

**PELICAN LIMITED LIFETIME
GUARANTEE OF EXCELLENCE**

Pelican Products, Inc. ("Pelican") guarantees its flashlights and headlamps for a lifetime against breakage or defects in workmanship. This guarantee does not cover the lamp or batteries.

TO THE EXTENT PERMITTED BY LAW: (A) THIS WARRANTY IS IN LIEU OF ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE; (B) ALL OTHER IMPLIED WARRANTIES AND ANY LIABILITY NOT BASED UPON CONTRACT ARE HEREBY DISCLAIMED AND EXCLUDED; AND (C) IN NO EVENT SHALL PELICAN BE LIABLE FOR ANY INDIRECT, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES, OR SPECIAL DAMAGES, REGARDLESS OF WHETHER A CLAIM FOR SUCH DAMAGES IS BASED ON WARRANTY, CONTRACT, NEGLIGENCE OR OTHERWISE, nor shall Pelican's liability to the purchaser for damages exceed the purchase price of the product in respect of which damages are claimed.

Pelican will either repair or replace any defective product, at our sole option. Certain products are available for a limited time only. If a claim is made involving one of these products, Pelican reserves the right to replace a broken or defective product with a standard Pelican product of comparable size and quality if no comparable limited edition product is available at the time of a claim. TO THE EXTENT PERMITTED BY LAW, THIS SHALL BE THE SOLE AND EXCLUSIVE REMEDY OF THE PURCHASER.

To make a warranty claim, the purchaser must complete the warranty claim form at pelican.com/claim. Any warranty claims shall be made by the purchaser as soon as practicable. The purchaser must obtain a return authorization number from Pelican Customer Service prior to returning any product, and is responsible for paying for all warranty freight costs. If Pelican determines that any returned product is not defective, within the terms of this warranty, the purchaser shall pay Pelican all costs of handling, return freight and repairs at Pelican's prevailing rates.

All warranty claims of any nature are barred if the product has been altered, damaged or in any way physically changed, or subjected to abuse, misuse, negligence or accident.

Some states and countries do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from state to state and country to country.

In Australia: The benefits provided to you under this warranty are in addition to your rights and remedies as a consumer under the Australian Consumer Law as contained in the Competition and Consumer Act 2010 (Cth) ("the Act"). Nothing in this warranty limits the rights or obligations of a party under the Act in relation to the supply to consumers of goods which cannot be limited, modified or excluded. If applicable, our goods come with guarantees that cannot be excluded under the Act. Consumers are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. Consumers are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. If you are not a consumer under the Act, then your rights may be limited. To make a warranty claim, the purchaser may contact Pelican Products Australia, Suite 2.33, West Wing, Platinum Bldg., Erina NSW 2250, Tel: +612 4367 7022, or email: info.australia@pelican.com. Any claims should be made as soon as practicable. To expedite claims, the purchaser should obtain a return authorization number from Pelican Customer Service prior to returning any product. The purchaser is responsible for paying for all freight costs. If Pelican determines that any returned product is not defective, within the terms of this warranty or the Act, the purchaser may pay Pelican all costs of handling, return freight and repairs at Pelican's prevailing rates. In the event that Pelican determines that any returned product is defective, within the terms of this warranty or the Act, Pelican shall pay the purchaser all reasonable costs of the purchaser in making a claim under this warranty.

This compact flashlight produces an ultra bright light beam by using a LED powered by (2) two AA 1.5V alkaline batteries. The Pelican™ 2360 flashlight is designed for easy use with one hand operation and has a dual-switch mode for constant-on and momentary-on. The 2360 flashlight body is made by high precision CNC machines from aircraft-grade aluminum alloy for the most durable construction. The 2360 flashlight is water resistant.

To Insert Batteries

1. Remove the tail cap by turning counter-clockwise.
2. Install (2) two AA alkaline batteries with + terminal facing to the head assembly.
3. Replace the tail cap onto the flashlight by turning clockwise until sealed.

Operation

To select a program, partially depress the button (momentary press, do not click) as indicated in the table below and hold until the 2360 flashlight flashes in acknowledgment.

The flshlight will flash to let you know that a new program has successfully been selected. The number of flashes indicates the program number.

		Momentary Presses	Confirmation Flashes
Program 1 (default)	High > Strobe > Low	8	*
Program 2	High Only	10	**
Program 3	High > Low	12	***
Program 4	Low > High	14	****

1. Press the switch halfway down so the flashlight comes on (momentary- do not click) six times with no more than .5 second between presses.
2. Hold the button down on the sixth press.
3. After two seconds, the light will flash indicating the battery power status:
4 flashes = 76%-100%
3 flashes = 51%-75%
2 flashes = 26%-50%
1 flash = <25%

To Change Batteries

1. Remove the tail cap by turning counter-clockwise until it comes off the rear of the 2360 flashlight.
2. Remove the (2) two used batteries from the 2360 flashlight.
3. Install (2) two new AA alkaline batteries with + terminal facing to the head assembly.
4. Replace the tail cap by turning clockwise until sealed.

General Care and Maintenance

1. Clean o-rings with a soft clean cloth to insure that sealing area is free of dirt that could destroy the o-ring seal.
2. Apply a light coat of clear silicone grease on the o-rings occasionally if turning action becomes too difficult.
3. Remove the tail cap and wipe the rear threads of the 2360 flashlight body and inside of the tail cap with a soft clean cloth occasionally to avoid intermittent flashlight operation.

Caution

TO PREVENT THE 2360 FLASHLIGHT FROM COMING ON ACCIDENTALLY WHEN THE FLASHLIGHT IS STORED, REMOVE THE BATTERIES. IF THE 2360 FLASHLIGHT IS TURNED ON WHILE IT IS IN A CONTAINER, THE FLASHLIGHT CAN OVERHEAT AND DAMAGE THE FLASHLIGHT OR THE MATERIAL OF THE SURROUNDING AREA.
