Unpacking

Carton Contents

- Rigid hose + reel
- Rewind knob
- Quick-connect adapter
- Quick-connect adjustable spray nozzle
- Manual

1. Carefully remove the rigid hose + reel and check to see that all of the above items are supplied.
2. Inspect the product carefully to make sure no breakage or damage occurred during shipping. If you find damaged or missing parts, DO NOT return the unit to the store. Please call the All Season Power customer service center at 1-866-225-9723.

NOTE: Do not discard the shipping carton and packaging materials until you are ready to use your flat hose reel. The packaging is made of recyclable materials. Properly dispose of these materials in accordance with local regulations.

IMPORTANT! The equipment and packaging materials are not toys. Do not let children play with plastic bags, foils, or small parts. These items can be swallowed and pose a suffocation risk!

Assembly

Tools Required: Screwdriver, drill, level, measuring tape

Components Required: 2x plastic anchors with screws

1. To assemble and wall mount your rigid hose + reel, first choose a suitable wall location and mark two spots for drilling, ensuring they are level for straight alignment.
2. Drill the holes and insert your plastic anchors (not included).
3. Then, align the reel with the mounting holes on the back and secure it in place using screws (Fig. 1). Your hose reel is now ready for use!

Fig. 1

4. Attach the rewind knob to the front side of the hose reel case (Fig. 2).

Fig. 2

NOTE: The convenient clip on the reel keeps the hose securely in place, making it easy to roll up or pull out whenever you need it.

Operation

1. Attach the quick-connect adapter to the water inlet hose end quick-connect (Fig. 3).

Fig. 3

2. Then use this quick-connect adapter end to twist and connect your hose to a water source, i.e. garden faucet (Fig. 4).

3. Unlike other flat hoses, this hose can be used without unwinding the entire reel. Firmly hold onto the built-in handle and pull to unwind to any length you desire (Fig. 5).

4. Attach any quick-connect accessories to your hose as needed, such as the included adjustable spray nozzle. Simply twist this nozzle to adjust spray patterns (Fig. 6).

5. After use, recoil and store the water inlet hose end back in its central bracket (Fig. 7).

6. Recoil the remainder of the hose using the rewind knob.

Storage

CAUTION! Before storing your hose, it is recommended to drain all water from it. This helps prevent damage from freezing, reduces the risk of mold, and ensures optimal performance when using the hose next time.

1. Avoid stacking heavy objects on the hose reel.
2. Do not leave the reel outdoors for extended periods; store it in a cool place after use.
3. The reel can withstand temperatures from 14°F to 140°F (-10°C to +60°C).
4. The hose is not suitable for hot water.
5. The hose reel should not be connected to potable water mains.

Maintenance

Since water expands when it freezes, completely drain water from your sprinkler and hose to avoid damage if temperature falls below 32° F (0° C).

⚠ CAUTION! Have servicing performed by a qualified repair person using only identical replacement parts. This will ensure that the safety of the product is maintained.

ALL SEASON POWER CUSTOMER PROMISE

ABOVE ALL ELSE, All Season Power, LLC ("All Season Power") is dedicated to you, our customer. We strive to make your experience as pleasant as possible. Unfortunately, there are times when a Snow Joe®, Sun Joe®, Aqua Joe®, or Auto Joe® product ("Product") does not work or breaks under normal operating conditions. We think it's important that you know what you can expect from us. That's why we have a Limited Warranty ("Warranty") for our Products.

OUR WARRANTY:

All Season Power warrants new, genuine, powered and non-powered Products to be free from defects in material or workmanship when used for ordinary household use for a period of two years from the date of delivery of the Product to the original, end-user purchaser when purchased from All Season Power or from one of All Season Power's authorized sellers with proof of purchase. Because All Season Power is unable to control the quality of its Products sold by unauthorized sellers, unless otherwise prohibited by law, this Warranty does not cover Products purchased from unauthorized sellers. If your Product does not work or there's an issue with a specific part that is covered by the terms of this Warranty, All Season Power will elect to either (1) send you a free replacement part, (2) replace the Product with a new or comparable product at no charge, or (3) repair the Product. How cool is that!

This Warranty gives you specific legal rights, and you may also have other rights which vary from State to State.

PRODUCT REGISTRATION:

All Season Power strongly encourages you to register your Product. You can register online at shopjoe.com/register, or by printing and mailing in a registration card available online from our website, or by calling our Customer Service Department at **1-866-225-9723**, or by e-mailing us at help@shopjoe.com. Failure to register your Product will not diminish your warranty rights. However, registering your Product will allow All Season Power to better serve you with any of your customer service needs.

WHO CAN SEEK LIMITED WARRANTY COVERAGE:

This Warranty is extended by All Season Power to the original purchaser and original owner of the Product.

WHAT IS NOT COVERED?

This Warranty does not apply if the Product has been used commercially or for non-household or rental applications. This Warranty also does not apply if the Product was purchased from an unauthorized seller. This Warranty also does not cover cosmetic changes that do not affect performance. Wearing parts like belts, augers, chains and tines are not covered under this Warranty, and can be purchased at shopjoe.com/support or by calling **1-866-225-9723**.

Keep your warranty intact. Only use **CERTIFIED AUTHENTIC** Snow Joe®, Sun Joe®, Aqua Joe® + Auto Joe® replacement parts + accessories. Use of any other parts + accessories will void the warranty. Genuine parts + accessories can be found and purchased online at shopjoe.com/support by entering the model number of your product.
