensure the parking brake is engaged on the stroller.

- 1** - The cup holder should be attached to the stroller handle in the location circled here, below the infant carrier lock.
- 2** - To attach the cup holder, secure the right side of the cup holder clamp around the stroller handle.
- 3** - Rotate the left side of the clamp over the handle.
- 4** - Push the two pieces of the clamp together and listen for a “click.”

A click sound means the cup holder is securely attached.

- 5** - To remove the cup holder, push apart the two pieces of the clamp **(1)** and remove the cup holder from the handle **(2)**.

⚠ REMOVE the cup holder BEFORE folding the stroller.
