SAFETY INFORMATION WARNING!

Before using this unit or starting any exercise program, consult your physician. This is especially important for persons over the age of 35 and/or persons with pre-existing health problems. XMARK Fitness assumes no responsibility for personal injury or property damage sustained by or through the use of this product.

It is the owner's responsibility to ensure that all users of this unit have read the Owner's Manual and are familiar with safety information and precautions.

SAFETY PRECAUTIONS

- This unit should only be used on a level surface and is intended for indoor use only. XMARK Fitness recommends an equipment mat be placed under the unit to protect the floor or carpet and for easier cleaning.
- Wear comfortable, good-quality walking or running shoes and appropriate clothing. Do not use this unit with bare feet, sandals, socks or stockings!
- Always examine your unit before using to ensure all parts are in working order.
- Do not leave children unsupervised near or on the unit.
- Service to your unit should only be performed by an authorized service representative, unless authorized and/or instructed by a XMARK Fitness technician. Failure to follow these instructions will void the warranty.

Before You Start

THANK YOU for making this unit a part of your exercise program. XMARK Fitness assures the very best in value, appearance, durability and biomechanics.

This manual will guide you through the assembly process. If at any time you are having trouble with the assembly or use of this product, then please contact us at our XMARK Fitness help line. We have trained service technicians on site to take care of you, our valued customer.
