BUILT FOR VISUAL COMFORT

The vibrant 8" HD display and Eye Comfort mode make it easy to enjoy movies, browse social media, or read eBooks for hours. The dedicated Reading Mode is perfect for diving into your favorite novels or articles. The slim bezel display, featuring an 81% screen-to-body ratio and high-strength glass, ensures clear visuals and durability for everyday use.

PERFORMANCE ON THE GO

Equipped with up to a 2.0GHz octa-core processor and 4GB of RAM, the TCL TAB 8 Gen2 ensures fast response and smooth performance. You can expand the 64GB internal storage by adding up to 1TB with a microSD™ card², which you can connect while traveling or away from Wi-Fi.

POWER FOR EVERYTHING

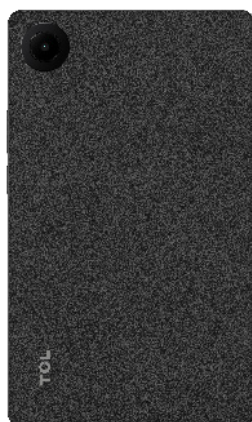

The robust 6000mAh battery provides all-day power³ to support binge-watching, gaming, or browsing without interruption. On-the-Go reverse charging allows the tablet to act as a backup power source for your phone or accessories. Smart Manager and Battery Saver features help extend battery life during long days.

CAPTURE AND EXPERIENCE IT IN ALL ITS DETAIL!

The 8MP rear camera with AI scene detection lets you capture stunning photos, scan documents, or create content for social media. The 5MP front camera and dual-mic system with noise cancellation ensure clear communication during video calls or virtual hangouts.

DESIGNED TO GO WITH YOU

The TCL TAB 8 Gen2 combines sleek styling with everyday portability. Its lightweight, compact build makes it perfect for travel, commutes, or relaxing at home.

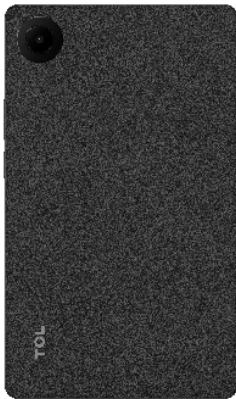

¹ Screen-to-body ratio calculated with VA/TP method. ² MicroSD card sold separately. ³ Battery life and charge cycles vary with use, settings, and other factors; actual results may vary. ⁴ On-The-Go reverse charging cable sold separately.
