Windows 8 Getting Started

New Start Screen and Menu

Start screen

You can add shortcuts to apps, the desktop, and websites that you use the most.

- **With a mouse/touch pad**
Open the charms, then click the **Start** charm.
- **With a keyboard**
Press the **(Windows)** key.

Charms

Search for apps and files, share content, play content on other devices or print, and set up your PC.

- **With a mouse/touch pad**
Point to the upper-right corner, then move downward.
With a touch pad, you can also swipe in from the right edge.

- **With a keyboard**

Press the **(Windows)** key and the **C** key at the same time.

Tiles

Click a tile to start an app and personalize the **Start** screen by adding and rearranging tiles.

Using Apps

Starting apps

- 1 Click the  **Search** charm (see cover).
- 2 Enter a keyword in the **Search** box, click **Apps**, and then click the app icon.

Viewing running apps

Point to the upper-left corner, then move downward. Click to switch apps.

Closing apps

- 1 When an app is open, move the cursor to the top-center of the screen until the hand icon appears.
- 2 Drag the app to the bottom of the screen until the app disappears from the screen.

Opening the apps menu

When an app is open, right-click (on a touch pad, click the bottom-right area).

Using the Internet

Connecting to a Wireless LAN

- 1 Click the  **Settings** charm (see cover).
- 2 Click the network icon.
- 3 Select your wireless network from the list, then click **Connect**.

Opening websites

- 1 On the **Start** screen, click the **Internet Explorer** tile.
- 2 Enter a URL or keyword to search websites.
- 3 To open a new tab, open the apps menu (see left page) and click the  icon.

You can also find the traditional style **Internet Explorer** on the desktop.

Installing apps from Windows Store

You can add apps from **Windows Store**.

- 1 Connect to the Internet.
- 2 Click the **Store** icon on the **Start** screen, and then find an app to install.

Microsoft Account

You will need a Microsoft account to use some of the apps or services, including **Windows Store**. On how to create and what you can do with a Microsoft account, refer to **Windows Help and Support** (see back page).
