ASSEMBLY / MONTAJE / ASSEMBLAGE

Installation of base

First open the carton, take out the foam and align the table top, after taking out the inner packaging, put the monitor on the foam. Remove the spindle assembly above the monitor from the monitor.

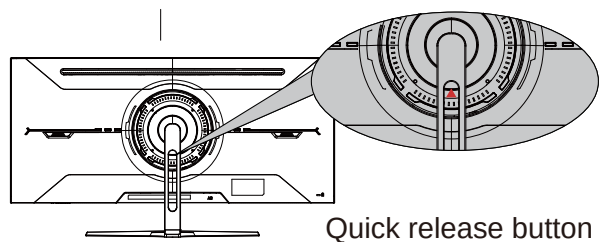

Base installation steps:

- ① Use 1 screws to lock the shaft assembly and bracket.
- ② Align the stand stem's bracket with the opening on the back of the monitor, and carefully insert bracket, fit the stand assembly and display together.

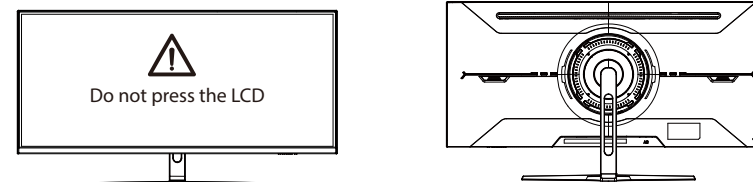

When it is necessary to disassemble the whole base, do the following steps ; Remove the stand by pushing the quick release button on the back of the monitor upwards while lifting the lower end of the base stand upwards.

Simply hold the stand with hand to stand the monitor upright.

⚠ Note: During standing of the whole monitor, do not press the liquid crystal screen with hand to avoid damage to the screen.
